Item 1. Description of Registrant's Securities to be Registered.

The security to be registered hereby is the FNFV Group common stock, par value \$0.0001 per share ("FNFV common stock") of Fidelity National Financial, Inc. (the "Registrant").

Reference is made to the Registration Statement on Form S-4 of the Registrant, Amendment No. 2 to which was filed with the Securities and Exchange Commission on May 8, 2014, and which was declared effective by the Securities and Exchange Commission on May 9, 2014 (Reg. No. 333-194938) (the "S-4 Registration Statement"). The S-4 Registration Statement relates to, among other things, (i) the creation of the FNFV common stock and (ii) the reclassification of each share of the FNF Class A Common Stock (the "Old FNF common stock") into one share of FNFV common stock, par value \$0.0001 per share ("FNFV common stock") and 0.3333 of a share of FNFV common stock (such reclassification, the "Recapitalization"). The Registrant has applied to list the FNFV common stock on the New York Stock Exchange under the symbol "FNFV."

The following is a description of the terms of the FNFV common stock as set forth in the Registrant's amended and restated certificate of incorporation (as amended, the "restated charter"), which will be filed with the Secretary of State of the State of Delaware in connection with the issuance of the FNFV common stock. The discussion of the terms of the FNFV common stock and the Registrant's restated charter is qualified by reference to the full text of the restated charter, which is Exhibit 1 to this Registration Statement on Form 8-A.

Basic Investment

The FNFV common stock is intended to track and reflect the separate economic performance of the businesses, assets and liabilities to be attributed to the FNFV Group, which includes the Registrant's equity interests in Remy, ABRH, J. Alexander's, Ceridian, Stillwater Insurance Group, Cascade Timberlands LLC, Fidelity Newport Holdings LLC, Triple Tree Holdings LLC, Wine Direct, Inc., Fidelity National Timber Resources, Inc., Fidelity National Environmental Solutions, LLC, Fidelity National Technology Imaging, LLC (**Imaging**), Northern California Mortgage Fund and Digital Insurance. In addition, we anticipate that the FNFV Group would have attributed to it \$100 million in cash and approximately \$476 million of indebtedness, which would include a \$100 million line of credit from the FNF Group at our current borrowing rate (LIBOR + 175 basis points) plus 100 basis points and debt obligations of the businesses that are included in the FNFV Group of approximately \$376 million. The \$100 million in cash and the \$100 million line of credit will be used solely for investment purposes. From time to time, the FNF Group may also provide additional loans to the FNFV Group to cover corporate expenses and working capital, (ii) all other assets, liabilities and businesses of the Registrant to the extent attributed to the FNFV Group as of the effective date of the Registrant's restated charter, (iii) such other businesses, assets and liabilities that the Registrant's board of directors may determine to attribute to the FNFV Group or that may be acquired for or transferred to the FNFV Group in the future, (iv) the proceeds of any sale, transfer, exchange, assignment or other disposition of any of the foregoing, and (v) any inter-group interest that the FNFV Group may obtain in the FNF Group.

Authorized Capital Stock

The Registrant is authorized to issue up to 113 million shares of FNFV common stock.

Dividends and Securities Distributions

The Registrant is permitted to pay dividends on FNFV common stock out of the lesser of its assets legally available for the payment of dividends under Delaware law and the "FNFV Group Available Dividend Amount" (defined generally as the excess of the total assets less the total liabilities of the FNFV Group over the par value, or any greater amount determined to be capital in respect of, all outstanding shares of FNFV common stock or, if there is no such excess, an amount equal to the earnings or loss attributable to the FNFV Group (if positive) for the fiscal year in which such dividend is to be paid and/or the preceding fiscal year).

The Registrant is permitted to make (i) share distributions of FNFV common stock to holders of FNFV common stock, on an equal per share basis; and (ii) share distributions of any other class of the Registrant's securities or the securities of any other person to holders of FNFV common stock, on an equal per share basis, subject to certain limitations.

Conversion at Option of Issuer

The Registrant can convert each share of FNFV common stock into a number of shares of the FNF common stock so long as each share of FNFV common stock is converted (other than in connection with the disposition of all or substantially all of the FNFV Group's

assets) at a ratio based on the following requirements: (i) a 10% premium to such stock's market price for the first year following the Recapitalization, (ii) an 8% premium to such stock's market price for the second year following the Recapitalization, (iii) a 6% premium to such stock's market price for the third year following the Recapitalization, (iv) a 4% premium to such stock's market price for fourth year following the Recapitalization, (v) a 2% premium to such stock's market price for the fifth year following the Recapitalization and (vi) no premium to such stock's market price thereafter, with such premium to be based on, in each case, the market price of such stock over the 10-trading day period preceding the date on which the board of directors determines to effect any such conversion (each such premium, the "Conversion Premium"); no Conversion Premium is available for a conversion in connection with the disposition of all or substantially all of the assets of the FNFV Group.

Redemption for Securities of a Subsidiary

The Registrant may redeem outstanding shares of FNFV common stock for shares of common stock of a subsidiary that holds assets and liabilities attributed to the FNFV Group (and may or may not hold assets and liabilities attributed to the FNF Group), provided that its board of directors seeks and receives the approval to such redemption of holders of FNFV common stock, voting together as a separate class.

If the Registrant were to effect a redemption as described above with stock of a subsidiary that also holds assets and liabilities of the FNF Group, shares of FNF common stock would also be redeemed in exchange for shares of that subsidiary, and the entire redemption would be subject to the voting rights of the holders of FNFV common stock described above as well as the separate class vote of the holders of FNF common stock.

Mandatory Dividend, Redemption and Conversion Rights on Disposition of Assets

If the Registrant disposes, in one transaction or a series of transactions, of all or substantially all of the assets of the FNFV Group, it is required to choose one of the following four alternatives, unless its board of directors obtains approval of the holders of FNFV common stock to not take such action or the disposition qualifies under a specified exemption (in which case the Registrant will not be required to take any of the following actions):

- pay a dividend to holders of FNFV common stock out of the available net proceeds of such disposition; or
- if there are legally sufficient assets and the FNFV Group Available Dividend Amount would have been sufficient to pay a dividend, then: (i) if the disposition involves all of the properties and assets of the FNFV Group, redeem all outstanding shares of FNFV common stock in exchange for cash and/or securities or other assets with a fair value equal to the available net proceeds of such disposition, or (ii) if the disposition involves substantially all (but not all) of the properties and assets of the FNFV Group, redeem a portion of the outstanding shares of FNFV common stock in exchange for cash and/or securities or other assets with a fair value equal to the available net proceeds of such disposition; or
- convert each outstanding share of FNFV common stock into a number of shares of FNF common stock based on the relative trading prices of the FNFV common stock and the FNF common stock over the 10-trading day period preceding the date on which the board of directors determines to effect any such conversion; or
- combine a conversion of a portion of the outstanding shares of FNFV common stock into a number of shares of FNF common stock with either the payment of a dividend on or a redemption of shares of FNFV common stock, subject to certain limitations.

Voting Rights

Holders of FNFV common stock are entitled to one vote for each share of such stock held.

Holders of FNFV common stock will vote as one class with holders of FNF common stock on all matters that are submitted to a vote of its stockholders unless a separate class vote is required by the terms of the current charter or Delaware law. In connection with certain dispositions of FNFV Group assets as described above, the Registrant's board of directors may determine to seek approval of the holders of FNFV common stock, voting together as a separate class, to avoid effecting a mandatory dividend, redemption or conversion under the restated charter.

The Registrant may not redeem outstanding shares of FNFV common stock for shares of common stock of a subsidiary that holds assets and liabilities attributed to the FNFV Group unless its board of directors seeks and receives the approval to such redemption of holders of FNFV common stock, voting together as a separate class, and, if such subsidiary also holds assets and liabilities of the FNF Group,

the approval of holders of FNF common stock to the corresponding FNF common stock redemption, with each affected group voting as a separate class.

Inter-Group Interest

From time to time, the Registrant's board of directors may determine to create an inter-group interest in the FNF Group in favor of the FNFV Group, or *vice versa*, subject to the terms of the restated charter.

If the FNF Group has an inter-group interest in the FNFV Group at such time as any extraordinary action is taken with respect to the FNFV common stock (such as the payment of a dividend, a share distribution, the redemption of such stock for stock of a subsidiary or an action required to be taken in connection with a disposition of all or substantially all of the FNFV Group's assets), the Registrant's board of directors will consider what actions are required, or permitted, to be taken under the charter with respect to the FNF Group's inter-group interest in the FNFV Group. For example, in some instances, the Registrant's board of directors may determine that a portion of the aggregate consideration that is available for distribution to holders of FNFV common stock must be allocated to the FNF Group to compensate the FNF Group on a pro rata basis for its interest in the FNFV Group.

Similarly, if the FNFV Group has an inter-group interest in the FNF Group at such time as any extraordinary action is taken with respect to the FNF common stock (such as the payment of a dividend, a share distribution, the redemption of such stock for stock of a subsidiary or an action required to be taken in connection with a disposition of all or substantially all of the FNF Group's assets), the Registrant's board of directors will consider what actions are required, or permitted, to be taken under the charter with respect to the FNFV Group's inter-group interest in the FNF Group.

All such determinations made by the board of directors will be made in accordance with the restated charter and applicable Delaware law.

Neither the FNF Group, nor the FNFV Group will have any inter-group interest in the other upon the effectiveness of the restated charter.

Liquidation

Upon the Registrant's liquidation, dissolution or winding up, holders of shares of FNFV common stock will be entitled to receive in respect of such stock their proportionate interests in the Registrant's assets, if any, remaining for distribution to holders of common stock (regardless of the group to which such assets are then attributed) in proportion to their respective number of liquidation units per share.

Each share of FNFV common stock will be entitled to a number of liquidation units equal to the amount (calculated to the nearest five decimal places) obtained by dividing (x) the average of the daily volume weighted average prices of the FNFV common stock over the 10-trading day (with a "trading day" defined as each day on which the share of common stock is traded on the New York Stock Exchange) period commencing on (and including) the first trading day on which the FNFV common stock trades in the "regular way" market, by (y) the average of the daily volume weighted average prices of the FNF common stock over the 10-trading day period referenced in clause (x).

Description of Other Provisions of The Registrant's Amended Charter

Authorized Share Capital

The Registrant is authorized to issue up to 650,000,000 shares of capital stock, which will be divided into the following two classes: (i) 600,000,000 shares of common stock, and (ii) 50,000,000 shares of preferred stock (which class is issuable as described below).

Preferred Stock

The restated charter authorizes the Registrant's board of directors to establish one or more classes or series of preferred stock and to determine, with respect to any class or series of preferred stock, the terms and rights of the class or series, including:

- the designation and title of the class or series;
- the number of authorized shares constituting the class or series, which number may not be below the number of shares of such class or series of preferred stock then outstanding;
- the voting powers of the class or series, whether full or limited, or no voting powers; and
- such powers, preferences and relative, participating optional or other special rights and such qualification, limitations or restrictions of the class or series.

The Registrant believes that the ability of its board of directors to authorize the issuance of one or more class or series of preferred stock will provide flexibility in structuring possible future financing and acquisitions and in meeting other corporate needs which might arise. The authorized shares of the Registrant's preferred stock will be available for issuance without further action by its stockholders, unless such action is required by applicable law or the rules of any stock exchange or automated quotation system on which the Registrant's securities may be listed or traded.

Although the Registrant has no intention at the present time of doing so, it could issue a class or series of preferred stock that could, depending on the terms of such class or series, impede the completion of a merger, tender offer or other takeover attempt. The Registrant's board of directors will make any determination to issue such shares based upon its judgment as to the best interests of its stockholders. The Registrant's board of directors, in so acting, could issue preferred stock having terms that could discourage an acquisition attempt through which an acquirer may be able to change the composition of its board of directors, including a tender offer or other transaction that some, or a majority, of its stockholders might believe to be in their best interests or in which stockholders might receive a premium for their stock over the then-current market price of the stock.

Board of Directors

The restated charter provides that the number of the Registrant's directors will not be less than one nor more than 14 and the exact number will be determined from time to time by a resolution of its board of directors. The members of the Registrant's board of directors, other than those who may be elected by holders of any class or series of preferred stock, will be divided into three classes. Each class consists, as nearly as possible, of a number of directors equal to one-third of the then authorized number of board members. The term of office of the Class I directors of the Registrant will expire at the annual meeting of stockholders in 2015. The term of office of Class II directors of the Registrant will expire at the annual meeting of stockholders in 2016. The term of office of Class III directors of the Registrant will expire at the annual meeting of stockholders in 2017.

At each annual meeting of stockholders, the successors to the class of directors whose term expires at that annual meeting will be elected for a three-year term. The directors of each class will hold office until the annual meeting for the year in which their term expires and their respective successors are elected and qualified or until such director's earlier death, resignation, retirement, disqualification or removal from office.

The restated charter provides that, subject to the rights of the holders of any shares of preferred stock, directors may be removed from office only for cause upon the affirmative vote of the holders of a majority of the outstanding capital stock of the Registrant entitled to vote generally in the election of directors, voting together as a single class.

The restated charter provides that, subject to the rights of the holders of any shares of preferred stock, vacancies on the Registrant's board of directors resulting from death, resignation, retirement, disqualification, removal from office or other cause, and newly created directorships resulting from any increase in the number of directors on its board of directors, will be filled only by the affirmative vote of a majority of the directors then in office, even if less than a quorum, or by an affirmative vote of the sole remaining director. Any director so elected to fill a vacancy will hold office for the remainder of the full term of the class of directors in which the vacancy occurred or to which the new directorship is assigned, and until that director's successor will have been elected and qualified or until such director's earlier death, resignation, retirement, disqualification or removal from office.

These provisions would preclude a third party from removing incumbent directors and simultaneously gaining control of the Registrant's board of directors by filling the vacancies created by removal with its own nominees. Under the classified board provisions described above, it would take at least two elections of directors for any individual or group to gain control of the Registrant's board of directors. Accordingly, these provisions could discourage a third party from initiating a proxy contest, making a tender offer or otherwise attempting to gain control of the Registrant.

Limitation on Liability and Indemnification

To the fullest extent permitted by Delaware law, the Registrant's directors are not personally liable to it or any of its stockholders for monetary damages for breaches of fiduciary duties while serving as a director. In addition, the Registrant indemnifies, to the fullest extent permitted by applicable law, any person involved in any suit or action by reason of the fact that such person is a director or officer of the Registrant or by reason of the fact that such director or officer, at the request of the Registrant, is or was serving any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, in any capacity.

