ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

The Transaction

On November 25, 2008, Fidelity National Financial, Inc., a Delaware corporation (“FNF”), through its title insurance underwriters, Fidelity National Title Insurance Company, an insurance company organized under the laws of the State of California (“FNTIC”), and Chicago Title Insurance Company, an insurance company organized under the laws of the State of Nebraska (“CTIC”), entered into a stock purchase agreement (the “Stock Purchase Agreement”) with LandAmerica Financial Group, Inc., a Virginia corporation (“LFG”). The Stock Purchase Agreement provides that, upon the terms and subject to the conditions set forth therein, CTIC will acquire Commonwealth Land Title Insurance Company, an insurance company organized under the laws of the State of Nebraska (“Commonwealth”), for \$158.6 million and FNTIC will acquire Lawyers Title Insurance Corporation, an insurance company organized under the laws of the State of Nebraska (“Lawyers”), and United Capital Title Insurance Company, an insurance company organized under the laws of the State of California (“United”), for \$139.4 million, for a total purchase price of \$298 million (the “Transaction”). LFG directly or indirectly owns 100% of the issued and outstanding shares of capital stock of each Commonwealth, Lawyers and United, with Commonwealth and Lawyers being LFG’s principal title insurance underwriters.

The Transaction anticipates that LFG will file Chapter 11 proceedings and is subject to certain closing conditions and regulatory approvals, including, among others, (i) the entry of final approval orders by the Chapter 11 court, (ii) the absence of any injunction or order prohibiting the Transaction, subject to certain limited exceptions, (iii) the expiration or termination of the Hart-Scott-Rodino Act waiting period, (iv) the receipt of Form A approvals from applicable state insurance regulators, (v) subject to certain exceptions, the accuracy of representations and warranties of the other party, and (vi) material compliance of the other party with its covenants. Closing is expected to take place as early as late December 2008. The Stock Purchase Agreement also provides certain standard termination rights for the parties, as well as the right for FNTIC and CTIC to terminate the Stock Purchase Agreement if the Chapter 11 court or any insurance regulatory authority imposes any material limits on the ability of Commonwealth, Lawyers and United to issue policies to the extent they were permitted to do so prior to November 24, 2008 or otherwise on their ability to operate their businesses in the ordinary course in a manner materially adverse to FNTIC and CTIC.

General

The foregoing summary of the Stock Purchase Agreement, and the transactions contemplated thereby, is not complete, and is qualified in its entirety by reference to the full text of the Stock Purchase Agreement filed as Exhibit 10.1 to this Current Report and is incorporated herein by reference. In the event of any conflict between the foregoing summary and the full text of the Stock Purchase Agreement, the text of the Stock Purchase Agreement shall control.

The Stock Purchase Agreement contains representations and warranties that the parties have made to each other as of specific dates. Except for their status as contractual documents that establish and govern the legal relations among the parties, the Stock Purchase Agreement is not intended to be a source of factual, business or operational information about any of the parties thereto. The representations and warranties were made as of specific dates, only for purposes of the Transaction, and solely for the benefit of the parties to the Stock Purchase Agreement. These representations and warranties may be subject to limitations agreed between the parties, including being qualified by disclosures between the parties. The representations and warranties may have been made to allocate risks among the parties, including where the parties do not have complete knowledge of all facts, instead of establishing matters as facts. Furthermore, those representations and warranties may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors.

Accordingly, investors and security holders should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of the date of the Stock Purchase Agreement. Moreover, information concerning the subject matter of such representations and warranties may change after the date of these representations and warranties, which may or may not be fully reflected in the parties’ public disclosures.

Forward-Looking Statements

This filing contains forward-looking statements that involve a number of risks and uncertainties. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. Forward-looking statements are based on management’s beliefs, as well as assumptions made by, and information currently available to, management. Because such statements are based on expectations as to future economic performance and are not statements of fact, actual results may differ materially from those projected. We undertake no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise. The risks and uncertainties which forward-looking statements are subject to include, but are not limited to: the possibility that the proposed transaction will not be completed due to the failure to secure necessary regulatory approvals; the possibility that the Chapter 11 court will not approve the Stock Purchase Agreement or the transactions contemplated thereby; the possibility that there are unexpected delays in obtaining regulatory approvals; the possibility that the revenues, cost savings, growth prospects and any other synergies expected from the proposed transaction may not be fully realized or may take longer to realize than expected; changes in general economic, business and political conditions, including changes in the financial markets; continued weakness or adverse changes in the level of real estate activity, which may be caused by, among other things, high or increasing interest rates, a limited supply of mortgage funding or a weak U. S. economy; our potential inability to find suitable acquisition candidates, acquisitions in lines of business that will not necessarily be limited to our traditional areas of focus, or difficulties in integrating acquisitions; our dependence on operating subsidiaries as a source of cash flow; significant competition that our operating subsidiaries face; compliance with extensive government regulation of our operating subsidiaries; and other risks detailed in the “Statement Regarding Forward-Looking Information,” “Risk Factors” and other sections of FNF’s Form 10-K and other filings with the Securities and Exchange Commission.

Section 3.2 Capitalization. (a) The authorized capital stock of Commonwealth consists of 1,000,000 shares of common stock, no par value, of which 824,653 shares are issued and outstanding and constitute the Commonwealth Shares. The authorized capital stock of UCTIC consists of 10,000,000 shares of common stock, no par value, of which 20,000 shares are issued and outstanding and constitute the UCTIC Shares. The authorized capital stock of LTIC consists of 2,000,000 shares of common stock, no par value (the "LTIC Common Stock" and together with the UCTIC Common Stock and the Commonwealth Common Stock, the "Companies Common Stock"), of which 1,062,337 shares are issued and outstanding and constitute the LTIC Shares. All of the issued and outstanding shares of Companies Common Stock have been duly authorized and validly issued and are fully paid, nonassessable and free of preemptive rights, with no personal liability attaching to the ownership thereof. No bonds, debentures, notes or other indebtedness having the right to vote on any matters on which shareholders of the Companies may vote ("Voting Debt") are issued or outstanding. Except for this Agreement, the Companies and Seller do not have and are not bound by any outstanding subscriptions, options, warrants, calls, rights, commitments or agreements of any character calling for the sale, purchase or issuance of, or the payment of any amount based on, any shares of Companies Common Stock, Voting Debt or any other equity securities of either of the Companies or any securities representing the right to purchase or otherwise receive any shares of Companies Common Stock, Voting Debt or other equity securities of either of the Companies. Except for this Agreement, there are no contractual obligations of Seller, the Companies or any of their Subsidiaries (i) to repurchase, redeem or otherwise acquire any shares of capital stock of the Companies or any equity security of the Companies or their Subsidiaries or any securities representing the right to purchase or otherwise receive any shares of capital stock or any other equity security of either of the Companies or their Subsidiaries, (ii) pursuant to which Seller, the Companies or any of their Subsidiaries is or could be required to register shares of such Company capital stock or other securities under the Securities Act of 1933, as amended (the "Securities Act"), or (iii) that give any person the right to receive any economic benefit or right similar to or derived from the economic benefits and rights accruing to holders of Companies Common Stock, Voting Debt or other equity securities of the Companies. Seller is the record and beneficial owner of (i) 100% of the issued and outstanding Commonwealth Common Stock, (ii) 100% of the issued and outstanding UCTIC Common Stock and (iii) 100% of the issued and outstanding LTIC Common Stock, in each case, free and clear of all Liens. There are no restrictions upon the voting or transfer of any shares or other equity interests pursuant to any of the Companies Articles or Companies Bylaws, any Law or any agreement to which Seller or either Company is a party. Assuming the relevant Buyer has the requisite power and authority to be the lawful owner of the relevant Shares, upon delivery of and payment for the Shares at the Closing as herein provided, good and valid title to the Commonwealth Shares will pass to CTIC, and good and valid title to the LTIC Shares and the UCTIC Shares will pass to FNTIC, in each case, in each case free and clear of all Liens, other than any Liens arising from acts of the relevant Buyer.

(b) Except for any director qualifying shares, all of the issued and outstanding shares of capital stock or other equity ownership interests of each Subsidiary of the Companies are owned by the Companies, directly or indirectly, free and clear of any liens, pledges, charges,

claims and security interests and similar encumbrances (“Liens”), and all of such shares or equity ownership interests are duly authorized and validly issued and are fully paid, nonassessable and free of preemptive rights. No Subsidiary of either Company has or is bound by any outstanding subscriptions, options, warrants, calls, commitments or agreements of any character calling for the purchase or issuance of any shares of capital stock or any other equity security of such Subsidiary or any securities representing the right to purchase or otherwise receive any shares of capital stock or any other equity security of such Subsidiary.

Section 3.3 Authority; No Violation. (a) Seller has full corporate power and authority to execute and deliver this Agreement and the Seller Ancillary Documents and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the Seller Ancillary Documents and the consummation of the transactions contemplated hereby have been duly, validly and unanimously approved and adopted by the Board of Directors of Seller. No other corporate proceedings on the part of Seller are necessary to approve this Agreement and the Seller Ancillary Documents or to consummate the transactions contemplated hereby. This Agreement has been, and the Seller Ancillary Documents have been, or will at Closing be, duly and validly executed and delivered by Seller and (assuming due authorization, execution and delivery by Buyers or the other party thereto, as applicable, and receipt of the Chapter 11 Court Order (as hereinafter defined)) constitute the valid and binding obligations of Seller, enforceable against Seller in accordance with their terms.

