Directors' Compensation

Directors who also are officers of the Company do not receive any compensation for acting as directors, except for reimbursement of reasonable expenses, if any, incurred in attending Board meetings. Non-employee directors participate in a compensation program that is designed to achieve the following goals: fairly pay directors for work required by a company of FNT's size, complexity, and scope; align directors' interest with the long-term interests of the Company's stockholders; provide a level of pay that is competitive with the marketplace for companies of similar size and complexity to FNT; and maintain a simple format that is transparent and easy for shareholders to understand. For 2005, non-employee directors received the following:

- An annual retainer of \$35,000;
- A per meeting fee of \$1,500 for each Board meeting attended;

Table of Contents

- An annual retainer of \$5,000 for service on any Board committee (except Audit) or a \$7,500 annual retainer if chair of any committee (except Audit);
- An annual retainer of \$7,500 for service on the Audit committee or a \$10,000 annual retainer if chair of the Audit committee;
- A per meeting fee of \$1,000 for each committee meeting attended (except Audit which has a per meeting fee of \$2,000);
- Expenses of attending Board and committee meetings; and
- On October 18, 2005, following completion of the distribution, each non-employee director received a grant of 5,000 shares of restricted stock. The shares will vest in four equal annual installments, provided the recipient remains a director through the vesting dates. Vesting will be accelerated upon a change in control or upon termination of service on the board due to death or disability or if we terminate the recipient's service on the board without cause. The restricted shares will have the same voting and dividend rights as other outstanding shares of our Class A common stock, but will be non-transferable and subject to forfeiture unless and until vested.

The Company also adopted stock ownership guidelines for its directors. Each director is encouraged to own shares of Company common stock with a value equal to two times the annual retainer.

Retirement Benefits

We maintain an employee stock purchase plan and a 401(k) profit sharing plan covering substantially all of our employees. These plans do not discriminate in favor of directors or executive officers in the nature or level of benefits provided to participants. Additionally, in connection with our merger with Chicago Title, we assumed Chicago Title's noncontributory defined benefit pension plan (the "*Pension Plan*"). The Pension Plan covered certain Chicago Title employees and the benefits thereunder were based on years of service and the employee's average monthly compensation in the highest 60 consecutive calendar months during the 120 months ending at retirement or termination. Effective as of December 31, 2001, the Pension Plan was frozen and there will be no future credit given for years of service or changes in salary. None of the named executive officers were ever participants in the Pension Plan.

Employee Stock Purchase Plan. In 2005, the stockholders approved the adoption of an Employee Stock Purchase Plan (the "*ESPP*"). Under the terms of the ESPP and subsequent amendments, eligible employees may voluntarily purchase, at current market prices, shares of the Company's common stock through payroll deductions. Pursuant to the ESPP, employees may contribute an amount between 3% and 15% of their base salary and certain commissions. The Company contributes varying amounts as specified in the ESPP.

401(k) Profit Savings Plan. The Company offers a 401(k) Profit Sharing Plan (the "*401(k) Plan*"), which is a qualified voluntary contribution savings plan, to substantially all of its employees. Eligible employees may contribute up to 15% of their pretax annual compensation, subject to annual limitations imposed by the Internal Revenue Service. The Company matches 50% of each dollar of employee contribution up to 6% of the employee's total compensation.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is currently composed of General William Lyon, William G. Bone and Willie D. Davis. During fiscal 2005, no member of the Compensation Committee was a former or current officer or employee of the Company or any of its subsidiaries. In addition, during 2005, no executive officer of the Company served (i) as a member of the compensation committee or board of directors of another entity, one of whose executive officers served on the Compensation Committee, or (ii) as a member of the compensation committee of another entity, one of whose executive officers served on the Board of Directors.