Shareowner Action by Written Consent; Special Meetings

Actions required or permitted to be taken by the stockholders of the Registrant at an annual or special meeting of the stockholders may be effected without a meeting by the written consent of a sufficient number of stockholders to authorize or take such action, so long such action is taken in accordance with the provisions of Article IX of the restated charter or by the holders of any class or series of preferred stock issued pursuant to Article IV of the restated charter, if the terms of such class or series of preferred stock expressly provide for such action by Consent. Except as otherwise required by law or provided by resolutions adopted by the board of directors designating the rights, powers and preferences of any preferred stock, special meetings may only be called by a majority vote of the board of directors, the Chairman of the board of directors or the Chief Executive Officer of the Registrant.

Amendments

The restated charter provides that, subject to the rights of the holders of any shares of its preferred stock, the affirmative vote of the holders of a majority of the outstanding shares of the Registrant's common stock entitled to vote thereon, voting together as a single class, is required to adopt, amend or repeal any provision of the restated charter or to add or insert any provision in the restated charter.

Section 203 of the Delaware General Corporation Law

Section 203 of the DGCL prohibits certain transactions between a Delaware corporation and an "interested stockholder." An "interested stockholder" for this purpose is a stockholder who is directly or indirectly a beneficial owner of 15% or more of the aggregate voting power of a Delaware corporation. This provision prohibits certain business combinations between an interested stockholder and a corporation for a period of three years after the date on which the stockholder became an interested stockholder, unless: (1) prior to the time that a stockholder became an interested stockholder, either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder is approved by the corporation's board of directors, (2) the interested stockholder acquired at least 85% of the aggregate voting power of the corporation in the transaction in which the stockholder became an interested stockholder, or (3) the business combination is approved by a majority of the board of directors and the affirmative vote of the holders of 66 2/3% of the aggregate voting power not owned by the interested stockholder at or subsequent to the time that the stockholder became an interested stockholder. The Registrant is subject to Section 203.

Any stock certificate that, immediately prior to the Effective Time, represented shares of the Old Class A Common Stock will, from and after the Effective Time, automatically and without the necessity of presenting the same for exchange, represent the shares of the FNF Common Stock and FNFV Common Stock.

SECTION A

COMMON STOCK

1. General.

487,000,000 shares of Common Stock will be of a class designated FNF Group Common Stock (the "FNF Common Stock"). 113,000,000 shares of Common Stock will be of a class designated FNFV Group Common Stock (the "FNFV Common Stock").

2. FNF Common Stock and FNFV Common Stock.

(a) Voting.

Each share of FNF Common Stock will be identical in all respects and will have equal rights, powers and privileges.

Each share of FNFV Common Stock will be identical in all respects and will have equal rights, powers and privileges.

(i) *Voting Generally.* Except (A) as may otherwise be provided in this Certificate, (B) as may otherwise be required by the laws of the State of Delaware or (C) as may otherwise be provided in any Preferred Stock Designation, the holders of shares of FNF Common Stock, the holders of shares of FNFV Common Stock, and the holders of shares of each series of Preferred Stock that is designated as a Voting Security and is entitled to vote thereon in accordance with the terms of the applicable Preferred Stock Designation will vote as one class with respect to the election of directors and with respect to all other matters to be voted on by stockholders of the Corporation (including, without limitation and irrespective of the provisions of Section 242(b)(2) of the DGCL, any proposed amendment to this Certificate that (i) would increase (x) the number of authorized shares of Common Stock or any series thereof, (y) the number of authorized shares of Preferred Stock or any series thereof or (z) the number of authorized shares of any other class or series of capital stock of the Corporation hereafter established, or (ii) decrease (x) the number of authorized shares of Common Stock or any series thereof, (y) the number of authorized shares of Preferred Stock or any series thereof or (z) the number of authorized shares of any other class or series of capital stock of the Corporation hereafter established (but, in each case, not below the number of shares of such class or series of capital stock (as the case may be) then outstanding)), and no separate class or series vote of the holders of shares of any class or series of capital stock of the Corporation will be required for the approval of any such matter.

(ii) *Special Voting Rights in Connection with Dispositions.*

(A) If the Board of Directors, at its election, determines to seek the approval of the holders of FNF Voting Securities entitled to vote thereon to classify a proposed FNF Group Disposition as an Exempt FNF Group Disposition, then such proposed FNF Group Disposition will constitute an Exempt FNF Group Disposition if approved by the holders of record, as of the record date for the meeting at which such vote is taken, of FNF Voting Securities representing a majority of the aggregate voting power of FNF Voting Securities that are present in person or by proxy at such meeting, voting together as a separate class.

(B) If the Board of Directors, at its election, determines to seek the approval of the holders of FNFV Voting Securities entitled to vote thereon to classify a proposed FNFV Group Disposition as an Exempt FNFV Group Disposition, then such proposed FNFV Group Disposition will constitute an Exempt FNFV Group Disposition if approved by the holders of record, as of the record date for the meeting at which such vote is taken, of FNFV Voting Securities representing a majority of the aggregate voting power of FNFV Voting Securities that are present in person or by proxy at such meeting, voting together as a separate class.

(C) Any vote taken pursuant to clause (A) or (B) of this paragraph (a)(ii) will be in addition to, and not in lieu of, any vote of the stockholders of the Corporation required pursuant to Article IX of this Certificate or the DGCL to be taken with respect to the applicable Disposition.

(iii) *Special Voting Rights in Connection with Certain Redemptions.*

(A) If the Corporation proposes to redeem outstanding shares of FNF Common Stock for securities of a Subsidiary pursuant to paragraph (e)(i) of this Section A.2., such redemption will be subject to, and will not be undertaken unless, the Corporation has received the approval of the holders of record, as of the record date for the meeting at which such vote is taken, of FNF Voting Securities representing a majority of the aggregate voting power of FNF Voting Securities that are present in person or by proxy at such meeting, voting together as a separate class (an “FNF Group Redemption Stockholder Approval”).

(B) If the Corporation proposes to redeem outstanding shares of FNFV Common Stock for securities of a Subsidiary pursuant to paragraph (f)(i) of this Section A.2., such redemption will be subject to, and will not be undertaken unless, the Corporation has received the approval of the holders of record, as of the record date for the meeting at which such vote is taken, of FNFV Voting Securities representing a majority of the aggregate voting power of FNFV Voting Securities that are present in person or by proxy at such meeting, voting together as a separate class (an “FNFV Group Redemption Stockholder Approval”).

(C) Any vote taken pursuant to clause (A) or (B) of this paragraph (a)(iii) will be in addition to, and not in lieu of, any vote of the stockholders of the Corporation required by the DGCL to be taken with respect to the applicable redemption.

(b) Conversion Rights.

(i) *Conversion of FNFV Common Stock into FNF Common Stock at the Option of the Corporation.*

(A) At the option of the Corporation, exercisable at any time by resolution of its Board of Directors: (I) each share of FNFV Common Stock will be converted into a number (or fraction) of fully paid and non-assessable shares of FNF Common Stock equal to the FNFV/FNF Group Optional Conversion Ratio.

(B) For purposes of this paragraph (b)(i), the “FNFV/FNF Group Optional Conversion Ratio” means the amount (calculated to the nearest five decimal places) obtained by multiplying the Applicable Conversion Percentage as of the Determination Date by the amount (calculated to the nearest five decimal places) by the amount obtained by dividing (I) the Average Market Value of the FNFV Reference Share over the 10-Trading Day period ending on the Trading Day preceding the Determination Date, by (II) the Average Market Value of the

FNF Reference Share over the 10-Trading Day period ending on the Trading Day preceding the Determination Date.

(C) If the Corporation determines to convert shares of FNFV Common Stock into FNF Common Stock pursuant to this paragraph (b)(i), such conversion will occur on an FNFV Group Conversion Date on or prior to the 45th day following the Determination Date and will otherwise be effected in accordance with the provisions of paragraph (f)(iv) of this Section A.2. If the Corporation determines not to undertake such conversion following the determination of the FNFV/FNF Group Optional Conversion Ratio, the Corporation may at any time thereafter establish a new Determination Date, in which event the FNFV/FNF Group Optional Conversion Ratio will be recalculated as of such new Determination Date and, if the Corporation determines to convert shares of FNFV Common Stock into shares of FNF Common Stock, a new FNFV Group Conversion Date will be established, in each case, in accordance with this paragraph (b)(i).

(D) The Corporation will not convert shares of FNFV Common Stock into shares of FNF Common Stock pursuant to this paragraph (b)(i) without converting all outstanding shares of FNFV Common Stock into shares of FNF Common Stock, in each case, in accordance with this paragraph (b)(i).

(ii) *Conversion of FNF Common Stock into FNFV Common Stock at the Option of the Corporation.*

(A) At the option of the Corporation, exercisable at any time by resolution of its Board of Directors: (I) each share of FNF Common Stock will be converted into a number (or fraction) of fully paid and non-assessable shares of FNFV Common Stock equal to the FNF/FNFV Group Optional Conversion Ratio.

(B) For purposes of this paragraph (b)(ii), the “FNF/FNFV Group Optional Conversion Ratio” means the amount (calculated to the nearest five decimal places) obtained by multiplying the Applicable Conversion Percentage as of the Determination Date by the amount (calculated to the nearest five decimal places) obtained by dividing (I) the Average Market Value of the FNF Reference Share over the 10-Trading Day period ending on the Trading Day preceding the Determination Date, by (II) the Average Market Value of the FNFV Reference Share over the 10-Trading Day period ending on the Trading Day preceding the Determination Date.

(C) If the Corporation determines to convert shares of FNF Common Stock into FNFV Common Stock pursuant to this paragraph (b)(ii), such conversion will occur on an FNF Group Conversion Date on or prior to the 45th day following the Determination Date and will otherwise be effected in accordance with the provisions of paragraph (e)(iv) of this Section A.2. If the Corporation determines not to undertake such conversion following the determination of the FNF/FNFV Group Optional Conversion Ratio, the

Corporation may at any time thereafter establish a new Determination Date, in which event the FNF/FNFV Group Optional Conversion Ratio will be recalculated as of such new Determination Date and, if the Corporation determines to convert shares of FNF Common Stock into shares of FNFV Common Stock, a new FNF Group Conversion Date will be established, in each case, in accordance with this paragraph (b)(ii).

(D) The Corporation will not convert shares of FNF Common Stock into shares of FNFV Common Stock pursuant to this paragraph (b)(ii) without converting all outstanding shares of FNF Common Stock into shares of FNFV Common Stock, in each case, in accordance with this paragraph (b)(ii).

(c) Dividends Generally.

(i) *Dividends on FNF Common Stock.* Subject to the applicable terms of any Preferred Stock Designation, dividends on the FNF Common Stock may be declared and paid only out of the lesser of (A) assets of the Corporation legally available therefor and (B) the FNF Group Available Dividend Amount.

If the FNF Group Outstanding Interest Fraction is less than one (1) on the record date for any dividend, including a dividend that consists of a Share Distribution, with respect to the FNF Common Stock, then concurrently with the payment of any dividend on the outstanding shares of FNF Common Stock:

(A) if such dividend consists of cash, securities (other than shares of FNF Common Stock or FNFV Common Stock) or other assets, at the election of the Board of Directors, the Corporation will (I) attribute (an “FNF Group Inter-Group Dividend”) to the FNFV Group an aggregate amount of cash, securities or other assets, or a combination thereof (the “FNF Group Inter-Group Dividend Amount”), with a Fair Value equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest as of the record date for such dividend, by (y) the per share Fair Value of such dividend payable to the holders of outstanding shares of FNF Common Stock, as determined by the Board of Directors or (II) increase the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest by a number equal to the amount (rounded, if necessary, to the nearest whole number) obtained by dividing (x) the FNF Group Inter-Group Dividend Amount, by (y) the Fair Value of the FNF Reference Share as of the “ex” date or any similar date for such dividend;

(B) if such dividend consists of shares of FNF Common Stock, the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest will be increased by a number equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group

Inter-Group Interest as of the record date for such dividend, by (y) the FNF Group Share Distribution Ratio applicable to such dividend; or

(C) if such dividend consists of shares of FNFV Common Stock, subject to paragraph (d)(i) (B), the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest will be decreased, but not below zero, by a number equal to the amount (rounded, if necessary, to the nearest whole number) obtained by adding (I) the number of shares of FNFV Common Stock distributed to holders of FNF Common Stock, plus (II) the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest as of the record date for such dividend, by (y) the FNFV Group Share Distribution Ratio applicable to such dividend.

In the case of a dividend paid pursuant to clause (D) of paragraph (e)(ii) of this Section A.2. in connection with an FNF Group Disposition, the FNF Group Inter-Group Dividend Amount may be increased, at the election of the Board of Directors, by the aggregate amount of the dividend that would have been payable with respect to the shares of FNF Common Stock converted into FNFV Common Stock in connection with such FNF Group Disposition if such shares were not so converted and received the same dividend per share as the other shares of FNF Common Stock received in connection with such FNF Group Disposition.

An FNF Group Inter-Group Dividend may, at the discretion of the Board of Directors, be reflected by an allocation or by a direct transfer of cash, securities or other assets, or a combination thereof, and may be payable in kind or otherwise.

(ii) *Dividends on FNFV Common Stock.* Subject to the applicable terms of any Preferred Stock Designation, dividends on the FNFV Common Stock may be declared and paid only out of the lesser of (A) assets of the Corporation legally available therefor and (B) the FNFV Group Available Dividend Amount.

If the FNFV Group Outstanding Interest Fraction is less than one (1) on the record date for any dividend, including a dividend that consists of a Share Distribution, with respect to the FNFV Common Stock, then concurrently with the payment of any dividend on the outstanding shares of FNFV Common Stock:

(A) if such dividend consists of cash, securities (other than shares of FNFV Common Stock or FNF Common Stock) or other assets, at the election of the Board of Directors, the Corporation will (I) attribute (an "FNFV Group Inter-Group Dividend") to the FNF Group an aggregate amount of cash, securities or other assets, or a combination thereof (the "FNFV Group Inter-Group Dividend Amount"), with a Fair Value equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest as of the record date for such dividend, by (y) the per share Fair Value of such dividend payable to the holders of outstanding shares of FNFV Common Stock, as determined by the Board of Directors or (II) increase the Number of Shares

Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest by a number equal to the amount (rounded, if necessary, to the nearest whole number) obtained by dividing (x) the FNFV Group Inter-Group Dividend Amount, by (y) the Fair Value of the FNFV Reference Share as of the “ex” date or any similar date for such dividend;

(B) if such dividend consists of shares of FNFV Common Stock, the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest will be increased by a number equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest as of the record date for such dividend, by (y) the FNFV Group Share Distribution Ratio applicable to such dividend; or

(C) if such dividend consists of shares of FNF Common Stock, subject to paragraph (d)(ii) (B), the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest will be decreased, but not below zero, by a number equal to the amount (rounded, if necessary, to the nearest whole number) obtained by adding (I) the number of shares of FNF Common Stock distributed to holders of FNFV Common Stock, plus (II) the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest as of the record date for such dividend, by (y) the FNF Group Share Distribution Ratio applicable to such dividend.