(b) The Companies each have full corporate power and authority to execute and deliver the Company Ancillary Documents and to consummate the transactions contemplated thereby. The execution and delivery of the Company Ancillary Documents and the consummation of the transactions contemplated thereby have been duly, validly and unanimously approved and adopted by the Board of Directors of each of the Companies. No other corporate proceedings on the part of Seller or the Companies are necessary to approve the Company Ancillary Documents or to consummate the transactions contemplated thereby. The Company Ancillary Documents have each been, or will at Closing be, duly and validly executed and delivered by the Companies and (assuming due authorization, execution and delivery by Buyers or the other party thereto, as applicable) constitute the valid and binding obligations of the Companies, enforceable against the Companies in accordance with their respective terms (except as may be limited by bankruptcy, insolvency, fraudulent transfer, moratorium, reorganization or similar laws of general applicability relating to or affecting the rights of creditors generally and subject to general principles of equity (the “Bankruptcy and Equity Exception”)).

(c) Neither the execution and delivery of this Agreement or the Seller Ancillary Documents by Seller, nor the consummation by Seller of the transactions contemplated hereby, nor compliance by Seller with any of the terms or provisions of this Agreement, nor the execution and delivery of the Company Ancillary Documents by the Companies, nor the consummation by the Companies of the transactions contemplated thereby, will (i) violate any provision of the articles of incorporation or bylaws of Seller, the Company Articles or Company Bylaws or (ii) assuming that the consents, approvals and filings referred to in Section 3.4 are duly obtained and/or made, (A) violate any Law, judgment, order, injunction or decree applicable to Seller, the Companies, any of their Subsidiaries or any of their respective properties or assets or (B) violate, conflict with, result in a breach of any provision of or the loss of any

benefit under, constitute a default (or an event which, with notice or lapse of time, or both, would constitute a default) under, result in the termination of or a right of termination or cancellation under, accelerate the performance required by, or result in the creation of any Lien upon any of the respective properties or assets of Seller, the Companies or any of their Subsidiaries under, or trigger or change any rights or obligations (including any increase in payments owed) or require the consent of any Person under, or give rise to a right of cancellation, vesting, payment, exercise, suspension or revocation of any obligation under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, deed of trust, license, lease, franchise, permit, agreement, or other instrument or obligation to which Seller, any of the Companies or any of their Subsidiaries is a party or by which any of them or any of their respective properties or assets is bound.

Section 3.4 Consents and Approvals. Except for (a) filings of applications and notices, as applicable, with the state insurance authorities of the State of California, the State of New Jersey and (if necessary) the State of Nebraska, and approval of such applications and notices (the "Regulatory Approvals"), (b) the Final Approval Order, (c) any notices or filings required under the HSR Act and (d) the Chapter 11 Court Order, no consents or approvals of or filings or registrations with any foreign, federal or state insurance or other regulatory, self-regulatory or enforcement authorities or any courts, administrative agencies or commissions or other governmental authorities or instrumentalities (each a "Governmental Entity") are necessary in connection with the consummation by Seller of the transactions contemplated by this Agreement. No consents or approvals of or filings or registrations with any Governmental Entity are necessary in connection with the execution and delivery by Seller of this Agreement.

Section 3.5 Reports; Regulatory Matters. (a) Each of the Companies and their Subsidiaries have timely filed or furnished, as applicable, all reports, registrations, statements and certifications, together with any amendments required to be made with respect thereto, that they were required to file or furnish, as applicable, since January 1, 2006 with (i) any state regulatory authority, (ii) the SEC, (iii) any foreign regulatory authority, and (iv) any self-regulatory authority, (collectively, "Regulatory Agencies") and with each other applicable Governmental Entity, and all other reports and statements required to be filed or furnished by them since January 1, 2006, including any report or statement required to be filed pursuant to the laws, rules or regulations of the United States, any state, any foreign entity, or any Regulatory Agency or other Governmental Entity, and have paid all fees and assessments due and payable in connection therewith. Except as set forth in Section 3.5 of the Company Disclosure Schedule, no Regulatory Agency or other Governmental Entity has initiated since January 1, 2006 or has pending any proceeding, enforcement action or, to the knowledge of Seller, investigation into the business, disclosures or operations of either of the Companies or any of their Subsidiaries. Since January 1, 2006, no Regulatory Agency or other Governmental Entity has resolved any proceeding, enforcement action or, to the knowledge of Seller, investigation into the business, disclosures or operations of either of the Companies or any of their Subsidiaries. There is no unresolved, or, to Seller's knowledge, threatened criticism, comment, exception or stop order by any Regulatory Agency or other Governmental Entity with respect to any report or statement relating to any examinations or inspections of either of the Companies or any of their Subsidiaries. Since January 1, 2006, there have been no formal or informal inquiries by, or disagreements or disputes with, any Regulatory Agency or other Governmental Entity with respect to the business, operations, policies or procedures of either of the Companies or any of

their Subsidiaries (other than normal inquiries made by a Regulatory Agency or other Governmental Entity in the Companies' ordinary course of business).

(b) Neither Company nor any of its Subsidiaries is subject to any cease-and-desist or other order or enforcement action issued by, or is a party to any written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any order or directive by, or has been ordered to pay any civil money penalty by, or has been since January 1, 2006 a recipient of any supervisory letter from, or since January 1, 2006 has adopted any policies, procedures or board resolutions at the request or suggestion of, any Regulatory Agency or other Governmental Entity that currently restricts or affects in any material respect the conduct of its business (or to Seller's knowledge that, upon consummation of the transactions contemplated hereby, would restrict in any material respect the conduct of the business of either Buyer or any of its Subsidiaries), or that in any material manner relates to its capital adequacy, its ability to pay dividends, its credit, risk management or compliance policies, its internal controls, its management or its business, other than those of general application that apply to similarly situated companies or their Subsidiaries (each item in this sentence, a "Company Regulatory Agreement"), nor has either of the Companies or any of their Subsidiaries been advised since January 1, 2006 by any Regulatory Agency or other Governmental Entity that it is considering issuing, initiating, ordering, or requesting any such Company Regulatory Agreement.

(c) The Companies have previously made available to Buyers an accurate and complete copy of each (i) final registration statement, prospectus, report, schedule and definitive proxy statement filed with the SEC by Seller pursuant to the Securities Act or the Securities Exchange Act of 1934, as amended (the "Exchange Act") since January 1, 2006 (the "Seller SEC Reports") and prior to the date of this Agreement and (ii) communication mailed by Seller to its shareholders since January 1, 2006 and prior to the date of this Agreement. No such Seller SEC Report or communication, at the time filed or communicated (or, if amended prior to the date hereof, as of the date of such amendment), with respect to the Companies and their Subsidiaries only, contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances in which they were made, not misleading. To the knowledge of Seller, other than as set forth in Section 3.5 of the Company Disclosure Schedule, none of the Seller SEC Reports is the subject of any ongoing review or investigation by the SEC or any other Governmental Entity and there are no unresolved SEC comments with respect to any of such documents.

Section 3.6 Financial Statements. (a) Each statement, together with all exhibits and schedules thereto, and all actuarial opinions, affirmations and certifications required in connection therewith, and all required supplemental materials, filed by each Company or any Insurance Subsidiary thereof with any Insurance Department since January 1, 2006 (the "Statutory Statements") was prepared in conformity with the statutory accounting practices prescribed by the Insurance Department of the applicable state of domicile and applied on a consistent basis ("SAP"). Each such Statutory Statement presents fairly, in all material respects and in conformity with SAP, the statutory financial condition of such Company or of such Insurance Subsidiary on the respective date of the Statutory Statement and the results of operations, changes in capital and surplus and cash flow of such Company or such Insurance

Subsidiary for each of the applicable reporting periods, and was correct and complete when filed. No deficiencies or violations have been asserted in writing (or, to the knowledge of Seller, orally) by any Insurance Department with respect to any such Statutory Statement which have not been cured or otherwise resolved to the satisfaction of such Insurance Department. Except as set forth in Section 3.6 of the Company Disclosure Schedule, there are no permitted practices utilized by the Companies or their Insurance Subsidiaries in the preparation of the Statutory Statements.

(b) Neither Company nor any of their Subsidiaries has any material liability of any nature whatsoever (whether absolute, accrued, contingent, or otherwise and whether due or to become due), except for (i) those liabilities that are reflected or reserved against on the consolidated balance sheet of such Company included in its quarterly Statutory Statement for the fiscal quarter ended September 30, 2008 (including any notes thereto) filed with the Insurance Department of its applicable state of domicile and (ii) liabilities incurred in the ordinary course of business consistent with past practice since September 30, 2008 or in connection with this Agreement and the transactions contemplated hereby.

Section 3.7 Broker's Fees. Neither Company nor any of their Subsidiaries nor any of their respective officers or directors has employed any broker or finder or incurred any liability for any broker's fees, commissions or finder's fees in connection with the transactions contemplated by this Agreement.

