Explanation of Responses:

- Pursuant to a reclassification exempt under Rule 16b-7, restricted shares of Old FNF common stock outstanding on June 30, 2014 were reclassified into an equal number of restricted shares of FNF Group common stock, plus an additional number of restricted shares of FNF Group common stock with an initial value equal to the value of the FNFV Group common stock the holder would have otherwise received. The number of additional shares of FNF Group common stock was determined using the volume weighted average prices of FNF Group common stock and FNFV Group common stock over the three trading days immediately following the reclassification. Restricted stock awards were rounded down to the nearest share and cash was issued in lieu of fractional restricted shares.

Cash was issued in lieu of fractional shares of FNF Group or FNFV Group common stock.

Stock options were rounded down to the nearest share and up to the nearest penny, and cash was issued in lieu of options to purchase fractional shares.