In the case of a dividend paid pursuant to clause (D) of paragraph (f)(ii) of this Section A.2. in connection with an FNFV Group Disposition, the FNFV Group Inter-Group Dividend Amount may be increased, at the election of the Board of Directors, by the aggregate amount of the dividend that would have been payable with respect to the shares of FNFV Common Stock converted into FNF Common Stock in connection with such FNFV Group Disposition if such shares were not so converted and received the same dividend per share as the other shares of FNFV Common Stock received in connection with such FNFV Group Disposition.

An FNFV Group Inter-Group Dividend may, at the discretion of the Board of Directors, be reflected by an allocation or by a direct transfer of cash, securities or other assets, or a combination thereof, and may be payable in kind or otherwise.

(iii) *Discrimination Between or Among Classes of Common Stock.* Subject to the provisions of paragraphs (c) and (d) of this Section A.2., the Board of Directors will have the authority and discretion to declare and pay (or to refrain from declaring and paying) dividends, including, without limitation, dividends consisting of Share Distributions, on outstanding shares of FNF Common Stock or FNFV Common Stock, and in equal or unequal amounts, or only on the FNF Common Stock or the FNFV Common Stock (subject to applicable law), notwithstanding the relationship between or among the FNF Group Available Dividend Amount and the FNFV Group Available Dividend Amount, or the respective amounts of prior dividends declared on, or the

liquidation rights of, the FNF Common Stock or the FNFV Common Stock, or any other factor.

(d) Share Distributions.

(i) *Distributions on FNF Common Stock.* If at any time a Share Distribution is to be made with respect to the FNF Common Stock, then, in addition to the applicable requirements of paragraph (c)(i) of this Section A.2., such Share Distribution may be declared and paid only as follows:

(A) a Share Distribution consisting, at the election of the Board of Directors, of: shares of FNF Common Stock (or Convertible Securities convertible into or exercisable or exchangeable for shares of FNF Common Stock) may be declared and paid to holders of FNF Common Stock, on an equal per share basis;

(B) a Share Distribution consisting, at the election of the Board of Directors, of: shares of FNFV Common Stock (or Convertible Securities convertible into or exercisable or exchangeable for shares of FNFV Common Stock) may be declared and paid to holders of FNF Common Stock, on an equal per share basis; provided, however, that no such Share Distribution will be declared and paid if the amount obtained by adding (x) the aggregate number of shares of FNFV Common Stock to be so distributed pursuant to this paragraph (d)(i)(B) (including the number of such shares that would be issuable upon conversion, exercise or exchange of any Convertible Securities to be so distributed pursuant to such Share Distribution), plus (y) the number of shares of FNFV Common Stock that are subject to issuance upon conversion, exercise or exchange of any Convertible Securities then outstanding that are attributed to the FNF Group, plus (z) if the FNF Group Outstanding Interest Fraction is less than one (1) on the record date for the Share Distribution, the number of shares of FNFV Common Stock equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (I) the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest as of the record date for such Share Distribution, by (II) the FNFV Group Share Distribution Ratio, is greater than the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest; or

(C) a Share Distribution consisting of any class or series of securities of the Corporation or any other Person, other than FNF Common Stock or FNFV Common Stock (or Convertible Securities convertible into or exercisable or exchangeable for shares of FNF Common Stock or FNFV Common Stock), may be declared and paid, at the election of the Board of Directors, on the basis of a distribution of identical securities, on an equal per share basis, to holders of FNF Common Stock.

(ii) *Distributions on FNFV Common Stock.* If at any time a Share Distribution is to be made with respect to the FNFV Common Stock, then, in addition to the

applicable requirements of paragraph (c)(ii) of this Section A.2., such Share Distribution may be declared and paid only as follows:

(A) a Share Distribution consisting, at the election of the Board of Directors, of: shares of FNFV Common Stock (or Convertible Securities convertible into or exercisable or exchangeable for shares of FNFV Common Stock) may be declared and paid to holders of FNFV Common Stock, on an equal per share basis;

(B) a Share Distribution consisting, at the election of the Board of Directors, of: shares of FNF Common Stock (or Convertible Securities convertible into or exercisable or exchangeable for shares of FNF Common Stock) may be declared and paid to holders of FNFV Common Stock, on an equal per share basis; provided, however, that no such Share Distribution will be declared and paid if the amount obtained by adding (x) the aggregate number of shares of FNF Common Stock to be so distributed pursuant to this paragraph (d)(ii)(B) (including the number of such shares that would be issuable upon conversion, exercise or exchange of any Convertible Securities to be so distributed pursuant to such Share Distribution), plus (y) the number of shares of FNF Common Stock that are subject to issuance upon conversion, exercise or exchange of any Convertible Securities then outstanding that are attributed to the FNFV Group, plus (z) if the FNFV Group Outstanding Interest Fraction is less than one (1) on the record date for the Share Distribution, the number of shares of FNF Common Stock equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (I) the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest as of the record date for such Share Distribution, by (II) the FNF Group Share Distribution Ratio, is greater than the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest; or

(C) a Share Distribution consisting of any class or series of securities of the Corporation or any other Person, other than FNFV Common Stock or FNF Common Stock (or Convertible Securities convertible into or exercisable or exchangeable for shares of FNFV Common Stock or FNF Common Stock), may be declared and paid, at the election of the Board of Directors, on the basis of a distribution of identical securities, on an equal per share basis, to holders of FNFV Common Stock.

(e) Redemption and Other Provisions Relating to the FNF Common Stock.

(i) Redemption for Securities of one or more FNF Group Subsidiaries. At any time at which a Subsidiary of the Corporation holds, directly or indirectly, assets and liabilities attributed to the FNF Group, the Corporation may, at its option and subject to assets of the Corporation being legally available therefor, but subject (in addition to any other approval of the Corporation's stockholders (or any series thereof) required under the DGCL in respect of such redemption, if any) to the Corporation having received the FNF Group Redemption Stockholder Approval (and, to the extent applicable, the FNFV

Group Redemption Stockholder Approval), redeem outstanding shares of FNF Common Stock (such shares of FNF Common Stock to be redeemed, the “FNF Group Redemption Shares”) for securities of such Subsidiary (a “Distributed FNF Group Subsidiary”), as provided herein. The number of FNF Group Redemption Shares will be determined, by the Board of Directors, by multiplying (A) the number of outstanding shares of FNF Common Stock as of the FNF Group Redemption Selection Date, by (B) the percentage of the Fair Value of the FNF Group that is represented by the Fair Value of the Corporation’s equity interest in the Distributed FNF Group Subsidiary which is attributable to the FNF Group, in each case, as determined by the Board of Directors as of a date selected by the Board of Directors, as such percentage may be adjusted by the Board of Directors in its discretion to take into account such things as it deems relevant. The aggregate number of securities of the Distributed FNF Group Subsidiary to be delivered (the “FNF Group Distribution Subsidiary Securities”) in redemption of the FNF Group Redemption Shares will be equal to: (A) if the Board of Directors makes an FNF Group Inter-Group Redemption Election as described below, the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the product of (I) the number of securities of the Distributed FNF Group Subsidiary owned by the Corporation and (II) the percentage of the Fair Value of the Corporation’s equity interest in the Distributed FNF Group Subsidiary that is represented by the Fair Value of the Corporation’s equity interest in the Distributed FNF Group Subsidiary which is attributable to the FNF Group (such product, the “Distributable FNF Group Subsidiary Securities”), by (y) the FNF Group Outstanding Interest Fraction, in each case, as of the FNF Group Redemption Selection Date, or (B) if the Board of Directors does not make an FNF Group Inter-Group Redemption Election, all of the Distributable FNF Group Subsidiary Securities, in each case, subject to adjustment as provided below. The number of securities of the Distributed FNF Group Subsidiary to be delivered in redemption of each FNF Group Redemption Share will be equal to the amount (rounded, if necessary, to the nearest five decimal places) obtained by dividing (x) the number of FNF Group Distribution Subsidiary Securities, by (y) the number of FNF Group Redemption Shares.

If the FNF Group Outstanding Interest Fraction is less than one (1) on the FNF Group Redemption Selection Date for any redemption pursuant to this paragraph (e)(i) and if (but only if) the Board of Directors so determines in its discretion (an “FNF Group Inter-Group Redemption Election”), then concurrently with the distribution of the FNF Group Distribution Subsidiary Securities in redemption of FNF Group Redemption Shares, the Corporation will attribute to the FNFV Group an aggregate number of Distributable FNF Group Subsidiary Securities (the “FNF Group Inter-Group Interest Subsidiary Securities”) equal to the difference between the total number of Distributable FNF Group Subsidiary Securities and the number of FNF Group Distribution Subsidiary Securities, subject to adjustment as provided below. If an FNF Group Inter-Group Redemption Election is made, then: (I) the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest will be decreased as described in subparagraph (ii)(D) of the definition of “Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest” in paragraph (i) of this Section A.2.; (II) the attribution of FNF Group Inter-Group Interest Subsidiary Securities to be made to the FNFV Group may, at the discretion of the Board of Directors, be reflected by an allocation or by a direct transfer of FNF Group Inter-Group Interest Subsidiary Securities to the FNFV Group; and (III) the Board of Directors may determine that the FNF Group Inter-Group Interest

Subsidiary Securities so allocated or transferred to the FNFV Group will be distributed to holders of shares of FNFV Common Stock as a Share Distribution pursuant to paragraph (d)(ii)(C) of this Section A.2.

If at the time of a redemption of FNF Common Stock pursuant to this paragraph (e)(i), there are outstanding any Convertible Securities convertible into or exercisable or exchangeable for shares of FNF Common Stock that would become convertible into or exercisable or exchangeable for Distributable FNF Group Subsidiary Securities as a result of such redemption, and the obligation to deliver securities of such Distributed FNF Group Subsidiary upon exercise, exchange or conversion of such Convertible Securities is not assumed or otherwise provided for by the Distributed FNF Group Subsidiary, then the Board of Directors may make such adjustments as it determines to be appropriate to the number of FNF Group Redemption Shares, the number of FNF Group Distribution Subsidiary Securities and the number of FNF Group Inter-Group Interest Subsidiary Securities (and any related adjustment to the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest) to take into account the securities of the Distributed FNF Group Subsidiary into which such Convertible Securities are convertible or for which such Convertible Securities are exercisable or exchangeable.

In the event that not all outstanding shares of FNF Common Stock are to be redeemed in accordance with this paragraph (e) (i) for FNF Group Distribution Subsidiary Securities, then the outstanding shares of FNF Common Stock to be redeemed in accordance with this paragraph (e)(i) will be redeemed by the Corporation pro rata among the holders of FNF Common Stock or by such other method as may be determined by the Board of Directors to be equitable.

To the extent that a Distributed FNF Group Subsidiary to be distributed pursuant to this paragraph (e)(i) also holds, directly or indirectly, assets and liabilities attributed to the FNFV Group, then (x) such Distributed FNF Group Subsidiary will also be deemed a Distributed FNFV Group Subsidiary for purposes of paragraph (f)(i) and (y) in connection with the redemption of FNF Group Redemption Shares pursuant to this paragraph (e)(i) the Corporation will also redeem shares of FNFV Common Stock pursuant to the provisions of paragraph (f)(i), subject to the Corporation obtaining the FNF Group Redemption Stockholder Approval and the FNFV Group Redemption Stockholder Approval. In connection with any such redemption of FNF Common Stock and FNFV Common Stock, the Board of Directors will effect such redemption in accordance with the terms of paragraphs (e) (i) and (f)(i), as determined by the Board of Directors in good faith, with such changes and adjustments as the Board of Directors determines are reasonably necessary in order to effect such redemption in exchange for securities of a single Subsidiary holding the assets and liabilities of more than one Group. In effecting such redemption, the Board of Directors may determine to redeem the FNF Group Redemption Shares and the FNFV Group Redemption Shares in exchange for one or more classes or series of securities of such Subsidiary, including, without limitation, for separate classes or series of securities of such Subsidiary, (I) with the holders of FNF Group Redemption Shares to receive FNF Group Distribution Subsidiary Securities intended to track the performance of the former assets and liabilities attributed to the FNF Group held by such Subsidiary and (II) with holders of FNFV Group Redemption Shares to receive FNFV Group Distribution Subsidiary Securities intended to track the performance of the former assets and liabilities attributed to the FNFV Group held by such Subsidiary, subject, in each case, to the applicable limitations on the class

and series of securities of the Distributed FNF Group Subsidiary set forth in the last paragraph of paragraphs (e)(i) and (f)(i).

Any redemption pursuant to this paragraph (e)(i) will occur on an FNF Group Redemption Date set forth in a notice to holders of FNF Common Stock (and Convertible Securities convertible into or exercisable or exchangeable for shares of FNF Common Stock (unless provision for notice is otherwise made pursuant to the terms of such Convertible Securities)) pursuant to paragraph (e)(iv)(C).

In effecting a redemption of FNF Common Stock pursuant to this paragraph (e)(i), the Board of Directors shall determine to redeem shares of FNF Common Stock in exchange for a single class or series of securities of the Distributed FNF Group Subsidiary on an equal per share basis. If the Board of Directors has made an FNF Group Inter-Group Redemption Election, then the determination as to the classes or series of securities of the Distributed FNF Group Subsidiary comprising the FNF Group Inter-Group Interest Subsidiary Securities to be so transferred or allocated to the FNFV Group will be made by the Board of Directors in its discretion.