Section 3.8 Absence of Certain Changes or Events. (a) Except for the expected issuance of the rehabilitation order with respect to the Companies and the Chapter 11 proceedings contemplated herein, including the underlying causes of such order and proceedings, or as Publicly Disclosed, since December 31, 2007, no event or events have occurred or condition or conditions exist that have had or would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on the Companies. As used in this Agreement, the term "Material Adverse Effect" means, with respect to the Companies, a material adverse effect on (i) the financial condition, results of operations or business of the Companies and their Subsidiaries taken as a whole (provided, however, that, a "Material Adverse Effect" shall not be deemed to include effects to the extent resulting from (A) changes, after the date hereof, in statutory or regulatory accounting requirements applicable generally to companies in the industries in which the Companies and their Subsidiaries operate, (B) changes, after the date hereof, in laws, rules, regulations or the interpretation of laws, rules or regulations by Governmental Entities of general applicability to companies in the industries in which the Companies and their Subsidiaries operate, (C) actions or omissions taken with the prior written consent of the other party or expressly required by this Agreement, (D) changes after the date hereof in global, national or regional political conditions (including acts of terrorism or war) or changes in general business, economic or market conditions, including changes generally in prevailing interest rates, credit markets, securities markets, the availability of mortgage or other financing or commercial and residential real estate transaction volumes, (E) the execution of this Agreement or the public disclosure of this Agreement or the transactions contemplated hereby, except, with respect to clauses (A), (B) and (D), to the extent that the effects of such change are disproportionately adverse to the financial condition, results of operations or business of the Companies and their Subsidiaries, taken as a whole, as compared to other companies in the industry in which the Companies and their Subsidiaries operate) or (ii) the ability of such party to

timely consummate the transactions contemplated by this Agreement; and the term "Material Adverse Effect" with respect to Buyers shall have a correlative meaning with respect to Buyers and their Subsidiaries, taken as a whole.

(b) Since December 31, 2007 through and including the date of this Agreement, the Companies and their Subsidiaries have carried on their respective businesses in all material respects in the ordinary course of business consistent with their past practice.

(c) Since December 31, 2007 through and including the date of this Agreement, neither Company nor any of its Subsidiaries has (i) changed any Tax or financial accounting methods, principles or practices of either Company or its Subsidiaries affecting its assets, liabilities or businesses, including any reserving, renewal or residual method, practice or policy, or (ii) except for distributions by wholly owned Subsidiaries of either Company to such Company or another wholly owned Subsidiary of such Company, made or declared any distribution in cash or kind to its shareholder or shareholders or repurchased any shares of its capital stock or other equity interests.

Section 3.9 Legal Proceedings. (a) Other than as Publicly Disclosed, neither Company nor any of its Subsidiaries is a party to any, and there are no pending or, to Seller's knowledge, threatened, legal, administrative, arbitral or other proceedings, claims, actions, suits or governmental or regulatory investigations of any nature against either Company or any of its Subsidiaries or to which any of their assets are subject, and no such proceedings, claims, actions, suits or investigations disclosed in the Company Disclosure Schedule could reasonably be expected to result, individually or in the aggregate, in a Material Adverse Effect with respect to the Companies.

(b) Other than as Publicly Disclosed, there is no judgment, settlement agreement, order, injunction, decree or regulatory restriction (other than those of general application that apply to similarly situated companies or their Subsidiaries) imposed upon either Company, any of its Subsidiaries or the assets of either Company or any of its Subsidiaries (or that, upon consummation of the transactions contemplated hereby, would apply to either Buyer or any of its Subsidiaries).

Section 3.10 Taxes and Tax Returns. (a) Each of the Companies and its Subsidiaries has duly and timely filed (including all applicable extensions) all material Tax Returns required to be filed by it on or prior to the date of this Agreement (all such Tax Returns being accurate and complete in all material respects), has paid all material Taxes shown thereon and has duly paid or made provision for the payment of all material Taxes that have been incurred or are due or claimed to be due from it by federal, state, foreign or local taxing authorities other than Taxes that are not yet delinquent or are being contested in good faith, have not been finally determined and have been adequately reserved against under SAP.

(b) The federal income Tax Returns of each of the Companies and its Subsidiaries, if any, have been examined by the Internal Revenue Service (the "IRS") for all years to and including 2004, and any material liability with respect thereto has been satisfied or any material liability with respect to deficiencies asserted as a result of such examination is covered by reserves that are adequate under SAP. There are no material disputes pending, or

written claims asserted, for Taxes or assessments upon either of the Companies or any of their Subsidiaries for which such Companies do not have reserves that are adequate under SAP.

(c) Neither of the Companies nor any of their Subsidiaries is a party to or is bound by any material Tax sharing agreement or arrangement (other than such an agreement or arrangement exclusively between or among each of the Companies and their Subsidiaries).

(d) Within the past two years (or otherwise as part of a “plan (or series of related transactions)” within the meaning of Section 355(e) of the Code neither of the Companies nor any of their Subsidiaries has been a “distributing corporation” or a “controlled corporation” in a distribution intended to qualify under Section 355 of the Code.

(e) Each of the Companies and its Subsidiaries has complied in all material respects with all applicable Laws relating to the payment and withholding of Taxes and have duly and timely withheld from employee and independent contractor salaries, wages, other compensation, and other amounts, and have paid over to the appropriate taxing authorities all amounts required to be so withheld and paid over under all applicable Laws.

(f) As of the date hereof, with respect to each of the Companies and its Subsidiaries, no claim has been made by a taxing authority in a jurisdiction where any of the Companies or their Subsidiaries does not file a type of Tax Return such that it is or may be subject to that type of Tax in that jurisdiction.

(g) As of the date hereof, neither of the Companies nor any of their Subsidiaries has waived any statute of limitations in respect of a material amount of Taxes or agreed to any extension of time with respect to an assessment or deficiency for a material amount of Taxes (other than pursuant to extensions of time to file Tax Returns obtained in the ordinary course).

(h) Neither of the Companies nor any of their Subsidiaries nor any other person on any of their behalf has: (i) agreed to or is required to make any adjustments pursuant to Section 481(a) of the Code or any similar provision of Law by reason of a change in accounting method initiated by any of the Companies or their Subsidiaries or has any knowledge that the IRS or any other taxing authority has proposed any such adjustment or change in accounting method, or has any application pending with any taxing authority requesting permission for any changes in accounting methods that relate to the business or operations of any of the Companies or their Subsidiaries; or (ii) executed or entered into a closing agreement pursuant to section 7121 of the Code or any predecessor provision thereof or any similar provision of Law in respect of either of the Companies or any of their Subsidiaries.

(i) There are no Liens for Taxes, other than Permitted Liens, on the assets of the Companies or any of their Subsidiaries.

(j) No powers of attorney that are currently in force with respect to any matter relating to Taxes that will continue in effect after the Closing Date.

(k) Neither of the Companies nor any of their Subsidiaries has engaged in a transaction that is reportable within the meaning of Section 6011 of the Code.

(l) Since January 1, 2004, each of the Companies and its Insurance Subsidiaries has qualified as an insurance company within the meaning of Section 831 of the Code.

(m) Seller has delivered or made available to Buyers: true and complete copies of (i) all federal, state, local, and foreign income and franchise Tax Returns of each of the Companies and each of its Subsidiaries (or, in the case of Tax Returns filed for an affiliated group, the portion of such consolidated Tax Returns relating to each of the Companies and its Subsidiaries) relating to the taxable periods ending on or after December 31, 2005, and (ii) any audit report issued within the last three years relating to Taxes due from or in respect of either of the Companies or any of its Subsidiaries.

(n) There are no outstanding rulings or requests for rulings with any Governmental Entity addressed, directly or indirectly, to either of the Companies or any of their Subsidiaries that are, or if issued, would be binding on either of the Companies or any of their Subsidiaries for any Post-Closing Period.

(o) Neither of the Companies nor any of their Subsidiaries has an “excess loss account” (as defined in Treasury Regulation Section 1.1502-19) with respect to the stock of any of their Subsidiaries, and neither of the Companies nor any of their Subsidiaries will recognize any deferred income under federal consolidated return regulations (or similar provisions of state, local or foreign Tax Laws), including, but not limited to the deferred intercompany transaction provisions of such federal consolidated return regulations (or similar provisions of state, local or foreign Tax Laws).

Section 3.11 Employee Matters. (a) Section 3.11 of the Company Disclosure Schedule sets forth a true, complete and correct list of each “employee benefit plan” as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), whether or not subject to ERISA, and each material employment, consulting, bonus, incentive or deferred compensation, vacation, stock option or other equity-based, severance, termination, retention, change of control, profit-sharing, fringe benefit or other similar plan, program, agreement or commitment, whether written or unwritten, for the benefit of any employee, former employee, director or former director of either Company or any of their Subsidiaries entered into, maintained or contributed to by either Company or any of their Subsidiaries or to which either Company or any of their Subsidiaries is obligated to contribute, or with respect to which either Company or any of their Subsidiaries has any liability, direct or indirect, contingent or otherwise (including any liability arising out of an indemnification, guarantee, hold harmless or similar agreement) or otherwise providing benefits to any current, former or future employee, officer or director of either Company or any of their Subsidiaries or to any beneficiary or dependent thereof (such plans, programs, agreements and commitments, herein referred to as the “Company Benefit Plans”). Section 3.11 of the Company Disclosure Schedule identifies each Company Benefit Plan that Buyers shall assume pursuant to Section 5.8(f) of this Agreement (including the LFG Deferred Compensation Plans) or the Companies or their respective Subsidiaries shall continue to maintain or sponsor (collectively, the “Assumed Plans”).

