Explanation of Responses:

- As a result of an anti-dilution adjustment made in connection with the spinoff of Black Knight Financial Services, Inc. from the registrant, the number of shares subject to each outstanding FNF Group restricted stock award was increased to include an additional number of restricted shares of FNF Group common stock with an initial value equal to the value of Black Knight, Inc. common stock the holder would have otherwise received. The number of additional shares of FNF Group common stock was determined using the volume weighted average prices of FNF Group common stock and Black Knight, Inc. common stock over the three trading days immediately following the spin-off. Restricted stock awards were rounded down to the nearest share and cash was issued in lieu of fractional restricted shares.
- Amount adjusted to reflect shares acquired under the registrant's Employee Stock Purchase Plan.
- The options vested in three equal annual installments beginning November 21, 2014.