(ii) *Mandatory Dividend, Redemption or Conversion in Case of FNF Group Disposition.* In the event of an FNF Group Disposition (other than an Exempt FNF Group Disposition), the Corporation will, on or prior to the 120th Trading Day following the consummation of such FNF Group Disposition and in accordance with the applicable provisions of this Section A.2., take the actions referred to in one of clauses (A), (B), (C) or (D) below, as elected by the Board of Directors:

(A) Subject to the first sentence of paragraph (c)(i) of this Section A.2. the Corporation may declare and pay a dividend payable in cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, to the holders of outstanding shares of FNF Common Stock, with an aggregate Fair Value (subject to adjustment as provided below) equal to the FNF Group Allocable Net Proceeds of such FNF Group Disposition as of the record date for determining the holders entitled to receive such dividend, as the same may be determined by the Board of Directors, with such dividend to be paid in accordance with the applicable provisions of paragraphs (c)(i) and (d)(i) of this Section A.2.; or

(B) Provided that there are assets of the Corporation legally available therefor and the FNF Group Available Dividend Amount would have been sufficient to pay a dividend pursuant to clause (A) of this paragraph (e)(ii) in lieu of effecting the redemption provided for in this clause (B), then:

(I) if such FNF Group Disposition involves all (not merely substantially all) of the assets of the FNF Group, the Corporation may redeem all outstanding shares of FNF Common Stock for cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, with an aggregate Fair Value (subject to adjustment as provided below) equal to the FNF Group Allocable Net Proceeds of such FNF

Group Disposition as of the FNF Group Redemption Date, as determined by the Board of Directors, such aggregate amount to be allocated among the shares of FNF Common Stock outstanding as of the FNF Group Redemption Date on an equal per share basis (subject to the provisions of this paragraph (e)(ii)); or

(II) if such FNF Group Disposition involves substantially all (but not all) of the assets of the FNF Group, the Corporation may apply an aggregate amount (subject to adjustment as provided below) of cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, with a Fair Value equal to the FNF Group Allocable Net Proceeds of such FNF Group Disposition as of the FNF Group Redemption Selection Date (the “FNF Group Redemption Amount”) to the redemption of outstanding shares of FNF Common Stock; or

(C) The Corporation may convert each outstanding share of FNF Common Stock into a number (or fraction) of fully paid and non-assessable shares of FNFV Common Stock, equal to the average daily ratio (calculated to the nearest five decimal places) of (I) the Average Market Value of the FNF Reference Share over the period of 10 consecutive Trading Days beginning on the 2nd Trading Day following the consummation of such FNF Group Disposition, to (II) the Average Market Value of the FNFV Reference Share over the same 10-Trading Day period; or

(D) The Corporation may combine the conversion of a portion of the outstanding shares of FNF Common Stock into FNFV Common Stock as contemplated by clause (C) of this paragraph (e)(ii) with the payment of a dividend on or the redemption of shares of FNF Common Stock as described below, subject to the limitations specified in clause (A) (in the case of a dividend) or clause (B) (in the case of a redemption) of this paragraph (e)(ii) (including the limitations specified in other paragraphs of this Certificate referred to therein). In the event the Board of Directors elects the option described in this clause (D), the portion of the outstanding shares of FNF Common Stock to be converted into fully paid and non-assessable shares of FNFV Common Stock will be determined by the Board of Directors and will be so converted at the conversion rate determined in accordance with clause (C) above and the Corporation will either (x) pay a dividend to the holders of record of all of the remaining shares of FNF Common Stock outstanding, with such dividend to be paid in accordance with the applicable provisions of paragraphs (c)(i) and (d)(i) of this Section A.2., or (y) redeem all or a portion of such remaining shares of FNF Common Stock. The aggregate amount of such dividend, in the case of a dividend, or the portion of the FNF Group Allocable Net Proceeds to be applied to such redemption, in the case of a redemption, will be equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (I) an amount equal to the FNF Group Allocable Net Proceeds of such FNF Group Disposition as of, in the case of a dividend, the record date for determining the holders of FNF Common Stock entitled to receive such dividend and, in the case of a redemption, the FNF Group

Redemption Selection Date (in the case of a partial redemption) or the FNF Group Redemption Date (in the case of a full redemption), in each case, before giving effect to the conversion of shares of FNF Common Stock in connection with such FNF Group Disposition in accordance with this clause (D) and any related adjustment to the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest, by (II) one minus a fraction, the numerator of which will be the number of shares of FNF Common Stock to be converted into shares of FNFV Common Stock in accordance with this clause (D) and the denominator of which will be the aggregate number of shares of FNF Common Stock outstanding as of the record date, FNF Group Redemption Selection Date or FNF Group Redemption Date used for purposes of clause (I) of this sentence. In the event of a redemption concurrently with or following any such partial conversion of shares of FNF Common Stock, if the FNF Group Disposition was of all (not merely substantially all) of the assets of the FNF Group, then all remaining outstanding shares of FNF Common Stock will be redeemed for cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, with an aggregate Fair Value equal to the portion of the FNF Group Allocable Net Proceeds to be applied to such redemption determined in accordance with this clause (D), such aggregate amount to be allocated among all such shares to be redeemed on an equal per share basis (subject to the provisions of this paragraph (e)(ii)). In the event of a redemption concurrently with or following any such partial conversion of shares of FNF Common Stock, if the FNF Group Disposition was of substantially all (but not all) of the assets of the FNF Group, then the number of shares of FNF Common Stock to be redeemed will be determined in accordance with clause (B)(II) of this paragraph (e)(ii), substituting for the FNF Group Redemption Amount referred to therein the portion of the FNF Group Allocable Net Proceeds to be applied to such redemption as determined in accordance with this clause (D), and such shares will be redeemed for cash, securities (other than Common Stock) or other assets, or any combination thereof, with an aggregate Fair Value equal to such portion of the FNF Group Allocable Net Proceeds and allocated among all such shares to be redeemed on an equal per share basis (subject to the provisions of this paragraph (e)(ii)). In the case of a redemption, the allocation of the cash, securities (other than shares of Common Stock) and/or other assets to be paid in redemption and, in the case of a partial redemption, the selection of shares to be redeemed will be made in the manner contemplated by clause (B) of this paragraph (e)(ii).

For purposes of this paragraph (e)(ii):

(1) as of any date, “substantially all of the assets of the FNF Group” means a portion of such assets that represents at least 80% of the then-Fair Value of the assets of the FNF Group as of such date;

(2) in the case of an FNF Group Disposition of assets in a series of related transactions, such FNF Group Disposition will not be deemed to have been consummated until the consummation of the last of such transactions;

(3) if the Board of Directors seeks the approval of the holders of FNF Voting Securities entitled to vote thereon to qualify an FNF Group Disposition as an Exempt FNF Group Disposition and such approval is not obtained, the date on which such approval fails to be obtained will be treated as the date on which such FNF Group Disposition was consummated for purposes of making the determinations and taking the actions prescribed by this paragraph (e)(ii) and paragraph (e)(iv), and no subsequent vote may be taken to qualify such FNF Group Disposition as an Exempt FNF Group Disposition;

(4) in the event of a redemption of a portion of the outstanding shares of FNF Common Stock pursuant to clause (B)(II) or (D) of this paragraph (e)(ii) at a time when the FNF Group Outstanding Interest Fraction is less than one, if the Board of Directors so elects (an “FNF Group Inter-Group Partial Redemption Election”), in its discretion, the Corporation will attribute to the FNFV Group concurrently with such redemption an aggregate amount (the “FNF Group Inter-Group Redemption Amount”) of cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, subject to adjustment as described below, with an aggregate Fair Value equal to the difference between (x) the FNF Group Net Proceeds and (y) the portion of the FNF Group Allocable Net Proceeds applied to such redemption as determined in accordance with clause (B)(II) or clause (D) of this paragraph (e)(ii). If the Board of Directors makes such election, the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest will be decreased in the manner described in subparagraph (ii)(E) of the definition of “Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest” in paragraph (i) of this Section A.2. The FNF Group Inter-Group Redemption Amount may, at the discretion of the Board of Directors, be reflected by an allocation to the FNFV Group or by a direct transfer to the FNFV Group of cash, securities and/or other assets;

(5) if at the time of an FNF Group Disposition subject to this paragraph (e)(ii), there are outstanding any Convertible Securities convertible into or exercisable or exchangeable for shares of FNF Common Stock that would give the holders thereof the right to receive any consideration related to such FNF Group Disposition upon conversion, exercise or exchange or otherwise, or would adjust to give the holders equivalent economic rights, as a result of any dividend, redemption or other action taken by the Corporation with respect to the FNF Common Stock pursuant to this paragraph (e)(ii), then the Board of Directors may make such adjustments to (x) the amount of consideration to be issued or delivered as contemplated by this paragraph (e)(ii) as a dividend on or in redemption or conversion of shares of FNF Common Stock and/or, if applicable, (y) the FNF Group Inter-Group Redemption Amount and the Number of Shares Issuable to the FNFV Group with Respect to the FNF

Group Inter-Group Interest as it deems appropriate to take into account the FNF Common Stock into which such Convertible Securities are convertible or for which such Convertible Securities are exercisable or exchangeable;

(6) the Corporation may pay the dividend or redemption price referred to in clause (A), (B) or (D) of this paragraph (e)(ii) payable to the holders of FNF Common Stock in cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, that the Board of Directors determines and which has an aggregate Fair Value of not less than the amount allocated to such dividend or redemption pursuant to the applicable of clauses (A), (B) or (D) of this paragraph (e)(ii), regardless of the form or nature of the proceeds received by the Corporation from the FNF Group Disposition; and

(7) if all or any portion of the redemption price referred to in clause (B) or (D) of this paragraph (e)(ii) payable to the holders of FNF Common Stock is paid in the form of securities of an issuer other than the Corporation, the Board of Directors may determine to pay the redemption price, so payable in securities, in the form of identical securities, on an equal per share basis, to holders of FNF Common Stock.

(iii) *Certain Provisions Respecting Convertible Securities.* Unless the provisions of any Convertible Securities that are or become convertible into or exercisable or exchangeable for shares of FNF Common Stock provide specifically to the contrary, or the instrument, plan or agreement evidencing such Convertible Securities or pursuant to which the same were issued grants to the Board of Directors the discretion to approve or authorize any adjustment or adjustments to the conversion, exercise or exchange provisions of such Convertible Securities so as to obtain a result different from that which would otherwise occur pursuant to this paragraph (e)(iii), and the Board of Directors so approves or authorizes such adjustment or adjustments, after any FNF Conversion Date or FNF Group Redemption Date on which all outstanding shares of FNF Common Stock were converted or redeemed, any share of FNF Common Stock that is issued on conversion, exercise or exchange of any such Convertible Security will, immediately upon issuance and without any notice or any other action on the part of the Corporation or its Board of Directors or the holder of such share of FNF Common Stock, be redeemed in exchange for, to the extent assets of the Corporation are legally available therefor, the amount of \$0.0001 per share in cash.

(iv) *General.*

(A) Not later than the 10th Trading Day following the consummation of an FNF Group Disposition referred to in paragraph (e)(ii) of this Section A.2., the Corporation will announce publicly by press release (x) the FNF Group Net Proceeds of such FNF Group Disposition, (y) whether the FNF Group Disposition qualifies as an Exempt FNF Group Disposition, and (z) if it does not so qualify at the time of such announcement (including in the event the Board of Directors had

not sought stockholder approval to qualify such FNF Group Disposition as an Exempt FNF Group Disposition in connection with any required stockholder approval obtained by the Corporation, if applicable), whether the Board of Directors will seek the approval of the holders of FNF Voting Securities entitled to vote thereon to qualify such FNF Group Disposition as an Exempt FNF Group Disposition. Not later than the 30th Trading Day (and in the event a 10 Trading Day valuation period is required in connection with the action selected by the Board of Directors pursuant to clause (I) of this paragraph (e)(iv)(A), not earlier than the 11th Trading Day) following the later of (x) the consummation of such FNF Group Disposition and (y), if applicable, the date of the stockholder meeting at which a vote is taken to qualify such FNF Group Disposition as an Exempt FNF Group Disposition, the Corporation will announce publicly by press release (to the extent applicable):

(I) which of the actions specified in clauses (A), (B), (C) or (D) of paragraph (e)(ii) of this Section A.2. the Corporation has irrevocably determined to take;

(II) as applicable, the record date for determining holders entitled to receive any dividend to be paid pursuant to clause (A) or (D) of paragraph (e)(ii), the FNF Group Redemption Selection Date for the redemption of shares of FNF Common Stock pursuant to clause (B)(II) or (D) of paragraph (e)(ii) or the FNF Group Conversion Selection Date for the partial conversion of shares of FNF Common Stock pursuant to clause (D) of paragraph (e)(ii), which record date, FNF Group Redemption Selection Date or FNF Group Conversion Selection Date will not be earlier than the 10th day following the date of such public announcement;

(III) the anticipated dividend payment date, FNF Group Redemption Date and/or FNF Group Conversion Date, which in each case, will not be more than 85 Trading Days following such FNF Group Disposition; and

(IV) unless the Board of Directors otherwise determines, that the Corporation will not be required to register a transfer of any shares of FNF Common Stock for a period of 10 Trading Days (or such shorter period as such announcement may specify) next preceding the specified FNF Group Redemption Selection Date or FNF Group Conversion Selection Date.

If the Corporation determines to undertake a redemption of shares of FNF Common Stock, in whole or in part, pursuant to clause (B) or (D) of paragraph (e)(ii) of this Section A.2., or a conversion of shares of FNF Common Stock, in whole or in part, pursuant to clause (C) or (D) of paragraph (e)(ii), the Corporation will announce such redemption or conversion (which, for the avoidance of doubt, may remain subject to the satisfaction or waiver of any applicable condition precedent at the time of such announcement) publicly by

press release, not less than 10 days prior to the FNF Group Redemption Date or FNF Group Conversion Date, as applicable:

- (1) the FNF Group Redemption Date or FNF Group Conversion Date;
- (2) the number of shares of FNF Common Stock to be redeemed or converted or, if applicable, stating that all outstanding shares of FNF Common Stock will be redeemed or converted;
- (3) in the case of a redemption or a conversion, in each case, in whole or in part, of outstanding shares of FNF Common Stock, the kind and amount of per share consideration to be received with respect to each share of FNF Common Stock to be redeemed or converted and the FNF Group Outstanding Interest Fraction as of the date of such notice;
- (4) with respect to a partial redemption under clause (B)(II) or (D) of paragraph (e)(ii), if the Board of Directors has made an FNF Group Inter-Group Partial Redemption Election, the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest as of the FNF Group Redemption Selection Date;
- (5) with respect to a dividend under clause (A) or (D) of paragraph (e)(ii), the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest as of the record date for the dividend and the FNF Group Inter-Group Dividend Amount attributable to the FNFV Group; and
- (6) instructions as to how shares of FNF Common Stock may be surrendered for redemption or conversion.

(B) In the event of any conversion of shares of FNF Common Stock pursuant to paragraph (b)(ii) of this Section A.2., not less than 10 days prior to the FNF Group Conversion Date, the Corporation will announce publicly by press release:

- (1) that all outstanding shares of FNF Common Stock will be converted pursuant to paragraph (b)(ii) of this Section A.2. on the FNF Group Conversion Date;
- (2) the FNF Group Conversion Date which will not be more than 45 days following the Determination Date;
- (3) a statement that all outstanding shares of FNF Common Stock will be converted;
- (4) the per share number of FNFV Common Stock to be received with respect to each share of FNF Common Stock; and

(5) instructions as to how shares of FNF Common Stock may be surrendered for conversion.