(b) (i) Each of the Company Benefit Plans has been operated and administered in all material respects in accordance with applicable law, including, but not limited to, ERISA, the Code and in each case the regulations thereunder; (ii) each Company Benefit Plan intended to be “qualified” within the meaning of Section 401(a) of the Code, has received a favorable determination letter from the Internal Revenue Service, or has pending an application for such determination from the Internal Revenue Service with respect to those provisions for which the remedial amendment period under Section 401(b) of the Code has not expired, and, to the knowledge of Seller, there is not any reason why any such determination letter should be revoked; (iii) with respect to each Company Benefit Plan that is subject to Title IV or Section 302 of ERISA or Section 412 or 4971 of the Code, (A) as of the last day of the most recent plan year ended prior to the date hereof, as of the date hereof and as of the Closing Date, the actuarially determined present value of all “benefit liabilities” within the meaning of Section 4001(a)(16) of ERISA did and does not exceed the then current value of assets of such Company Benefit Plan and (B) the amount of such liabilities as of the last day of the most recent plan year ended prior to the date hereof was properly reflected on the financial statements of the Seller or its applicable Subsidiary previously filed with the SEC; (iv) no Company Benefit Plan provides material benefits, including, without limitation, death or medical benefits (whether or not insured), with respect to current or former employees or directors of either Company or its Subsidiaries beyond their retirement or other termination of service, other than (A) coverage mandated by applicable law or (B) death benefits or retirement benefits under any “employee pension plan” (as such term is defined in Section 3(2) of ERISA); (v) no Controlled Group Liability has been incurred by either Company, any of their Subsidiaries or any of their respective ERISA Affiliates that has not been satisfied in full, and no condition exists that presents a risk to the Companies, their Subsidiaries or any of their respective ERISA Affiliates of incurring any such liability; (vi) neither the Companies nor any of their Subsidiaries contributes on behalf of employees of the Companies or any of their Subsidiaries to a “multiemployer pension plan” (as such term is defined in Section 3(37) of ERISA) or a plan that has two or more contributing sponsors at least two of whom are not under common control, within the meaning of Section 4063 of ERISA; (vii) all material contributions or other material amounts payable by the Companies or any of their Subsidiaries with respect to each Company Benefit Plan in respect of current or prior plan years have been paid or accrued in accordance with generally accepted accounting principles; (viii) neither the Companies nor any of their Subsidiaries has engaged in a transaction in connection with which the Companies or any of their Subsidiaries reasonably could be subject to either a material civil penalty assessed pursuant to Section 409 or 502(i) of ERISA or a material tax imposed pursuant to Section 4975 or 4976 of the Code; and (ix) there is no pending, threatened or anticipated claim (other than routine claims for benefits) by, on behalf of or against any of the Company Benefit Plans or any trusts related thereto which could reasonably be expected to result in any material liability of the Companies or any of their Subsidiaries and, to the knowledge of Seller, there is no existing condition, situation or set of circumstances which could reasonably be expected to result in such a claim. Each Company Benefit Plan that is a “nonqualified deferred compensation plan” within the meaning of Section 409A(d)(1) of the Code and any award thereunder, in each case that is subject to Section 409A of the Code has been operated in compliance in all material respects with Section 409A of the Code since January 1, 2005, based upon a good faith, reasonable interpretation of (A) Section 409A of the Code and (B)(1) the proposed and final Treasury Regulations issued thereunder and (2)

Internal Revenue Service Notice 2005-1, all subsequent Internal Revenue Service Notices and other interim guidance on Section 409A of the Code.

(c) Neither the Companies nor any of their Subsidiaries will, on and after the Closing, have any liabilities or obligations for any Company Benefit Plan which is not an Assumed Plan or a LFG Deferred Compensation Plan. For the avoidance of doubt, the LandAmerica Financial Group, Inc. Cash Balance Plan is not an Assumed Plan.

(d) Neither the execution or delivery of this Agreement nor the consummation of the transactions contemplated by this Agreement will, either alone or in conjunction with any other event, (i) result in any material payment or benefit becoming due or payable, or required to be provided, to any director, employee or independent contractor of the Companies or any of their Subsidiaries or to such individuals in the aggregate, (ii) materially increase the amount or value of any benefit or compensation otherwise payable or required to be provided to any such director, employee or independent contractor, (iii) result in the acceleration of the time of payment, vesting, exercisability or funding of any such benefit or compensation, (iv) result in any material limitation on the right of the Companies or any of their Subsidiaries to amend, merge or terminate any Company Benefit Plan or related trust, or (v) be considered a change in control for any purpose under any Company Benefit Plan or related trust. No Company Benefit Plan provides for (A) the reimbursement of excise Taxes under Section 4999 of the Code or any income Taxes under the Code or (B) payments that would be non-deductible under Code Sections 162(m) or 280G.

(e) No labor organization or group of employees of the Companies or any of their Subsidiaries has made a pending demand for recognition or certification, and there are no representation or certification proceedings or petitions seeking a representation proceeding presently pending or threatened to be brought or filed, with the National Labor Relations Board or any other labor relations tribunal or authority. There are no material organizing activities, strikes, work stoppages, slowdowns, lockouts, arbitrations or grievances, or other material labor disputes pending or threatened against or involving Companies or any of their Subsidiaries. Each of the Companies and its Subsidiaries is in compliance in all material respects with all applicable laws and collective bargaining agreements respecting employment and employment practices, terms and conditions of employment, wages and hours and occupational safety and health.

(f) The Companies do not maintain any material Company Benefit Plans (i) outside of the U.S. or (ii) for the benefit of any individual whose principal place of employment is outside of the U.S.

(g) “Controlled Group Liability” means any and all liabilities (i) under Title IV of ERISA, (ii) under Section 302 of ERISA, (iii) under Sections 412 and 4971 of the Code, and (iv) as a result of a failure to comply with the continuation coverage requirements of Section 601 et seq. of ERISA and section 4980B of the Code.

(h) “ERISA Affiliate” means any entity if it would have ever been considered a single employer with the Companies under ERISA Section 4001(b) or part of the same “controlled group” as either Company for purposes of ERISA Section 302(d)(8)(C) or Code

Sections 414(b) or (c) or a member of an affiliated service group for purposes of Code Section 414(m).

Section 3.12 Compliance with Applicable Law. (a) The Companies and their respective Subsidiaries hold all licenses, franchises, permits and authorizations necessary for the lawful conduct of their respective businesses under and pursuant to each, and except as Publicly Disclosed have complied in all respects with and are not in default in any respect under any, Law applicable to the Companies or any of their Subsidiaries.

(b) Each Company and each of its Subsidiaries has properly administered all accounts for which it acts as a fiduciary, including accounts for which it serves as a trustee, agent, custodian, personal representative, guardian, or conservator in accordance with the terms of the governing documents and applicable Law. None of the Companies, any of their Subsidiaries, or any director, officer or employee of the Companies or of any of their Subsidiaries has committed any breach of trust or fiduciary duty with respect to any such fiduciary account and the accountings for each such fiduciary account are true and correct and accurately reflect the assets of such fiduciary account.

Section 3.13 Certain Contracts. (l) make, change or revoke any material election related to Taxes (unless required by applicable Law), settle or compromise any material Tax liability or agree to any material adjustment of any Tax attribute, enter into any closing agreement related to Tax, consent to any extension or waiver of the limitations period applicable to any Tax claim or assessment, or change any taxable period or any Tax accounting method, fail to file any Tax Return when due or fail to cause such Tax Returns when filed to be complete and accurate in all material respects;

(m) file or amend any material Tax Return, make or change any material Tax election, or settle or compromise any material Tax liability, in each case, other than in the ordinary course of business or as required by law;

(n) make any capital expenditure in excess of \$250,000 in the aggregate or enter into any contract or commitment therefor;

(o) enter into any contract for the purchase, sale or lease of real property;

(p) fail to keep in force bonds or insurance policies or replacement or revised provisions providing insurance coverage with respect to the assets, operations and activities of the Companies or any of their Subsidiaries as currently in effect; or

(q) agree to take, make any commitment to take, or adopt any resolutions of its board of directors in support of, any of the actions prohibited by, or any material action in furtherance of any of the actions prohibited by, this [Section 5.2](#).

[Section 5.3 Buyer Forbearances](#). Except as expressly permitted by this Agreement or with the prior written consent of Seller or the Companies, during the period from the date of this Agreement to the Closing Date, each Buyer shall not, and shall not permit any of its Subsidiaries to, take any action that would, or willfully fail to take any action that is intended to, result in any of the conditions set forth in [Article VI](#) not being satisfied.

[Section 5.4 Access to Information](#). (a) Upon reasonable notice and subject to applicable laws relating to the confidentiality of information, Seller shall cause the Companies and each of their Subsidiaries to, afford to the officers, employees, accountants, counsel, advisors, agents and other Representatives of Buyers, reasonable access, during normal business hours during the period prior to the Closing Date, to all its personnel, properties, books, contracts, commitments and records, and, during such period, the Companies shall, and shall cause each of their Subsidiaries to, make available to each Buyer and its Representatives (i) a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of insurance laws (other than reports or documents that such party is not permitted to disclose under applicable law) and (ii) all other information concerning its business, operations, properties and personnel as Buyers may reasonably request. Neither the Companies, nor any of their Subsidiaries, shall be required to provide access to or to disclose information where such access or disclosure would jeopardize the attorney-client privilege of such party or contravene any law, rule, regulation, order, judgment, decree, fiduciary duty or binding agreement (provided, Seller shall cause the Companies to use reasonable best efforts to obtain waivers thereof upon request by a Buyer) entered into prior to the date of this Agreement. The parties shall make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply.

(b) All information and materials provided pursuant to this Agreement shall be subject to the provisions of the Confidentiality Agreement.

[Section 5.5 Notices of Certain Events](#). Buyers and Seller shall promptly advise the other of any change or event (i) having or reasonably likely to have a Material

Adverse Effect on Buyers or the Companies, respectively, or (ii) that it believes would or would be reasonably likely to cause or constitute a material breach of any of its representations, warranties or covenants contained in this Agreement; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties (or remedies with respect thereto) or the conditions to the obligations of the parties under this Agreement; and provided further that a failure to comply with this Section 5.5 shall not constitute a breach of this Agreement or the failure of any condition set forth in Article VI to be satisfied unless the underlying Material Adverse Effect or material breach would independently result in the failure of a condition set forth in Article VI to be satisfied.

Section 5.6 Pre-Closing Arrangements. Buyers and Seller shall enter into, concurrently herewith, the Transition Services Agreement, the form of which is attached hereto as Exhibit B. Except as set forth in Section 3.21 of the Company Disclosure Schedule or identified by Buyers immediately prior to Closing and set forth on Schedule 1.1(a)(iii) of the Transition Services Agreement, all of the intercompany arrangements between Seller and its Subsidiaries and Affiliates (other than the Companies and their Subsidiaries), on the one hand, and any of the Companies or their Subsidiaries, on the other hand, including those agreements listed in Section 3.21 of the Company Disclosure Schedule, will be terminated immediately prior to the Closing and all intercompany balances previously disclosed to Buyers between Seller and its respective Affiliates (other than the Companies and their Subsidiaries), on the one hand, and any of the Companies or their Subsidiaries, on the other hand, other than as set forth in Section 5.7(k), will be paid in full and settled immediately prior to the Closing; provided, that all intercompany Tax amounts shall be settled in accordance with Article VIII hereof; and provided further that nothing in this Section 5.6(a) is intended to terminate (A) any title insurance agency arrangement, (B) any service agreements with Data Trace with respect to title plants or (C) any other intercompany arrangement or agreement identified on Schedule 1.1(a)(iii) to the Transition Services. Effective as of the Closing, Seller shall cause the Companies and, if applicable, their Subsidiaries to release and forgive Seller and its Affiliates, and to waive and void for all purposes relating to the obligations of Sellers and its Affiliates, the intercompany amounts being assumed pursuant to Section 5.7(k).

(b) Intentionally Omitted.

(c) Prior to Closing, Seller shall cause Commonwealth to distribute to Seller all the outstanding shares of Napa Land Title Company, a California corporation (the "Napa Dividend").

(d) Notwithstanding any other provisions of this agreement, Buyers are not acquiring any "title plants" (as that term is used in *In re Fidelity National Financial, Incorporated*, FTC Docket C-3929 (Feb. 17, 2000)) serving any of the California counties of Merced, Napa, San Benito, Tehama, Yolo, or San Luis Obispo, and any such items shall be distributed to Seller prior to the Closing.

(e) The Transition Services Agreement shall constitute a "Seller Ancillary Document."

(f) Prior to the Closing Date, Seller shall take all actions necessary so that each Company Benefit Plan which is a nonqualified deferred compensation plan (including for the avoidance of doubt each LFG Deferred Compensation Plan), and the trust established pursuant to each such Company Benefit Plan, is amended to provide that neither the execution and delivery of the Stock Purchase Agreement nor the consummation of any of the transactions contemplated hereby, either alone or in conjunction with any other event, requires the funding of any such plan or trust.

Section 5.7 Regulatory Matters. (a) Subject to the terms and conditions of this Agreement, each party will use its reasonable best efforts to take, or cause to be taken, all actions, to file, or cause to be filed, all documents and to do, or cause to be done, all things necessary, proper or advisable to consummate the transactions contemplated by this Agreement, including preparing and filing as promptly as practicable all documentation to effect all necessary filings, consents, waivers, approvals, authorizations, permits or orders from all third parties and Governmental Entities.

(b) Each of Buyers and Seller shall, upon request, furnish to the other all information concerning itself (or in the case of Seller, the Companies), its Subsidiaries, directors, officers and shareholders and such other matters as may be reasonably necessary or advisable in connection with any statement, filing, notice or application made by or on behalf of Buyers, Seller, the Companies, or any of their respective Subsidiaries to any Governmental Entity in connection with the transactions contemplated by this Agreement.

(c) In furtherance and not in limitation of the foregoing, each party hereto agrees to make or cause to be made an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the transactions contemplated by this Agreement as promptly as practicable after the date hereof (and in any event within 5 business days) and to make, or cause to be made, the filings and authorizations, if any, required under any other Regulatory Laws as promptly as reasonably practicable after the date hereof and to supply as promptly as reasonably practicable any additional information and documentary material that may be requested pursuant to the HSR Act and to take or cause to be taken all other actions necessary, proper or advisable consistent with this Section 5.7 to cause the expiration or termination of the applicable waiting periods, or receipt of required authorizations, as applicable, under the HSR Act or any other Regulatory Laws as soon as practicable. In furtherance and not in limitation of the foregoing, the parties shall request and shall use reasonable best efforts to obtain early termination of the waiting period under the HSR Act.

(d) Each of Buyers, on the one hand, and Seller and the Companies, on the other hand, shall, in connection with the efforts referenced in Section 5.7(c) to obtain all requisite approvals and authorizations for the transactions contemplated by this Agreement, use its reasonable best efforts to (i) cooperate in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party; (ii) subject to applicable legal limitations and the instructions of any Governmental Entity, keep the other party reasonably informed of any communication received by such party from, or given by such party to, the Federal Trade Commission (the “FTC”), the Antitrust Division of the Department of Justice (the “DOJ”) or any other Governmental Entity and of any communication received or given in connection with any

proceeding by a private party, in each case regarding any of the transactions contemplated hereby; and (iii) subject to applicable legal limitations and the instructions of any Governmental Entity, permit the other party to review in advance any communication (provided that the parties may redact references to the value of this transaction or alternatives to this transaction) to be given by it to, and consult with each other in advance of any meeting or conference with, the FTC, the DOJ or any other Governmental Entity or, in connection with any proceeding by a private party, with any other person, and to the extent permitted by the FTC, the DOJ or such other applicable Governmental Entity or other person, give the other party the opportunity to attend and participate in such meetings and conferences.

(e) In furtherance and not in limitation of the covenants of the parties contained in Sections 5.7(c) and 5.7(d), if any objections are asserted with respect to the transactions contemplated hereby under any Law or if any suit is instituted (or threatened to be instituted) by the FTC, the DOJ or any other applicable Governmental Entity or any private party challenging any of the transactions contemplated hereby as violative of any Law or which would otherwise prevent, materially impede or materially delay the consummation of the transactions contemplated hereby, each of Buyers, on the one hand, and Seller and the Companies, on the other hand, shall use their reasonable best efforts to (x) take, or cause to be taken, all other actions and (y) do, or cause to be done, all other things necessary, proper or advisable to consummate and make effective the transactions contemplated hereby, including taking all such further action as may be necessary to resolve such objections, if any, as the FTC, the DOJ, state antitrust enforcement authorities or competition authorities of any other nation or other jurisdiction may assert under any Law with respect to the transactions contemplated hereby, and to avoid or eliminate each and every impediment under any Law that may be asserted by any Governmental Entity with respect to the transactions contemplated by this Agreement so as to enable the Closing to occur as soon as reasonably practicable (and in any event no later than the End Date), in each case as may be required in order to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order in any suit or proceeding which would otherwise have the effect of preventing the Closing or delaying the Closing beyond the End Date; provided that neither the Companies nor any of their Subsidiaries shall become subject to, or consent or agree to or otherwise take any action with respect to, any requirement, condition, understanding, agreement or order of a Governmental Entity to sell, to hold separate or otherwise dispose of, or to conduct, restrict, operate, invest or otherwise change the assets or business of the Companies or any of their Affiliates, unless such requirement, condition, understanding, agreement or order is binding on the Companies only in the event that the Closing occurs. Notwithstanding anything to the contrary in this Section 5.7 or elsewhere in this Agreement, Buyers shall not be required to agree to or accept (but in their discretion may agree to or accept), and Seller shall not, and shall not permit the Companies, without the prior written consent of Buyers, to, agree to or accept, unless requested to do so by Buyers (subject to the proviso to the immediately preceding sentence) any condition sought by any Governmental Entity or other person in connection with any consent or approval required to complete or otherwise in connection with the transactions contemplated by this Agreement that (A) seeks to prohibit or limit in any material respect the ownership or operation by the Companies, their Subsidiaries, either Buyer or any of their Affiliates of the business or assets of any of them, or to compel the Companies or either Buyer or any of their Affiliates to dispose of or hold separate any significant portion of their business or assets as a result of the transactions contemplated hereby, (B) seeks to impose limitations on the ability of either Buyer to acquire, hold, or exercise

full rights of direct or indirect ownership of the Companies or any of their Subsidiaries, including the right to vote the capital stock of the Companies on all matters properly presented to the shareholders of the Companies and the rights to declare or pay dividends on any capital stock of the Companies or any of their Subsidiaries, (C) seeks to prohibit either Buyer or any of its Subsidiaries from effectively controlling in any material respect the business or operations of such Buyer, the Companies or any of their respective Subsidiaries and their Affiliates, (D) would individually or in the aggregate reasonably be expected to significantly and adversely affect the benefits, taken as a whole, that either Buyer reasonably expects to derive from the consummation of the transactions contemplated by this Agreement or (E) would individually or in the aggregate reasonably be expected to significantly and adversely affect the business, financial condition or results of operations of the Companies and their Subsidiaries, taken as a whole.