(C) If the Corporation determines to obtain the FNF Redemption Stockholder Approval and, subject to the receipt of such approval, to redeem shares of FNF Common Stock pursuant to paragraph (e)(i), the Corporation will announce publicly by press release:

(I) that the Corporation intends to redeem shares of FNF Common Stock for securities of a Distributed FNF Group Subsidiary pursuant to paragraph (e)(i) of this Section A.2., subject to any applicable conditions, including the receipt of the FNF Group Redemption Stockholder Approval if such approval has not been obtained at the time of the press release;

(II) the number of shares of FNF Common Stock to be redeemed or, if applicable, stating that all outstanding shares of FNF Common Stock will be redeemed;

(III) the class or series of securities of the Distributed FNF Group Subsidiary to be received with respect to each share of FNF Common Stock to be redeemed and the FNF Group Outstanding Interest Fraction as of the date of such notice, if any;

(IV) if applicable, the FNF Group Redemption Selection Date, which will not be earlier than the 10th day following the date of the press release;

(V) the FNF Group Redemption Date, which will not be earlier than the 10th day following the date of the press release and will not be later than the 120th Trading Day following the date of the press release;

(VI) if the Board of Directors has made an FNF Group Inter-Group Redemption Election, the number of FNF Group Inter-Group Interest Subsidiary Securities attributable to the FNFV Group, and the Number of Shares Issuable to the FNFV Group with Respect to the FNF Group Inter-Group Interest used in determining such number and attribution of FNF Group Inter-Group Interest Subsidiary Securities;

(VII) instructions as to how shares of FNF Common Stock may be surrendered for redemption; and

(VIII) if the Board of Directors so determines, that the Corporation will not be required to register a transfer of any shares of FNF Common Stock for a period of 10 Trading Days (or such shorter period as such announcement may specify) next preceding the specified FNF Group Redemption Selection Date.

If, at the time of the issuance of the press release required by this paragraph (C), the FNF Group Redemption Stockholder Approval has not yet been obtained, such press release shall include as much of the information set forth in subparagraphs (I) to (VIII) as is then available, and the Corporation will issue a second press release once the FNF Group Redemption Stockholder Approval is obtained setting forth any such required information not included in the first press release.

(D) The Corporation will give such notice to holders of Convertible Securities convertible into or exercisable or exchangeable for FNF Common Stock as may be required by the terms of such Convertible Securities or as the Board of Directors may otherwise deem appropriate in connection with a dividend, redemption or conversion of shares of FNF Common Stock pursuant to this Section A.2., as applicable.

(E) All public announcements (including any proxy materials to the extent approval of the stockholders of the Corporation is sought or required) made pursuant to clauses (A), (B) or (C) of this paragraph (e) (iv) will include such further statements, and the Corporation reserves the right to make such further public announcements, as may be required by law or the rules of the principal national securities exchange on which the FNF Common Stock is listed or as the Board of Directors may, in its discretion, deem appropriate.

(F) No adjustments in respect of dividends will be made upon the conversion or redemption of any shares of FNF Common Stock; provided, however, that, except as otherwise contemplated by paragraph (e) (ii)(D), if the FNF Group Conversion Date or the FNF Group Redemption Date with respect to any shares of FNF Common Stock will be subsequent to the record date for the payment of a dividend or other distribution thereon or with respect thereto, but prior to the payment of such dividend or distribution, the holders of record of such shares of FNF Common Stock at the close of business on such record date will be entitled to receive the dividend or other distribution payable on or with respect to such shares on the date set for payment of such dividend or other distribution, notwithstanding the prior conversion or redemption of such shares.

(G) Before any holder of shares of FNF Common Stock will be entitled to receive a certificate or certificates representing shares of any kind of capital stock or cash, securities or other assets to be received by such holder with respect to shares of FNF Common Stock pursuant to paragraph (b) of this Section A.2. or this paragraph (e), such holder will surrender at such place as the Corporation will specify certificates representing such shares of FNF Common Stock, properly endorsed or assigned for transfer (unless the Corporation will waive such requirement). The Corporation will as soon as practicable after such surrender of a certificate or certificates representing shares of FNF Common Stock, deliver, or cause to be delivered, at the office of the transfer agent for the shares or other securities to be delivered, to the holder for whose account shares of FNF Common Stock were so surrendered, or to the nominee or nominees of such holder, a certificate or certificates representing the number of whole shares of the kind of

capital stock or cash, securities or other assets to which such Person will be entitled as aforesaid, together with any payment for fractional securities contemplated by paragraph (e)(iv)(I). If less than all of the shares of FNF Common Stock represented by any one certificate are to be redeemed or converted, the Corporation will issue and deliver a new certificate for the shares of FNF Common Stock not redeemed or converted.

(H) From and after any applicable FNF Group Conversion Date or FNF Group Redemption Date, all rights of a holder of shares of FNF Common Stock that were converted or redeemed on such FNF Group Conversion Date or FNF Group Redemption Date, as applicable, will cease except for the right, upon surrender of a certificate or certificates representing such shares of FNF Common Stock, to receive a certificate or certificates representing shares of the kind and amount of capital stock or cash, securities (other than capital stock) or other assets for which such shares were converted or redeemed, as applicable, together with any payment for fractional securities contemplated by paragraph (e)(iv)(I) of this Section A.2. and such holder will have no other or further rights in respect of the shares of FNF Common Stock so converted or redeemed, including, but not limited to, any rights with respect to any cash, securities or other assets which are reserved or otherwise designated by the Corporation as being held for the satisfaction of the Corporation's obligations to pay or deliver any cash, securities or other assets upon the conversion, exercise or exchange of any Convertible Securities outstanding as of the date of such conversion or redemption. No holder of a certificate which immediately prior to the applicable FNF Group Conversion Date or FNF Group Redemption Date represented shares of FNF Common Stock will be entitled to receive any dividend or other distribution with respect to shares of any kind of capital stock into or in exchange for which the FNF Common Stock was converted or redeemed until surrender of such holder's certificate for a certificate or certificates representing shares of such kind of capital stock. Upon such surrender, there will be paid to the holder the amount of any dividends or other distributions (without interest) which theretofore became payable with respect to a record date after the FNF Group Conversion Date or FNF Group Redemption Date, as the case may be, but that were not paid by reason of the foregoing, with respect to the number of whole shares of the kind of capital stock represented by the certificate or certificates issued upon such surrender. From and after an FNF Group Conversion Date or FNF Group Redemption Date, as the case may be, the Corporation will, however, be entitled to treat certificates representing shares of FNF Common Stock that have not yet been surrendered for conversion or redemption in accordance with clause (G) above as evidencing the ownership of the number of whole shares of the kind or kinds of capital stock for which the shares of FNF Common Stock represented by such certificates will have been converted or redeemed in accordance with paragraph (b) of this Section A.2 or this paragraph (e), notwithstanding the failure of the holder thereof to surrender such certificates.

(I) The Corporation will not be required to issue or deliver fractional shares of any class or series of capital stock or any other securities in a smaller

than authorized denomination to any holder of FNF Common Stock upon any conversion, redemption, dividend or other distribution pursuant to this Section A.2. In connection with the determination of the number of shares of any class or series of capital stock that will be issuable or the amount of other securities that will be deliverable to any holder of record of FNF Common Stock upon any such conversion, redemption, dividend or other distribution (including any fractions of shares or securities), the Corporation may aggregate the shares of FNF Common Stock held at the relevant time by such holder of record. If the aggregate number of shares of capital stock or other securities to be issued or delivered to any holder of FNF Common Stock includes a fraction, the Corporation will pay, or will cause to be paid, a cash adjustment in lieu of such fraction in an amount equal to the “*value*” of such fraction, as the Board of Directors shall in good faith determine to be appropriate (without interest).

(J) Any deadline for effecting a dividend, redemption or conversion prescribed by this paragraph (e) may be extended if deemed necessary or appropriate, in the discretion of the Board of Directors, to enable the Corporation to comply with the U.S. federal securities laws, including the rules and regulations promulgated thereunder.

(f) Redemption and Other Provisions Relating to the FNFV Common Stock.

(i) *Redemption for Securities of one or more FNFV Group Subsidiaries.* At any time at which a Subsidiary of the Corporation holds, directly or indirectly, assets and liabilities attributed to the FNFV Group, the Corporation may, at its option and subject to assets of the Corporation being legally available therefor but subject (in addition to any other approval of the Corporation’s stockholders (or any series thereof) required under the DGCL in respect of such redemption, if any) to the Corporation having received the FNFV Group Redemption Stockholder Approval (and, to the extent applicable, the FNF Group Redemption Stockholder Approval), redeem outstanding shares of FNFV Common Stock (such shares of FNFV Common Stock to be redeemed, the “FNFV Group Redemption Shares”) for securities of such Subsidiary (a “Distributed FNFV Group Subsidiary”), as provided herein. The number of FNFV Group Redemption Shares will be determined, by the Board of Directors, by multiplying (A) the number of outstanding shares of FNFV Common Stock as of the FNFV Group Redemption Selection Date, by (B) the percentage of the Fair Value of the FNFV Group that is represented by the Fair Value of the Corporation’s equity interest in the Distributed FNFV Group Subsidiary which is attributable to the FNFV Group, in each case, as determined by the Board of Directors as of a date selected by the Board of Directors, as such percentage may be adjusted by the Board of Directors in its discretion to take into account such things as it deems relevant. The aggregate number of securities of the Distributed FNFV Group Subsidiary to be delivered (the “FNFV Group Distribution Subsidiary Securities”) in redemption of the FNFV Group Redemption Shares will be equal to: (A) if the Board of Directors makes an FNFV Group Inter-Group Redemption Election as described below, the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the product of (I) the number of securities of the Distributed FNFV Group Subsidiary owned by the Corporation and (II) the percentage of the Fair Value of the Corporation’s

equity interest in the Distributed FNFV Group Subsidiary that is represented by the Fair Value of the Corporation's equity interest in the Distributed FNFV Group Subsidiary which is attributable to the FNFV Group (such product, the "Distributable FNFV Group Subsidiary Securities"), by (y) the FNFV Group Outstanding Interest Fraction, in each case, as of the FNFV Group Redemption Selection Date, or (B) if the Board of Directors does not make an FNFV Group Inter-Group Redemption Election, all of the Distributable FNFV Group Subsidiary Securities, in each case, subject to adjustment as provided below. The number of securities of the Distributed FNFV Group Subsidiary to be delivered in redemption of each FNFV Group Redemption Share will be equal to the amount (rounded, if necessary, to the nearest five decimal places) obtained by dividing (x) the number of FNFV Group Distribution Subsidiary Securities, by (y) the number of FNFV Group Redemption Shares.

If the FNFV Group Outstanding Interest Fraction is less than one (1) on the FNFV Group Redemption Selection Date for any redemption pursuant to this paragraph (f)(i) and if (but only if) the Board of Directors so determines in its discretion (an "FNFV Group Inter-Group Redemption Election"), then concurrently with the distribution of the FNFV Group Distribution Subsidiary Securities in redemption of FNFV Group Redemption Shares, the Corporation will attribute to the FNF Group an aggregate number of Distributable FNFV Group Subsidiary Securities (the "FNFV Group Inter-Group Interest Subsidiary Securities") equal to the difference between the total number of Distributable FNFV Group Subsidiary Securities and the number of FNFV Group Distribution Subsidiary Securities, subject to adjustment as provided below. If an FNFV Group Inter-Group Redemption Election is made, then: (I) the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest will be decreased as described in subparagraph (ii)(D) of the definition of "Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest" in paragraph (i) of this Section A.2.; (II) the attribution of FNFV Group Inter-Group Interest Subsidiary Securities to be made to the FNF Group may, at the discretion of the Board of Directors, be reflected by an allocation or by a direct transfer of FNFV Group Inter-Group Interest Subsidiary Securities to such Group; and (III) the Board of Directors may determine that the FNFV Group Inter-Group Interest Subsidiary Securities so allocated or transferred to the FNF Group will be distributed to holders of shares of FNF Common Stock as a Share Distribution pursuant to paragraph (d)(i) (C) of this Section A.2.

If at the time of a redemption of FNFV Common Stock pursuant to this paragraph (f)(i), there are outstanding any Convertible Securities convertible into or exercisable or exchangeable for shares of FNFV Common Stock that would become convertible into or exercisable or exchangeable for Distributable FNFV Group Subsidiary Securities as a result of such redemption, and the obligation to deliver securities of such Distributed FNFV Group Subsidiary upon exercise, exchange or conversion of such Convertible Securities is not assumed or otherwise provided for by the Distributed FNFV Group Subsidiary, then the Board of Directors may make such adjustments as it determines to be appropriate to the number of FNFV Group Redemption Shares, the number of FNFV Group Distribution Subsidiary Securities and the number of FNFV Group Inter-Group Interest Subsidiary Securities (and any related adjustment to the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest), to take into account the securities of the Distributed FNFV Group Subsidiary

into which such Convertible Securities are convertible or for which such Convertible Securities are exercisable or exchangeable.

In the event that not all outstanding shares of FNFV Common Stock are to be redeemed in accordance with this paragraph (f)(i) for FNFV Group Distribution Subsidiary Securities, then the outstanding shares of FNFV Common Stock to be redeemed in accordance with this paragraph (f)(i) will be redeemed by the Corporation pro rata among the holders of FNFV Common Stock or by such other method as may be determined by the Board of Directors to be equitable.

To the extent that a Distributed FNFV Group Subsidiary to be distributed pursuant to this paragraph (f)(i) also holds, directly or indirectly, assets and liabilities attributed to the FNF Group, then (x) such Distributed FNFV Group Subsidiary will also be deemed a Distributed FNF Group Subsidiary for purposes of paragraph (e)(i) and (y) in connection with the redemption of FNFV Group Redemption Shares pursuant to this paragraph (f)(i) the Corporation will also redeem shares of FNF Common Stock pursuant to the provisions of paragraph (e)(i), subject to the Corporation obtaining the FNFV Group Redemption Stockholder Approval and the FNF Group Redemption Stockholder Approval. In connection with any such redemption of FNF Common Stock and FNFV Common Stock, the Board of Directors will effect such redemption in accordance with the terms of paragraphs (e)(i) and (f)(i), as determined by the Board of Directors in good faith, with such changes and adjustments as the Board of Directors determines are reasonably necessary in order to effect such redemption in exchange for securities of a single Subsidiary holding the assets and liabilities of more than one Group. In effecting such redemption, the Board of Directors may determine to redeem the FNF Group Redemption Shares and the FNFV Group Redemption Shares, in exchange for one or more classes or series of securities of such Subsidiary, including, without limitation, for separate classes or series of securities of such Subsidiary, (I) with the holders of FNF Group Redemption Shares to receive FNF Group Distribution Subsidiary Securities intended to track the performance of the former assets and liabilities attributed to the FNF Group held by such Subsidiary and (II) with holders of FNFV Group Redemption Shares to receive FNFV Group Distribution Subsidiary Securities intended to track the performance of the former assets and liabilities attributed to the FNFV Group held by such Subsidiary, subject, in each case, to the applicable limitations on the class and series of securities of the Distributed FNFV Group Subsidiary set forth in the last paragraph of paragraphs (e)(i) and (f)(i).

Any redemption pursuant to this paragraph (f)(i) will occur on an FNFV Group Redemption Date set forth in a notice to holders of FNFV Common Stock (and Convertible Securities convertible into or exercisable or exchangeable for shares of FNFV Common Stock (unless provision for notice is otherwise made pursuant to the terms of such Convertible Securities)) pursuant to paragraph (f)(iv)(C).

In effecting a redemption of FNFV Common Stock pursuant to this paragraph (f)(i), the Board of Directors shall determine to redeem shares of FNFV Common Stock in exchange for a single class or series of securities of the Distributed FNFV Group Subsidiary, on an equal per share basis. If the Board of Directors has made an FNFV Group Inter-Group Redemption Election, then the determination as to the classes or series of securities of the Distributed FNFV Group Subsidiary comprising the FNFV Group Inter-Group Interest Subsidiary Securities to be

so transferred or allocated to the FNFV Group will be made by the Board of Directors in its discretion.

(ii) *Mandatory Dividend, Redemption or Conversion in Case of FNFV Group Disposition.* In the event of an FNFV Group Disposition (other than an Exempt FNFV Group Disposition), the Corporation will, on or prior to the 120th Trading Day following the consummation of such FNFV Group Disposition and in accordance with the applicable provisions of this Section A.2., take the actions referred to in one of clauses (A), (B), (C) or (D) below, as elected by the Board of Directors:

(A) Subject to the first sentence of paragraph (c)(ii) of this Section A.2. the Corporation may declare and pay a dividend payable in cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, to the holders of outstanding shares of FNFV Common Stock, with an aggregate Fair Value (subject to adjustment as provided below) equal to the FNFV Group Allocable Net Proceeds of such FNFV Group Disposition as of the record date for determining the holders entitled to receive such dividend, as the same may be determined by the Board of Directors, with such dividend to be paid in accordance with the applicable provisions of paragraphs (c)(ii) and (d)(ii) of this Section A.2.; or

(B) Provided that there are assets of the Corporation legally available therefor and the FNFV Group Available Dividend Amount would have been sufficient to pay a dividend pursuant to clause (A) of this paragraph (f)(ii) in lieu of effecting the redemption provided for in this clause (B), then:

(I) if such FNFV Group Disposition involves all (not merely substantially all) of the assets of the FNFV Group, the Corporation may redeem all outstanding shares of FNFV Common Stock for cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, with an aggregate Fair Value (subject to adjustment as provided below) equal to the FNFV Group Allocable Net Proceeds of such FNFV Group Disposition as of the FNFV Group Redemption Date, as determined by the Board of Directors, such aggregate amount to be allocated among the shares of FNFV Common Stock outstanding as of the FNFV Group Redemption Date on an equal per share basis (subject to the provisions of this paragraph (f)(ii)); or

(II) if such FNFV Group Disposition involves substantially all (but not all) of the assets of the FNFV Group, the Corporation may apply an aggregate amount (subject to adjustment as provided below) of cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, with a Fair Value equal to the FNFV Group Allocable Net Proceeds of such FNFV Group Disposition as of the FNFV Group Redemption Selection Date (the “FNFV Group Redemption Amount”) to the redemption of outstanding shares of FNFV Common Stock; or

(C) The Corporation may convert each outstanding share of FNFV Common Stock into a number (or fraction) of fully paid and non-assessable shares of FNF Common Stock, equal to the average daily ratio (calculated to the nearest five decimal places) of (I) the Average Market Value of the FNFV Reference Share over the period of 10 consecutive Trading Days beginning on the 2nd Trading Day following the consummation of such FNFV Group Disposition, to (II) the Average Market Value of the FNF Reference Share over the same 10-Trading Day period; or

(D) The Corporation may combine the conversion of a portion of the outstanding shares of FNFV Common Stock into FNF Common Stock as contemplated by clause (C) of this paragraph (f)(ii) with the payment of a dividend on or the redemption of shares of FNFV Common Stock as described below, subject to the limitations specified in clause (A) (in the case of a dividend) or clause (B) (in the case of a redemption) of this paragraph (f)(ii) (including the limitations specified in other paragraphs of this Certificate referred to therein). In the event the Board of Directors elects the option described in this clause (D), the portion of the outstanding shares of FNFV Common Stock to be converted into fully paid and non-assessable shares of FNF Common Stock will be determined by the Board of Directors and will be so converted at the conversion rate determined in accordance with clause (C) above and the Corporation will either (x) pay a dividend to the holders of record of all of the remaining shares of FNFV Common Stock outstanding, with such dividend to be paid in accordance with the applicable provisions of paragraphs (c)(ii) and (d)(ii) of this Section A.2., or (y) redeem all or a portion of such remaining shares of FNFV Common Stock. The aggregate amount of such dividend, in the case of a dividend, or the portion of the FNFV Group Allocable Net Proceeds to be applied to such redemption, in the case of a redemption, will be equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (I) an amount equal to the FNFV Group Allocable Net Proceeds of such FNFV Group Disposition as of, in the case of a dividend, the record date for determining the holders of FNFV Common Stock entitled to receive such dividend and, in the case of a redemption, the FNFV Group Redemption Selection Date (in the case of a partial redemption) or the FNFV Group Redemption Date (in the case of a full redemption), in each case, before giving effect to the conversion of shares of FNFV Common Stock in connection with such FNFV Group Disposition in accordance with this clause (D) and any related adjustment to the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest, by (II) one minus a fraction, the numerator of which will be the number of shares of FNFV Common Stock to be converted into shares of FNF Common Stock in accordance with this clause (D) and the denominator of which will be the aggregate number of shares of FNFV Common Stock outstanding as of the record date, FNFV Group Redemption Selection Date or FNFV Group Redemption Date used for purposes of clause (I) of this sentence. In the event of a redemption concurrently with or following any such partial conversion of shares of FNFV Common Stock, if the FNFV Group Disposition was of all (not merely substantially all) of the assets of the FNFV Group, then all remaining outstanding shares of FNFV Common Stock

will be redeemed for cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, with an aggregate Fair Value equal to the portion of the FNFV Group Allocable Net Proceeds to be applied to such redemption determined in accordance with this clause (D), such aggregate amount to be allocated among all such shares to be redeemed on an equal per share basis (subject to the provisions of this paragraph (f)(ii)). In the event of a redemption concurrently with or following any such partial conversion of shares of FNFV Common Stock, if the FNFV Group Disposition was of substantially all (but not all) of the assets of the FNFV Group, then the number of shares of FNFV Common Stock to be redeemed will be determined in accordance with clause (B)(II) of this paragraph (f)(ii), substituting for the FNFV Group Redemption Amount referred to therein the portion of the FNFV Group Allocable Net Proceeds to be applied to such redemption as determined in accordance with this clause (D), and such shares will be redeemed for cash, securities (other than Common Stock) or other assets, or any combination thereof, with an aggregate Fair Value equal to such portion of the FNFV Group Allocable Net Proceeds and allocated among all such shares to be redeemed on an equal per share basis (subject to the provisions of this paragraph (f)(ii)). In the case of a redemption, the allocation of the cash, securities (other than shares of Common Stock) and/or other assets to be paid in redemption and, in the case of a partial redemption, the selection of shares to be redeemed will be made in the manner contemplated by clause (B) of this paragraph (f)(ii).

For purposes of this paragraph (f)(ii):

(1) as of any date, “substantially all of the assets of the FNFV Group” means a portion of such assets that represents at least 80% of the then-Fair Value of the assets of the FNFV Group as of such date;

(2) in the case of an FNFV Group Disposition of assets in a series of related transactions, such FNFV Group Disposition will not be deemed to have been consummated until the consummation of the last of such transactions;

(3) if the Board of Directors seeks the approval of the holders of FNFV Voting Securities entitled to vote thereon to qualify an FNFV Group Disposition as an Exempt FNFV Group Disposition and such approval is not obtained, the date on which such approval fails to be obtained will be treated as the date on which such FNFV Group Disposition was consummated for purposes of making the determinations and taking the actions prescribed by this paragraph (f)(ii) and paragraph (f)(iv), and no subsequent vote may be taken to qualify such FNFV Group Disposition as an Exempt FNFV Group Disposition;

(4) in the event of a redemption of a portion of the outstanding shares of FNFV Common Stock pursuant to clause (B)(II) or (D) of this paragraph (f)(ii) at a time when the FNFV Group Outstanding Interest

Fraction is less than one, if the Board of Directors so elects (an “FNFV Group Inter-Group Partial Redemption Election”), in its discretion, the Corporation will attribute to the FNF Group concurrently with such redemption an aggregate amount (the “FNFV Group Inter-Group Redemption Amount”) of cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, subject to adjustment as described below, with an aggregate Fair Value equal to the difference between (x) the FNFV Group Net Proceeds and (y) the portion of the FNFV Group Allocable Net Proceeds applied to such redemption as determined in accordance with clause (B)(II) or clause (D) of this paragraph (f)(ii). If the Board of Directors makes such election, the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest will be decreased in the manner described in subparagraph (ii)(E) of the definition of “Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest” in paragraph (i) of this Section A.2. The FNFV Group Inter-Group Redemption Amount may, at the discretion of the Board of Directors, be reflected by an allocation to the FNF Group or by a direct transfer to the FNF Group of cash, securities and/or other assets;

(5) if at the time of an FNFV Group Disposition subject to this paragraph (f)(ii), there are outstanding any Convertible Securities convertible into or exercisable or exchangeable for shares of FNFV Common Stock that would give the holders thereof the right to receive any consideration related to such FNFV Group Disposition upon conversion, exercise or exchange or otherwise, or would adjust to give the holders equivalent economic rights, as a result of any dividend, redemption or other action taken by the Corporation with respect to the FNFV Common Stock pursuant to this paragraph (f)(ii), then the Board of Directors may make such adjustments to (x) the amount of consideration to be issued or delivered as contemplated by this paragraph (f)(ii) as a dividend on or in redemption or conversion of shares of FNFV Common Stock and/or, if applicable, (y) the FNFV Group Inter-Group Redemption Amount and the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest as it deems appropriate to take into account the FNFV Common Stock into which such Convertible Securities are convertible or for which such Convertible Securities are exercisable or exchangeable;

(6) the Corporation may pay the dividend or redemption price referred to in clause (A), (B) or (D) of this paragraph (f)(ii) payable to the holders of FNFV Common Stock in cash, securities (other than shares of Common Stock) or other assets, or any combination thereof, that the Board of Directors determines and which has an aggregate Fair Value of not less than the amount allocated to such dividend or redemption pursuant to the applicable of clauses (A), (B) or (D) of this paragraph

(f)(ii), regardless of the form or nature of the proceeds received by the Corporation from the FNFV Group Disposition; and

(7) if all or any portion of the redemption price referred to in clause (B) or (D) of this paragraph (f)(ii) payable to the holders of FNFV Common Stock is paid in the form of securities of an issuer other than the Corporation, the Board of Directors may determine to pay the redemption price, so payable in securities, in the form of identical securities, on an equal per share basis, to holders of FNFV Common Stock.

(iii) *Certain Provisions Respecting Convertible Securities.* Unless the provisions of any Convertible Securities that are or become convertible into or exercisable or exchangeable for shares of FNFV Common Stock provide specifically to the contrary, or the instrument, plan or agreement evidencing such Convertible Securities or pursuant to which the same were issued grants to the Board of Directors the discretion to approve or authorize any adjustment or adjustments to the conversion, exercise or exchange provisions of such Convertible Securities so as to obtain a result different from that which would otherwise occur pursuant to this paragraph (f)(iii), and the Board of Directors so approves or authorizes such adjustment or adjustments, after any FNFV Group Conversion Date or FNFV Group Redemption Date on which all outstanding shares of FNFV Common Stock were converted or redeemed, any share of FNFV Common Stock that is issued on conversion, exercise or exchange of any such Convertible Security will, immediately upon issuance and without any notice or any other action on the part of the Corporation or its Board of Directors or the holder of such share of FNFV Common Stock, be redeemed in exchange for, to the extent assets of the Corporation are legally available therefor, the amount of \$0.0001 per share in cash.

(iv) *General.*

(A) Not later than the 10th Trading Day following the consummation of an FNFV Group Disposition referred to in paragraph (f)(ii) of this Section A.2., the Corporation will announce publicly by press release (x) the FNFV Group Net Proceeds of such FNFV Group Disposition, (y) whether the FNFV Group Disposition qualifies as an Exempt FNFV Group Disposition, and (z) if it does not so qualify at the time of such announcement (including in the event the Board of Directors had not sought stockholder approval to qualify such FNFV Group Disposition as an Exempt FNFV Group Disposition in connection with any required stockholder approval obtained by the Corporation, if applicable), whether the Board of Directors will seek the approval of the holders of FNFV Voting Securities entitled to vote thereon to qualify such FNFV Group Disposition as an Exempt FNFV Group Disposition. Not later than the 30th Trading Day (and in the event a 10 Trading Day valuation period is required in connection with the action selected by the Board of Directors pursuant to clause (I) of this paragraph (f)(iv)(A), not earlier than the 11th Trading Day) following the later of (x) the consummation of such FNFV Group Disposition and (y), if applicable, the date of the stockholder meeting at which a vote is taken to qualify

such FNFV Group Disposition as an Exempt FNFV Group Disposition, the Corporation will announce publicly by press release (to the extent applicable):

(III) the anticipated dividend payment date, FNFV Group Redemption Date and/or FNFV Group Conversion Date, which in each case, will not be more than 85 Trading Days following such FNFV Group Disposition; and

If the Corporation determines to undertake a redemption of shares of FNFV Common Stock, in whole or in part, pursuant to clause (B) or (D) of paragraph (f)(ii) of this Section A.2., or a conversion of shares of FNFV Common Stock, in whole or in part, pursuant to clause (C) or (D) of paragraph (f)(ii), the Corporation will announce such redemption or conversion (which, for the avoidance of doubt, may remain subject to the satisfaction or waiver of any applicable condition precedent at the time of such announcement) publicly by press release, not less than 10 days prior to the FNFV Group Redemption Date or FNFV Group Conversion Date, as applicable:

(1) the FNFV Group Redemption Date or FNFV Group Conversion Date;

(2) the number of shares of FNFV Common Stock to be redeemed or converted or, if applicable, stating that all outstanding shares of FNFV Common Stock will be redeemed or converted;

(6) instructions as to how shares of FNFV Common Stock may be surrendered for redemption or conversion.

(B) In the event of any conversion of shares of FNFV Common Stock pursuant to paragraph (b)(i) of this Section A.2., not less than 10 days prior to the FNFV Group Conversion Date, the Corporation will announce publicly by press release:

(1) that all outstanding shares of FNFV Common Stock will be converted pursuant to paragraph (b)(i) of this Section A.2. on the FNFV Group Conversion Date;

(2) the FNFV Group Conversion Date which will not be more than 45 days following the Determination Date;

(3) a statement that all outstanding shares of FNFV Common Stock will be converted;

(4) the per share number of FNF Common Stock to be received with respect to each share of FNFV Common Stock; and

(5) instructions as to how shares of FNFV Common Stock may be surrendered for conversion.