(f) Subject to Section 5.7(e), in the event that any administrative or judicial action or proceeding is instituted (or threatened to be instituted) by a Governmental Entity or private party challenging the transaction contemplated by this Agreement, or any other agreement contemplated hereby, Seller and Buyers each shall cooperate in all respects with each other and use its respective reasonable best efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the transactions contemplated by this Agreement.

(g) Each of Buyers and Seller and the Companies shall promptly advise the other upon receiving any communication from any Governmental Entity the consent or approval of which is required for consummation of the transactions contemplated by this Agreement that causes such party to believe that there is a reasonable likelihood that any requisite Regulatory Approval will not be obtained or that the receipt of any such approval may be materially delayed.

(h) In furtherance and not in limitation of the covenants of the parties contained in Sections 5.7(a), (d), (e) or (f), with respect to the consents, waivers, approvals, authorizations and permits sought to be obtained from third parties (other than from Governmental Entities) ("Third Party Consents"), the costs paid to any third party with respect to Third Party Consents shall be borne 50% by Seller and 50% by Buyers. To the extent that a party seeking a Third Party Consent is unable to obtain such Third Party Consent for anything necessary, proper or advisable to consummate the transactions contemplated by this Agreement, such party shall obtain acceptable alternative arrangements, with the other party's participation, cooperation and approval; provided, that the costs paid to any third party with respect to obtaining any acceptable alternative arrangement shall be borne 50% by Seller and 50% by Buyers; provided further, that this obligation shall survive Closing.

(i) As used in this Agreement, the term "Regulatory Laws" means any Law enacted by any Governmental Entity relating to antitrust matters, insurance, or regulating competition.

(j) As used in this Agreement, the term "Law" means applicable statutes, common laws, rules, ordinances, regulations, codes, orders, judgments, injunctions, writs, decrees, governmental guidelines or interpretations having the force of law or bylaws, in each case, of a Governmental Entity.

(k) Buyers require as a condition to completion of the transactions contemplated hereby that the Nebraska Department of Insurance and, if applicable, the California Department of Insurance and the Final Approval Order confirm that the intercompany receivables on the balance sheets of the Companies continue to be counted as an admitted asset (the “Asset Approval”). In order to accomplish this result, at the Closing, pursuant to an assumption agreement in a form mutually agreed, FNF will assume the obligation with respect to the intercompany receivables due from Seller or its Subsidiaries to LTIC, UCTIC and to Commonwealth, which intercompany receivables are, in each case, set forth on Section 5.7(k) of the Company Disclosure Schedule. Seller covenants that the amount of such intercompany receivables at Closing shall not exceed the amount set forth on such Section 5.7 of the Company Disclosure Schedule. Seller shall not, and shall not cause its Subsidiaries to, take actions for the purpose of increasing the amount of the intercompany receivables, and any inflows and outflows among Seller, the Companies and their respective Subsidiaries shall be effected in the ordinary course of business.

Section 5.8 Employees.

(a) For all purposes (including purposes of vesting, eligibility to participate and level of benefits) under each employee benefit plan maintained by Buyers or any of their Subsidiaries, Buyers shall cause such employee benefit plan to recognize the service of each employee who is actively employed by the Companies and their Subsidiaries on the Closing Date (collectively, the “Covered Employees”) to the same extent such service was recognized immediately prior to the Closing Date under a comparable Company Benefit Plan in which such Covered Employee was eligible to participate immediately prior to the Closing Date; provided that the foregoing shall not apply with respect to benefit accrual under defined benefit pension plans or to the extent such operation would result in a duplication of benefits for a Covered Employee with respect to the same period of service or to the extent such period of service is not recognized under the applicable Buyer employee benefit plan for its similarly situated employees. In addition, and without limiting the generality of the foregoing, (i) each Covered Employee shall be immediately eligible to participate, without any waiting time, in any and all employee benefit plans maintained by Buyers or any of their Subsidiaries to the extent coverage under such plans is comparable to, and a replacement for, a Company Benefit Plan in which such Covered Employee participated immediately before the consummation of the transactions contemplated by this Agreement, and (ii) with respect to any health, dental, vision or other welfare plans of Buyers or any of their Subsidiaries (other than the Companies and their Subsidiaries) in which any Covered Employee is eligible to participate for the plan year in which such Covered Employee is first eligible to participate, Buyers shall use their reasonable best efforts to (x) cause any pre-existing condition limitations or eligibility waiting periods under such Buyer or Subsidiary plan to be waived with respect to such Covered Employee, to the extent such limitation would have been waived or satisfied under the Company Benefit Plan in which such Covered Employee participated immediately prior to the Closing Date, and (y) recognize any health, dental or vision expenses incurred by such Covered Employee in the plan year that includes the Closing Date for purposes of any applicable deductible and annual out-of-pocket expense requirements under any such health, dental or vision plan of Buyers or any of their Subsidiaries.

(b) The Covered Employees shall remain covered through the date that is 60 days after Closing Date (or a shorter period after the Closing Date, at Buyers' option) under the Seller's health and welfare plans that provided health, dental and vision benefits to such Covered Employees immediately prior to the Closing Date (the "LFG Health Plans") (the date through which the Covered Employees remain covered by the LFG Health Plans, the "Coverage Cut-Off Date"), immediately following which the Covered Employees shall be covered by the health and welfare plans maintained by Buyers and their Subsidiaries pursuant to Section 5.8(a) of this Agreement. Buyers shall cause the Companies to pay to Seller the amount of covered health, dental and vision claims incurred by the Covered Employees through the Coverage Cut-Off Date to the extent such claims are not paid as of the Closing Date, less Covered Employee premiums actually paid to Seller on and after the Closing Date or paid to Buyers or the Companies and transferred to Seller on and after the Closing Date. In no event shall the operation of this Section 5.8(b) result in duplication of payments in respect of an obligation under this Section 5.8(b).

(c) Effective as of the Closing Date, FNF or its designee (which shall be one of the Companies or another wholly-owned subsidiary of FNF) shall assume sponsorship of, and all obligations under, the Company Benefit Plans set forth on Section 5.8(c) of the Company Disclosure Schedule (the "LFG Deferred Compensation Plans"). Prior to the Closing Date, Seller and FNF shall take any and all actions required such that, effective as of the Closing, FNF or its designee (which shall be one of the Companies or another wholly-owned subsidiary of FNF) shall (i) (A) assume sponsorship of, and all obligations under, the LFG Deferred Compensation Plans, and (B) discharge all obligations under such LFG Deferred Compensation Plans, (ii) be the grantor and the "Company" under each rabbi trust (the "Rabbi Trusts") established in connection with the LFG Deferred Compensation Plans of which Seller is the current grantor, such that the assets in the Rabbi Trusts will be available for the payment of benefits under the LFG Deferred Compensation Plans, and (iii) be the owner of all corporate owned life insurance policies purchased as a funding source for the LFG Deferred Compensation Plans.

(d) At or prior to Closing, Seller shall vest, or cause to be vested, each Covered Employee in all Company Benefit Plans which are not Assumed Plans, including but not limited to any equity awards.

(e) Notwithstanding any provision in any agreement by and between Seller or any of its Affiliates and Buyers or any of their Affiliates, each Buyer or any of its Affiliates may make offers of employment on such terms as it shall determine to be effective on or after the Closing Date to any employees of Seller and its Affiliates which employees primarily provide services to the Companies or any of their Subsidiaries, including, but not limited to, the seven personnel currently managing the Dallas Data Center facility located at 2201 W Plano Parkway, Plano, Texas. Further, Buyers may assume the real estate and equipment leases in respect of the foregoing facility dedicated to serving the Company, subject to the receipt of any third party waiver, consent or approval and subject to any required approval by the Chapter 11 Court.

(f) From and after the Closing Date, (i) Buyers or their Affiliates shall (x) assume, or cause the Companies to continue, as the case may be, sponsorship of, and all liabilities under, each Assumed Plan and (y) assume or discharge all obligations under such Assumed Plans as of the Closing Date and (ii) Buyers shall, or shall cause their Subsidiaries to,

honor, in accordance with the terms thereof as in effect as of the date hereof or as may be amended after the date hereof (i) with the prior written consent of Buyers or (ii) as permitted pursuant to Section 5.2(c) of this Agreement, each Assumed Plan.