(C) If the Corporation determines to obtain the FNFV Group Redemption Stockholder Approval and, subject to the receipt of such approval, to redeem shares of FNFV Common Stock pursuant to paragraph (f)(i), the Corporation will announce publicly by press release:

(I) that the Corporation intends to redeem shares of FNFV Common Stock for securities of a Distributed FNFV Group Subsidiary pursuant to paragraph (f)(i) of this Section A.2, subject to any applicable conditions, including the receipt of the FNFV Group Redemption Stockholder Approval if such approval has not been obtained at the time of the press release;

(II) the number of shares of FNFV Common Stock to be redeemed or, if applicable, stating that all outstanding shares of FNFV Common Stock will be redeemed;

(III) the class or series of securities of the Distributed FNFV Group Subsidiary to be received with respect to each share of FNFV Common Stock to be redeemed and the FNFV Group Outstanding Interest Fraction as of the date of such notice, if any;

(IV) if applicable, the FNFV Group Redemption Selection Date, which will not be earlier than the 10th day following the date of the press release;

(V) the FNFV Group Redemption Date, which will not be earlier than the 10th day following the date of the press release and will not be later than the 120th Trading Day following the date of the press release;

(VI) if the Board of Directors has made an FNFV Group Inter-Group Redemption Election, the number of FNFV Group Inter-Group Interest Subsidiary Securities attributable to the FNF Group, and the Number of Shares Issuable to the FNF Group with Respect to the FNFV Group Inter-Group Interest used in determining such number and attribution of FNFV Group Inter-Group Interest Subsidiary Securities; and

(VII) instructions as to how shares of FNFV Common Stock may be surrendered for redemption; and

(VIII) if the Board of Directors so determines, that the Corporation will not be required to register a transfer of any shares of FNFV Common Stock for a period of 10 Trading Days (or such shorter period as such announcement may specify) next preceding the specified FNFV Group Redemption Selection Date.

If, at the time of the issuance of the press release required by this paragraph (C), the FNFV Group Redemption Stockholder Approval has not yet been obtained, such press release shall include as much of the information set forth in subparagraphs (I) to (VIII) as is then available, and the Corporation will issue a second press release once the FNFV Group Redemption Stockholder Approval is obtained setting forth any such required information not included in the first press release.

(D) The Corporation will give such notice to holders of Convertible Securities convertible into or exercisable or exchangeable for FNFV Common Stock as may be required by the terms of such Convertible Securities or as the Board of Directors may otherwise deem appropriate in connection with a dividend, redemption or conversion of shares of FNFV Common Stock pursuant to this Section A.2., as applicable.

(E) All public announcements (including any proxy materials to the extent approval of the stockholders of the Corporation is sought or required) made pursuant to clauses (A), (B) or (C) of this paragraph (f) (iv) will include such further statements, and the Corporation reserves the right to make such further public announcements, as may be required by law or the rules of the principal national securities exchange on which the FNFV Common Stock is listed or as the Board of Directors may, in its discretion, deem appropriate.

(F) No adjustments in respect of dividends will be made upon the conversion or redemption of any shares of FNFV Common Stock; provided, however, that, except as otherwise contemplated by paragraph (f) (ii)(D), if the FNFV Group Conversion Date or the FNFV Group Redemption Date with respect to any shares of FNFV Common Stock will be subsequent to the record date for the payment of a dividend or other distribution thereon or with respect thereto, but prior to the payment of such dividend or distribution, the holders of record of such shares of FNFV Common Stock at the close of business on such record date will be entitled to receive the dividend or other distribution payable on or with respect to such shares on the date set for payment of such dividend or other distribution, notwithstanding the prior conversion or redemption of such shares.

(G) Before any holder of shares of FNFV Common Stock will be entitled to receive a certificate or certificates representing shares of any kind of capital stock or cash, securities or other assets to be received by such holder with respect to shares of FNFV Common Stock pursuant to paragraph (b) of this Section A.2. or this paragraph (f), such holder will surrender at such place as the Corporation will specify certificates representing such shares of FNFV Common Stock, properly endorsed or assigned for transfer (unless the Corporation will waive such requirement). The Corporation will as soon as practicable after such surrender of a certificate or certificates representing shares of FNFV Common Stock, deliver, or cause to be delivered, at the office of the transfer agent for the shares or other securities to be delivered, to the holder for whose account shares of FNFV Common Stock were so surrendered, or to the nominee or nominees of such holder, a certificate or certificates representing the number of whole shares of the kind of capital stock or cash, securities or other assets to which such Person will be entitled as aforesaid, together with any payment for fractional securities contemplated by paragraph (f)(iv)(I). If less than all of the shares of FNFV Common Stock represented by any one certificate are to be redeemed or converted, the Corporation will issue and deliver a new certificate for the shares of FNFV Common Stock not redeemed or converted.

(H) From and after any applicable FNFV Group Conversion Date or FNFV Group Redemption Date, all rights of a holder of shares of FNFV Common Stock that were converted or redeemed on such FNFV Group Conversion Date or FNFV Group Redemption Date, as applicable, will cease except for the right, upon surrender of a certificate or certificates representing such shares of FNFV Common Stock, to receive a certificate or certificates representing shares of the kind and amount of capital stock or cash, securities (other than capital stock) or other assets for which such shares were converted or redeemed, as applicable, together with any payment for fractional securities contemplated by paragraph (f)(iv)(I) of this Section A.2. and such holder will have no other or further rights in respect of the shares of FNFV Common Stock so converted or redeemed, including, but not limited to, any rights with respect to any cash, securities or other assets which are reserved or otherwise designated by the Corporation as being held for the satisfaction of the Corporation's obligations to pay or deliver any cash, securities or other assets upon the conversion, exercise or exchange of any Convertible Securities outstanding as of the date of such conversion or redemption. No holder of a certificate which immediately prior to the applicable FNFV Group Conversion Date or FNFV Group Redemption Date represented shares of FNFV Common Stock will be entitled to receive any dividend or other distribution with respect to shares of any kind of capital stock into or in exchange for which the FNFV Common Stock was converted or redeemed until surrender of such holder's certificate for a certificate or certificates representing shares of such kind of capital stock. Upon such surrender, there will be paid to the holder the amount of any dividends or other distributions (without interest) which theretofore became payable with respect to a record date after the FNFV Group Conversion Date or FNFV Group Redemption Date, as the case may be, but that were not paid by reason of the foregoing, with respect to the number of whole shares of the kind of capital stock represented by the certificate or certificates issued upon such surrender. From and after an FNFV Group Conversion Date or FNFV Group Redemption Date, as the case may be, the Corporation will, however, be entitled to treat certificates representing shares of FNFV Common Stock that have not yet been surrendered for conversion or redemption in accordance with clause (G) above as evidencing the ownership of the number of whole shares of the kind or kinds of capital stock for which the shares of FNFV Common Stock represented by such certificates will have been converted or redeemed in accordance with paragraph (b) of this Section A.2 or this paragraph (f), notwithstanding the failure of the holder thereof to surrender such certificates.

(I) The Corporation will not be required to issue or deliver fractional shares of any class or series of capital stock or any other securities in a smaller than authorized denomination to any holder of FNFV Common Stock upon any conversion, redemption, dividend or other distribution pursuant to this Section A.2. In connection with the determination of the number of shares of any class or series of capital stock that will be issuable or the amount of other securities that will be deliverable to any holder of record of FNFV Common Stock upon any such conversion, redemption, dividend or other distribution (including any fractions of shares or securities), the Corporation may aggregate the shares of

FNFV Common Stock held at the relevant time by such holder of record. If the aggregate number of shares of capital stock or other securities to be issued or delivered to any holder of FNFV Common Stock includes a fraction, the Corporation will pay, or will cause to be paid, a cash adjustment in lieu of such fraction in an amount equal to the “value” of such fraction, as the Board of Directors shall in good faith determine to be appropriate (without interest).

(J) Any deadline for effecting a dividend, redemption or conversion prescribed by this paragraph (f) may be extended if deemed necessary or appropriate, in the discretion of the Board of Directors, to enable the Corporation to comply with the U.S. federal securities laws, including the rules and regulations promulgated thereunder.

(g) Liquidation and Dissolution.

(i) *General.* In the event of a liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of the debts and liabilities of the Corporation and subject to the prior payment in full of the preferential amounts to which any series of Preferred Stock is entitled, the holders of shares of FNF Common Stock and the holders of shares of FNFV Common Stock will be entitled to receive their proportionate interests in the assets of the Corporation remaining for distribution to holders of Common Stock (regardless of the Group to which such assets are then attributed) in proportion to the respective number of liquidation units per share of FNF Common Stock and FNFV Common Stock.

Neither the consolidation or merger of the Corporation with or into any other Person or Persons nor the sale, transfer or lease of all or substantially all of the assets of the Corporation will itself be deemed to be a liquidation, dissolution or winding up of the Corporation within the meaning of this paragraph (g).

(ii) *Liquidation Units.* The liquidation units per share of each class of Common Stock will be as follows:

(A) each share of FNF Common Stock will have one liquidation unit; and

(B) each share of FNFV Common Stock will have a number of liquidation units (including a fraction of one liquidation unit) equal to the amount (calculated to the nearest five decimal places) obtained by dividing (x) the average of the daily volume weighted average prices of the FNFV Common Stock over the 10-Trading Day period commencing on (and including) the first Trading Day on which the FNFV Common Stock trades in the “regular way” market, by (y) the average of the daily volume weighted average prices of the FNF Common Stock over the 10-Trading Day period referenced in clause (x) of this paragraph (B);

provided, that, if, after the Effective Date, the Corporation, at any time or from time to time, subdivides (by stock split, reclassification or otherwise) or combines (by reverse stock split,

reclassification or otherwise) the outstanding shares of FNF Common Stock or FNFV Common Stock, or declares and pays a dividend or distribution in shares of FNF Common Stock or FNFV Common Stock to holders of FNF Common Stock or FNFV Common Stock, as applicable, the per share liquidation units of the FNF Common Stock or FNFV Common Stock, as applicable, will be appropriately adjusted as determined by the Board of Directors, so as to avoid any dilution in the aggregate, relative liquidation rights of the shares of FNF Common Stock and FNFV Common Stock.

Whenever an adjustment is made to liquidation units under this paragraph (g), the Corporation will promptly thereafter prepare and file a statement of such adjustment with the Secretary of the Corporation. Neither the failure to prepare nor the failure to file any such statement will affect the validity of such adjustment.

(h) *Determinations by the Board of Directors.* Any determinations made by the Board of Directors under any provision in this Section A.2. will be final and binding on all stockholders of the Corporation, except as may otherwise be required by law. In addition, if different consideration is distributed to different series of Common Stock in a Share Distribution, the determination of the Board of Directors that such Share Distribution was made on an equal per share basis will be final and binding on all stockholders of the Corporation, except as may otherwise be required by law.

(j) *Transfer Taxes.* The Corporation will pay any and all documentary, stamp or similar issue or transfer taxes that may be payable in respect of the issue or delivery of a certificate or certificates representing any shares of capital stock and/or other securities on conversion or redemption of shares of Common Stock pursuant to this Section A.2. The Corporation will not, however, be required to pay any tax that may be payable in respect of any issue or delivery of a certificate or certificates representing any shares of capital stock in a name other than that in which the shares of Common Stock so converted or redeemed were registered and no such issue or delivery will be made unless and until the Person requesting the same has paid to the Corporation or its transfer agent the amount of any such tax, or has established to the satisfaction of the Corporation or its transfer agent that such tax has been paid.

Section 4.2 Shares of Preferred Stock of the Corporation may be issued from time to time in one or more classes or series, each of which class or series shall have such distinctive designation and title as shall be fixed by the Board of Directors prior to the issuance of any shares thereof. The Board of Directors is hereby authorized to fix the designation and title for

each such class or series of Preferred Stock, to fix the voting powers, whether full or limited, or no voting powers, including whether such series will be designated as an FNF Group Voting Security, an FNFV Group Voting Security and/or a Voting Security and, if so designated, the terms and conditions on which such series may vote together with the holders of any other class or series of capital stock of the Corporation, and such powers, preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof, and to fix the number of shares constituting such class or series (but not below the number of shares thereof then outstanding), in each case as shall be stated in such resolution or resolutions providing for the issue of such class or series of Preferred Stock as may be adopted from time to time by the Board of Directors prior to the issuance of any shares thereof pursuant to the authority hereby expressly vested in it.

Section 4.3 Except as otherwise expressly required by law or provided in this Certificate of Incorporation, and subject to any voting rights provided to holders of Preferred Stock at any time outstanding, the holders of any outstanding shares of Common Stock shall vote together as a single class on all matters with respect to which stockholders are entitled to vote under applicable law, this Certificate of Incorporation or the Bylaws of the Corporation, or upon which a vote of stockholders is otherwise duly called for by the Corporation. At each annual or special meeting of stockholders, each holder of record of shares of Common Stock on the relevant record date shall be entitled to cast one vote in person or by proxy for each share of the Common Stock standing in such holder's name on the stock transfer records of the Corporation.

ARTICLE V **DIRECTORS**

Section 5.1 The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors, consisting of not less than one nor more than fourteen members with the exact number of directors to be determined from time to time exclusively by resolution adopted by the Board of Directors. The directors, other than those who may be elected by the holders of any class or series of Preferred Stock as set forth in this Certificate of Incorporation, shall be divided into three classes, designated Class I, Class II and Class III. Each class shall consist, as nearly as may be possible, of one-third of the total number of directors constituting the entire Board of Directors. At each annual meeting of stockholders, successors to the class of directors whose term expires at that annual meeting shall be elected for a three-year term.

Section 5.2 If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, and any additional director of any class elected to fill a vacancy resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class, but in no case will a decrease in the number of directors shorten the term of any incumbent director. A director shall hold office until the annual meeting for the year in which his term expires and until his successor shall be elected and shall qualify for office, subject, however, to prior death, resignation, retirement, disqualification or removal from office. Any vacancy on the Board of Directors, however resulting, may be filled only by an affirmative vote of the majority of the directors then in office, even if less than a quorum, or by an affirmative

vote of the sole remaining director. Any director elected to fill a vacancy shall hold office for a term that shall coincide with the term of the class to which such director shall have been elected.

Section 5.3 Notwithstanding any of the foregoing provisions, whenever the holders of any one or more classes or series of Preferred Stock issued by the Corporation shall have the right, voting separately by class or series, to elect directors at an annual or special meeting of stockholders, the election, term of office, filling of vacancies and other features of such directorships shall be governed by the terms of this Certificate of Incorporation, or the resolution or resolutions adopted by the Board of Directors pursuant to Section 4.2 of this Certificate of Incorporation applicable thereto, and such directors so elected shall not be divided into classes pursuant to this Article V unless expressly provided by such terms.

ARTICLE VI **CORPORATE OPPORTUNITIES**

Section 6.1 In anticipation of the possibility (a) that the officers and/or directors of the Corporation may also serve as officers and/or directors of Fidelity (as defined below) and (b) that the Corporation and Fidelity may engage in the same or similar activities or lines of business and have an interest in the same corporate opportunities, and in recognition of the benefits to be derived by the Corporation through its continued contractual, corporate and business relations with Fidelity, the provisions of this Article VI are set forth to regulate, to the fullest extent permitted by law, the conduct of certain affairs of the Corporation as they relate to Fidelity and its officers and directors, and the powers, rights, duties and liabilities of the Corporation and its officers, directors and stockholders in connection therewith.

Section 6.2 (a) Except as may be otherwise provided in a written agreement between the Corporation and Fidelity, Fidelity shall have no duty to refrain from engaging in the same or similar activities or lines of business as the Corporation, and, to the fullest extent permitted by law, neither Fidelity nor any officer or director thereof (except in the event of any violation of Section 6.3 hereof, to the extent such violation would create liability under applicable law) shall be liable to the Corporation or its stockholders for breach of any fiduciary duty by reason of any such activities of Fidelity.

(b) The Corporation may from time to time be or become a party to and perform, and may cause or permit any subsidiary of the Corporation to be or become a party to and perform, one or more agreements (or modifications or supplements to pre-existing agreements) with Fidelity. Subject to Section 6.3 hereof, to the fullest extent permitted by law, no such agreement, nor the performance thereof in accordance with its terms by the Corporation or any of its subsidiaries or Fidelity, shall be considered contrary to any fiduciary duty to the Corporation or to its stockholders of any director or officer of the Corporation who is also a director, officer or employee of Fidelity. Subject to Section 6.3 hereof, to the fullest extent permitted by law, no director or officer of the Corporation who is also a director, officer or employee of Fidelity shall have or be under any fiduciary duty to the Corporation or its stockholders to refrain from acting on behalf of the Corporation or any of its subsidiaries or on behalf of Fidelity in respect of any such agreement or performing any such agreement in accordance with its terms.

Section 6.3 In the event that a director or officer of the Corporation who is also a director or officer of Fidelity acquires knowledge of a potential transaction or matter which may be a corporate opportunity of both the Corporation and Fidelity, such director or officer of the Corporation shall, to the fullest extent permitted by law, have fully satisfied and fulfilled the fiduciary duty of such director or officer to the Corporation and its stockholders with respect to such corporate opportunity, if such director or officer acts in a manner consistent with the following policy:

(a) a corporate opportunity offered to any person who is an officer of the Corporation, and who is also a director but not an officer of Fidelity, shall belong to the Corporation, unless such opportunity is expressly offered to such person in a capacity other than such person's capacity as an officer of the Corporation, in which case it shall not belong to the Corporation;

(b) a corporate opportunity offered to any person who is a director but not an officer of the Corporation, and who is also a director or officer of Fidelity, shall belong to the Corporation only if such opportunity is expressly offered to such person in such person's capacity as a director of the Corporation; and

(c) a corporate opportunity offered to any person who is an officer of both the Corporation and Fidelity shall belong to the Corporation only if such opportunity is expressly offered to such person in such person's capacity as an officer of the Corporation.

Notwithstanding the foregoing, the Corporation shall not be prohibited from pursuing any corporate opportunity of which the Corporation becomes aware.

Section 6.4 Any person purchasing or otherwise acquiring any interest in shares of the capital stock of the Corporation shall be deemed to have notice of and to have consented to the provisions of this Article VI.

Section 6.5 (a) For purposes of this Article VI, a director of any company who is the chairman of the board of directors of that company shall not be deemed to be an officer of the company solely by reason of holding such position.

(b) The term "Corporation" shall mean, for purposes of this Article VI, the Corporation and all corporations, partnerships, joint ventures, associations and other entities in which the Corporation beneficially owns (directly or indirectly) fifty percent or more of the outstanding voting stock, voting power, partnership interests or similar voting interests. The term "Fidelity" shall mean, for purposes of this Article VI and of Article IX hereof, Fidelity National Information Services, Inc., a Georgia corporation, and any successor thereof, and all corporations, partnerships, joint ventures, associations and other entities in which it beneficially owns (directly or indirectly) fifty percent or more of the outstanding voting stock, voting power, partnership interests or similar voting interests.

Section 6.6 Anything in this Certificate of Incorporation to the contrary notwithstanding, the foregoing provisions of this Article VI shall terminate, expire and have no further force and effect on the date that no person who is a director or officer of the Corporation is also a director or officer of Fidelity. Neither the alteration, amendment, termination, expiration or repeal of this

Article VI nor the adoption of any provision of this Certificate of Incorporation inconsistent with this Article VI shall eliminate or reduce the effect of this Article VI in respect of any matter occurring, or any cause of action, suit or claim that, but for this Article VI, would accrue or arise, prior to such alteration, amendment, termination, expiration, repeal or adoption.

ARTICLE VII
REMOVAL OF DIRECTORS

Subject to the rights, if any, of the holders of shares of Preferred Stock then outstanding, any or all of the directors of the Corporation may be removed from office at any time, but only for cause and only by the affirmative vote of the holders of a majority of the outstanding capital stock of the Corporation then entitled to vote generally in the election of directors, considered for purposes of this Article VII as one class.

ARTICLE VIII
ELECTION OF DIRECTORS

Elections of directors at an annual or special meeting of stockholders shall be by written ballot unless the Bylaws of the Corporation shall otherwise provide.

ARTICLE IX
WRITTEN CONSENT OF STOCKHOLDERS

Section 9.1 Actions required or permitted to be taken by the stockholders of the Corporation at an annual or special meeting of the stockholders may be effected without a meeting by the written consent of the holders of common stock of the Corporation (a “Consent”), but only if such action is taken in accordance with the provisions of this Article IX or by the holders of any class or series of Preferred Stock issued pursuant to Article IV hereof, if the terms of such class or series of Preferred Stock expressly provide for such action by Consent.

Section 9.2 The record date for determining stockholders entitled to authorize or take corporate action by Consent shall be as fixed by the Board of Directors or as otherwise established under this Article IX. Any stockholder seeking to have the stockholders authorize or take corporate action by Consent shall, by written notice addressed to the Secretary of the Corporation and delivered to the principal executive offices of the Corporation and signed by holders of record owning not less than 15% of all issued and outstanding shares of common stock of the Corporation, as determined in accordance with any applicable requirements of the Bylaws of the Corporation, who shall continue to own not less than 15% of all issued and outstanding shares of common stock of the Corporation through the date of delivery of Consents signed by a sufficient number of stockholders to authorize or take such action and who shall not revoke such request, request that a record date be fixed for such purpose (each such notice, a “Request”). The Request must contain the information set forth in Section 9.3 hereof. By the later of (i) twenty days after delivery of a valid Request and (ii) five days after delivery of any information requested by the Corporation pursuant to Section 9.3 hereof, the Board of Directors shall determine the validity of the Request and whether the Request relates to an action that may be authorized or taken by Consent pursuant to this Article IX and, if appropriate, adopt a resolution fixing the record date for such purpose. The record date for such purpose shall be no

more than ten days after the date upon which the resolution fixing the record date is adopted by the Board of Directors and shall not precede the date such resolution is adopted. If the Request has been determined to be valid and to relate to an action that may be authorized or taken by Consent pursuant to this Article IX or if such no determination shall have been made by the date required by this Article IX, and in either event no record date has been fixed by the Board of Directors, the record date shall be the day on which the first signed Consent is delivered to the Corporation in the manner described in Section 9.7 hereof; except that, if prior action by the Board of Directors is required under the provisions of the General Corporation Law of the State of Delaware, the record date shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

Section 9.3 Any Request (a) must be delivered by the holders of record owning not less than 15% of all issued and outstanding shares of common stock of the Corporation, as determined in accordance with any applicable requirements of the Bylaws of the Corporation (with evidence of such ownership attached), who shall continue to own not less than 15% of all issued and outstanding shares of common stock of the Corporation through the date of delivery of Consents and who shall not revoke such request, signed by a sufficient number of stockholders to authorize or take such action; (b) must describe the action proposed to be authorized or taken by Consent; and (c) must contain (i) such other information and representations, to the extent applicable, then required by the Corporation's Bylaws as though each stockholder submitting such Request was submitting a notice of a nomination for election to the Board of Directors at an annual meeting of stockholders or of other business to be brought before an annual meeting of stockholders, (ii) the text of the proposal (including the text of any resolutions to be adopted by Consent and the language of any proposed amendment to the Bylaws of the Corporation), and (iii) any agreement of the requesting stockholders required by the Bylaws of the Corporation. The Board of Directors may require the stockholders submitting a Request to furnish such other information as it may require to determine the validity of the Request. Stockholders seeking to authorize or take action by Consent shall update the information provided in the Request as required by the Corporation's Bylaws with respect to information provided concerning nominations for elections to the Board or other business at annual stockholders meetings.

Section 9.4 Stockholders are not entitled to authorize or take action by Consent if (a) the action relates to an item of business that is not a proper subject for stockholder action under applicable law, (b) an identical or substantially similar item of business, as determined by the Board of Directors in its reasonable determination, which determination shall be conclusive and binding on the Corporation and its stockholders (a "Similar Item"), is included in the Corporation's notice of meeting as an item of business to be brought before an annual or special stockholders meeting that has been called but not yet held or that is called to be held on a date within 90 days after the receipt by the Corporation of the Request for such action, provided that the removal of directors without electing replacements shall not be a Similar Item to the election of directors, or (c) such Request was made in a manner that involved a violation of Regulation 14A promulgated under the Securities Exchange Act of 1934, or other applicable law.

Section 9.5 Stockholders may authorize or take action by Consent only if such Consents are solicited from all holders of common stock of the Corporation.

Section 9.6 Every Consent purporting to take or authorize the taking of corporate action must bear the date of signature of each stockholder who signs the Consent, and no Consent shall be effective to take or authorize the taking of the action referred to therein unless, within 60 days of the earliest dated Consent delivered in the manner required by Section 9.7 hereof, Consents signed by a sufficient number of stockholders to authorize or take such action are so delivered to the Corporation.

Section 9.7 Every Consent purporting to take or authorize the taking of corporate action must be dated and delivered to the Corporation or its registered office in the State of Delaware no earlier than 60 days after the delivery of a valid Request. Consents must be delivered to the Corporation's registered office in the State of Delaware or its principal place of business. Delivery must be made by hand or by certified or registered mail, return receipt requested. The Secretary of the Corporation, or such other officer of the Corporation as the Board of Directors may designate ("Other Officer"), shall provide for the safe-keeping of such Consents and any related revocations and shall promptly conduct such ministerial review of the sufficiency of all Consents and any related revocations and of the validity of the action to be authorized or taken by Consent as the Secretary of the Corporation or Other Officer, as the case may be, deems necessary or appropriate, including, without limitation, whether the holders of a number of shares having the requisite voting power to authorize or take the action specified in the Consents have given consent; provided, however, that if the action to which the Consents relate is the removal or replacement of one or more members of the Board of Directors, the Secretary of the Corporation or Other Officer, as the case may be, shall promptly designate two persons, who shall not be members of the Board of Directors, to serve as inspectors ("Inspectors") with respect to such Consents and such Inspectors shall discharge the functions of the Secretary of the Corporation or Other Officer, as the case may be, under this Article IX. If after such investigation the Secretary of the Corporation, Other Officer, or the Inspectors, as the case may be, shall determine that the action has been duly authorized or taken by the Consents, that fact shall be certified on the records of the Corporation and the Consents shall be filed in such records. In conducting the investigation required by this Section 9.7, the Secretary of the Corporation, Other Officer, or the Inspectors, as the case may be, may retain special legal counsel and any other necessary or appropriate professional advisors as such person or persons may deem necessary or appropriate, at the expense of the Corporation, and shall be fully protected in relying in good faith upon the opinion of such counsel or advisors.

Section 9.8 No action may be authorized or taken by the stockholders by Consent except in accordance with this Article IX. If the Board of Directors shall determine that any Request was not properly made in accordance with, or relates to an action that may not be effected by Consent pursuant to, this Article IX, or any stockholder seeking to authorize or take such action does not otherwise comply with this Article IX, then the Board of Directors shall not be required to fix a record date and any such purported action by Consent shall be null and void to the fullest extent permitted by applicable law. No Consent shall be effective until such date as the Secretary of the Corporation, Other Officer, or the Inspectors, as the case may be, certify to the Corporation that the Consents delivered to the Corporation in accordance with Section 9.7 hereof represent at least the minimum number of votes that would be necessary to authorize or take the corporate action at a meeting at which all shares entitled to vote thereon were present and voted, in accordance with Delaware law and this Certificate of Incorporation.

Section 9.9 Nothing contained in this Article IX shall in any way be construed to suggest or imply that the Board of Directors or any stockholder shall not be entitled to contest the validity of any Consent or related revocations, whether before or after such certification by the Secretary of the Corporation, Other Officer, or the Inspectors, as the case may be, or to take any other action (including, without limitation, the commencement, prosecution, or defense of any litigation with respect thereto, and the seeking of injunctive relief in such litigation).

Section 9.10 Notwithstanding anything to the contrary set forth above, (a) none of the foregoing provisions of this Article IX shall apply to any solicitation of stockholder action by written consent by or at the direction of the Board of Directors and (b) the Board of Directors shall be entitled to solicit stockholder action by Consent in accordance with applicable law.

ARTICLE X **SPECIAL MEETINGS**

Special meetings of the stockholders of the Corporation for any purposes may be called at any time by a majority vote of the Board of Directors or the Chairman of the Board or Chief Executive Officer of the Corporation. Except as required by law or provided by resolutions adopted by the Board of Directors designating the rights, powers and preferences of any Preferred Stock, special meetings of the stockholders of the Corporation may not be called by any other person or persons.

ARTICLE XI **OFFICERS**

The officers of the Corporation shall be chosen in such manner, shall hold their offices for such terms and shall carry out such duties as are determined solely by the Board of Directors, subject to the right of the Board of Directors to remove any officer or officers at any time with or without cause.

ARTICLE XII **INDEMNITY**

The Corporation shall indemnify to the full extent authorized or permitted by law any person made, or threatened to be made, a party to any action or proceeding (whether civil or criminal or otherwise) by reason of the fact that such person is or was a director or officer of the Corporation or by reason of the fact that such director or officer, at the request of the Corporation, is or was serving any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, in any capacity. Nothing contained herein shall affect any rights to indemnification to which employees other than directors and officers may be entitled by law. No director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty by such a director as a director. Notwithstanding the foregoing sentence, a director shall be liable to the extent provided by applicable law (a) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) pursuant to Section 174 of the DGCL or (d) for any transaction from which such director derived an improper personal benefit. No amendment to or repeal of