(g) Nothing in this Section 5.8 shall be construed to limit the right of Buyers or any of their Subsidiaries (including, following the Closing Date, the Companies and their Subsidiaries) to amend or terminate any Assumed Plan or other employee benefit plan, to the extent such amendment or termination is permitted by the terms of the applicable plan, nor shall anything in this Section 5.8 be construed to prohibit the Buyers or any of their Subsidiaries (including, following the Closing Date, the Companies and their Subsidiaries) from terminating the employment of any particular Covered Employee following the Closing Date.

(h) Without limiting the generality of Section 10.8, the provisions of this Section 5.8 are solely for the benefit of the parties to this Agreement, and no current or former employee, director or independent contractor or any other individual associated therewith shall be regarded for any purpose as a third-party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any Company Benefit Plan or other employee benefit plan for any purpose.

(i) From and after the date hereof, notwithstanding any other provision of this Agreement, in no event shall the Companies or their Subsidiaries indemnify or reimburse Seller or any of its Subsidiaries or Affiliates (other than the Companies or their Subsidiaries) in respect of any severance or change of control benefits payable by Seller or any such Subsidiaries and Affiliates (other than benefits payable by the Companies and their Subsidiaries, with respect to which Seller and its Subsidiaries shall not be responsible), under any existing cost-reimbursement arrangement or otherwise. For purposes of this provision, Seller's Subsidiaries shall not include the Companies and its Subsidiaries.

(j) Notwithstanding anything to the contrary in the Confidentiality Agreement or otherwise, following the date hereof Buyers and their Affiliates shall be permitted to discuss with (i) employees of the Companies and their Subsidiaries their continued employment with the Companies and their Subsidiaries or with Buyers or their other Affiliates following the Closing, (ii) with agents their continued roles with the Companies and their Subsidiaries or with Buyers or their other Affiliates following the Closing, and (iii) with customers the transactions contemplated hereby, and in each case to provide them assurances with respect thereto; provided, that this provision will not allow Buyers or their Affiliates to hire any such employee unless and until the Closing occurs.

(k) Seller shall cause the enrolled actuary (the "Plan Actuary") for the LandAmerica Cash Balance Plan (the "Cash Balance Plan") to calculate the benefit obligation under the Cash Balance Plan as of a date not more than five business days prior to the Closing Date (such date, the "Calculation Date"), such benefit obligation to be the sum of (i) the amount of the cash balance account as of the Calculation Date in respect of each Cash Balance Plan participant who is, on the Calculation Date, or could be following the Calculation Date, entitled to receive Cash Balance Plan benefits in the form of a lump sum, plus (ii) the aggregate benefit obligation in respect of all Cash Balance Plan participants not described in the preceding clause (i), computed on an accounting (ongoing) basis (not on a termination basis) using the same

methodology utilized to determine the “benefit obligation at end of year” in Seller’s Form 10-K for the year ended December 31, 2007; provided that the interest rate used to make such calculation shall be the prevailing interest rate used by Mercer (the Cash Balance Plan’s enrolled actuary) as of the Calculation Date to compute benefit obligations of defined benefit plans of its clients generally (the amount of such benefit obligation calculated hereunder, the “Current Benefit Obligation”). In the event that the Current Benefit Obligation exceeds the market value of the LandAmerica Cash Balance Plan’s assets on the Calculation Date (such excess, if any, the “Funding Amount”), upon the Closing, Seller shall contribute to the LandAmerica Cash Balance Plan from the Purchase Price proceeds an amount equal to the Funding Amount. In such event, Buyers shall be entitled to fund these amounts on behalf of Seller directly to the Cash Balance Plan from the Purchase Price. For the avoidance of doubt, the Chapter 11 Court Order shall require such funding, if any, on the part of Seller. In addition, Seller agrees that, prior to the Closing, it shall not take action or initiate any proceeding to terminate the Cash Balance Plan.

Section 5.9 Certain Transfers and Licenses.

(a) Rights in Certain Trademarks and Contracts. Prior to or at the Closing or as promptly as practicable thereafter, and subject to the receipt of any third party waiver, consent or approval and subject to any required approval by the Chapter 11 Court, Seller shall transfer or assign, or cause to be transferred or assigned to the Companies and their Subsidiaries (i) all Intellectual Property owned by Seller or its Subsidiaries or Affiliates (other than the Companies and their Subsidiaries) that is used solely in the businesses of the Companies and their Subsidiaries, (ii) all rights in and to the name “Commonwealth,” “United Title,” “Lawyers Title” and any of the names and trademarks set forth on Section 5.9(a)(ii) of the Company Disclosure Schedule owned by Seller or its Subsidiaries or Affiliates (other than the Companies and their Subsidiaries), (iii) each contract, arrangement, commitment or understanding to which Seller or its Subsidiaries or Affiliates (other than the Companies and their Subsidiaries) is a party that relates to the use of Intellectual Property solely in connection with the businesses of the Companies and their Subsidiaries; and (iv) any contract, arrangement, commitment or understanding set forth on Section 5.9(a)(iv) of the Company Disclosure Schedule. Such transfers shall be at no additional cost to Buyer, the Companies or their respective Subsidiaries and Affiliates. For the avoidance of doubt, none of the Intellectual Property set forth on Section 5.9(a)(v) of the Company Disclosure Schedule nor rights in the words “LandAmerica” nor derivatives thereof nor the LandAmerica logo nor derivatives thereof shall be transferred or assigned to the Companies or their Subsidiaries.

(b) License to Certain Trademarks. Effective as of the Closing Date, Seller and its Subsidiaries and Affiliates (other than the Companies and their Subsidiaries), shall grant to the Companies and their Subsidiaries (each a “Company Licensed Party” and together the “Company Licensed Parties”) a worldwide, royalty-free, fully paid up, non-exclusive, sublicenseable to Affiliates of Buyers (on multiple levels), non-transferable (except as set forth herein) right and license to use all Trademarks owned by Seller or its Subsidiaries or Affiliates (other than the Companies and their Subsidiaries) and used in the businesses of the Companies and their Subsidiaries as of the date hereof, including those on Section 5.9(a)(v) of the Company Disclosure Schedule (“Seller Trademarks”) on any materials that prior to Closing included any Seller Trademarks, including signage, advertising, promotional materials, software, packaging, inventory, electronic materials, collateral goods, stationery, business cards, web sites, invoices,

receipts, forms, product, training and service literature and materials and other materials (“Materials”) in connection with the respective businesses of a Company Licensed Party for (x) a period of 180 days following the Closing Date for such Materials that do not require approvals from any Governmental Entity to be modified; and (y) the period of time following the Closing Date until 180 days after all applicable Governmental Entities have granted the Licensed Parties approval to modify Materials that require such approvals to be modified; provided, that the applicable Company Licensed Party use commercially reasonable efforts to obtain such approvals from the applicable Governmental Entities as promptly as possible after the Closing Date. Subject to applicable Law, the Company Licensed Parties’ use of the Seller Trademarks during the applicable term as set forth in this Section 5.9(b) shall be only with Seller’s prior written consent (which consent is deemed given for all uses of the Seller Trademarks as they are used in the businesses of the Companies and their Subsidiaries as of the date hereof). No Company Licensed Party shall be required to remove or replace any Seller Trademarks from any Materials that were distributed prior to Closing or during the term of the license set forth in this Section 5.9(b).

(c) License to Certain Owned Intellectual Property. Effective as of the Closing Date, Seller and its Subsidiaries and Affiliates (other than the Companies and their Subsidiaries), shall grant to the Company Licensed Parties a perpetual, irrevocable, worldwide, royalty-free, fully paid-up, non-exclusive, sublicenseable to Affiliates of Buyers (on multiple levels) right and license, in and to all Intellectual Property owned by Seller and its Affiliates immediately following the Closing Date (other than Seller Trademarks), that is or was used in or in connection with any of the respective businesses of the Company Licensed Parties and that is embedded in the systems or Intellectual Property of the Companies or their Subsidiaries, for use in and in connection with the respective businesses of such Company Licensed Parties. The foregoing license shall be fully transferable, but only in connection with the sale of such systems or Intellectual Property of the Companies.

Section 5.10 Possible Transfer of Certain Assets.

(a) Southland Assets. The parties acknowledge that it may be economically efficient and optimal if the assets owned by Seller or its Affiliates or Subsidiaries known as “Southland” (the “Southland Assets”) were joined with the businesses conducted and assets owned by the Companies and their Subsidiaries. Accordingly, on or before the Closing, Seller shall provide Buyers with a detailed description of the Southland Assets. At the sole election of Buyers, the parties shall negotiate to provide for the transfer or assignment (by Seller or its applicable Affiliates) of the Southland Assets (and the assumption of the related liabilities) to Buyers or one of their Subsidiaries or Affiliates, as directed by Buyers, for consideration to be mutually agreed. The parties will act in good faith to determine if Schedule 1.1(a)(i) or Schedule 1.1(a)(ii) or both of the Transition Services Agreement should be modified to include any Corporate Services (as defined in the Transition Services Agreement) necessary to support the Southland Assets and, if so, amend the applicable schedules thereto and provide the necessary Corporate Services in accordance with the Transition Services Agreement. The foregoing shall be subject to receipt of any necessary approval by the Chapter 11 Court.

(b) Other Assets. The parties acknowledge that it may be economically efficient and optimal if certain other businesses owned by Seller or its Affiliates or Subsidiaries

(other than the Companies and their Subsidiaries) that are tangential (but integral) to the title business (e.g., production resources and claims services) (the “Other Assets”) were joined with the businesses conducted and assets owned by the Companies and their Subsidiaries. Accordingly, on or before the Closing, Seller shall provide Buyers with a detailed description of the Other Assets. At the sole election of Buyers, the parties shall negotiate to provide for the transfer or assignment (by Seller or its applicable Affiliates) of the Other Assets (and the assumption of the related liabilities) to the Companies, Buyers or one of its or their Subsidiaries or Affiliates, as directed by Buyers, for consideration to be mutually agreed. The parties will act in good faith to determine if Schedule 1.1(a)(i) or Schedule 1.1(a)(ii) or both of the Transition Services Agreement should be modified to include any Corporate Services necessary to support the Other Assets and, if so, amend the applicable schedules thereto and provide the necessary Corporate Services in accordance with the Transition Services Agreement. The foregoing shall be subject to receipt of any necessary approval by the Chapter 11 Court.

(c) Transfer of Certain Software. On or before the conclusion of the term of the Transition Services Agreement, and subject to the receipt of any third party waiver, consent or approval and subject to any required approval by the Chapter 11 Court, at Buyers’ option and in Buyers’ sole discretion, Seller shall transfer or assign (or cause to be transferred and assigned) to the Buyers or the Companies or their Subsidiaries any third party software licenses or any hardware owned by or licensed to Seller or its Subsidiaries or Affiliates (other than the Companies and their Subsidiaries) that is primarily used in the operation of the businesses by Companies or their Subsidiaries; to the extent that there are any costs payable to a third party to consent to such transfer or assignment, such costs shall be borne by Buyers. Such transfers or assignments, with respect to Seller or its Subsidiaries or Affiliates, shall be at no additional costs to Buyers, the Companies or their Subsidiaries. With respect to third party software licenses or hardware that is primarily used by Seller or its Subsidiaries or Affiliates in the operation of their businesses and that is also used in the operation of the businesses of the Companies and their Subsidiaries, Seller will notify Buyers as promptly as practicable after the date of this Agreement and the parties shall work together to determine whether the parties can continue to jointly use such software and hardware upon Closing; if such software or hardware cannot be jointly used upon Closing, then, at Buyers’ sole option and in Buyers’ sole discretion, the parties shall obtain alternative sources therefor as of the Closing or Seller shall provide such software or hardware as a Transition Services Agreement, subject to Section 5.7(h) of this Agreement. Notwithstanding the foregoing, it is the stated intention of the parties that Buyers or the Companies or their Subsidiaries shall obtain, either by transfer or assignment from Seller or its Subsidiaries or Affiliates or from other sources acceptable to Buyers in their sole discretion, all third party software licenses or any hardware that are primarily used in the operation of the businesses by the Companies and their Subsidiaries or that are material to the operation of the businesses of the Companies and their Subsidiaries.

(d) Transfer of Other Agreements. On or before the conclusion of the term of the Transition Services Agreement, and subject to the receipt of any third party waiver, consent or approval and subject to any required approval by the Chapter 11 Court, at Buyers’ option and in Buyers’ sole discretion, Seller shall transfer or assign (or cause to be transferred and assigned) to Buyers or its Subsidiaries or Affiliates any third party agreement or third party service other than those subject to Section 5.10(c) (including, by way of example, agency agreements, if any) entered into or received by Seller or its Subsidiaries or Affiliates that is primarily used in the

operation of the businesses by the Companies and their Subsidiaries; to the extent that there are any costs payable to a third party to consent to such transfer or assignment, such costs shall be borne by Buyers. With respect to any agreement or third party service that is primarily used by Seller or its Subsidiaries or Affiliates in the operation of their businesses that is also used in the operation of the businesses of the Companies and their Subsidiaries, Seller will notify Buyers as promptly as practicable after the date of this Agreement and the parties shall work together to determine whether the Parties can continue to jointly use such agreement or third party service upon Closing; if such agreement or third party service cannot be jointly used upon Closing, then, at Buyers' sole option and in Buyers' sole discretion, the parties shall obtain alternative sources therefor as of Closing or Seller shall provide the benefits of such agreement or such third party service as a Transition Service, subject to Section 5.7(h) of this Agreement. Notwithstanding the foregoing, it is the stated intention of the parties that Buyers or the Companies or their Subsidiaries shall obtain, either by transfer or assignment from Seller or its Subsidiaries or Affiliates or from other sources acceptable to Buyers in their sole discretion, all third agreements and third party services that are primarily used in the operation of the businesses by the Companies and their Subsidiaries or that are material to the operation of the businesses of the Companies and their Subsidiaries.

Section 5.11 Certain Bankruptcy Provisions.

(a) Within one day after execution and delivery hereof, Seller shall file a petition for relief under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code") in the U.S. Bankruptcy Court for the Eastern District of Virginia or such other forum as Buyers may agree (the "Chapter 11 Court"). Seller shall use its reasonable best efforts to obtain the entry of an order, in form and substance reasonably acceptable to the Buyers, approving the sale of the Shares to Buyers pursuant to the terms of this Agreement and the consummation of the other transactions contemplated hereby (other than any transfers or assignments of assets or agreements contemplated to occur after the Closing or the sale of the Southland Assets and the Other Assets) (the "Chapter 11 Court Order") as promptly as possible following the filing of Seller's bankruptcy petition. Seller shall schedule its first hearing date before the Chapter 11 Court as promptly as practicable, and at such hearing shall request that the hearing to issue the Chapter 11 Court Order be held as soon as reasonably practicable thereafter.

(b) Buyers shall have the right to appoint a restructuring consultant (the "Buyer Consultant"), at its own expense, to observe the operations of the Companies and their Subsidiaries from the date hereof until the Closing Date. Without limiting Section 5.4, so long as such access does not significantly interfere with the operation of the business of the Companies and their Subsidiaries, the Buyer Consultant shall have: (i) access to the books and records and all other documents and information concerning the Companies and their Subsidiaries and their respective businesses; (ii) access to and be entitled to work at any of the offices or facilities at which the Companies and their Subsidiaries currently operates; and (iii) access to the employees (including senior management) of the Companies and their Subsidiaries.

(c) Bankruptcy Court Motions. To the extent reasonably practical, Seller will provide Buyers with a reasonable opportunity to review and comment upon all motions, applications and supporting papers prepared by Seller (including forms of orders and notices to interested parties) prior to the filing thereof in the Chapter 11 Court or the Rehabilitation Court.

(d) Seller shall not, and shall not permit its Affiliates to, directly or indirectly, engage in discussions or negotiations with any Person relating to any sale or potential sale of the Companies, or any of them or their assets, unless any such Person first enters into a confidentiality agreement (including provisions regarding the solicitation and hiring of employees) that is at least as protective of the Companies as the Confidentiality Agreement. In addition, Seller shall not, and shall not permit its Affiliates, to provide any confidential or non-public information or materials to any such other Person unless such information or materials are substantially simultaneously provided to Buyers.

ARTICLE VI
CONDITIONS TO CLOSING

Section 6.1 Conditions to Each Party's Obligation. The respective obligations of the parties to effect the transactions contemplated hereby shall be subject to the satisfaction at or prior to the Closing Date of the following conditions:

(a) No Injunctions or Restraints; Illegality. No order, injunction or decree issued by any court or agency of competent jurisdiction or other Law preventing or making illegal the consummation of any of the transactions contemplated by this Agreement shall be in effect.

(b) HSR Act; Regulatory Approvals. The Rehabilitation Court shall have entered the Final Approval Order; the NAPA Dividend shall have occurred; the waiting period (and any extension thereof) applicable to the transactions contemplated hereby under the HSR Act shall have been terminated or shall have expired and all Regulatory Approvals required to complete the transactions contemplated hereby shall have been obtained or made and shall be in full force and effect and all waiting periods required by Law shall have expired or been terminated; and any conditions imposed in connection with any of the foregoing, individually or in the aggregate, shall not have any effect set forth in the last sentence of Section 5.7(e), unless consented to by each Buyer in its sole discretion.

Section 6.2 Conditions to Obligations of Buyers. The obligation of each Buyer to effect the transactions contemplated hereby is also subject to the satisfaction, or waiver by each Buyer, at or prior to the Closing Date, of the following conditions:

(a) Representations and Warranties. Subject to the standard set forth in Section 10.1, the representations and warranties of Seller set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except that representations and warranties that by their terms speak specifically as of the date of this Agreement or another date shall be true and correct as of such date); and Buyers shall have received a certificate signed on behalf of Seller by the Chief Executive Officer or the Chief Financial Officer of Seller to the foregoing effect.

(b) Performance of Obligations of Seller. Seller shall have performed in all material respects the obligations required to be performed by it under this Agreement at or prior to the Closing Date; and Buyers shall have received a certificate signed on behalf of Seller by the Chief Executive Officer or the Chief Financial Officer of Seller to such effect.

(c) No Material Adverse Effect. Except for the expected issuance of the rehabilitation order with respect to the Companies and the Chapter 11 proceedings contemplated herein, including the underlying causes of such order and proceedings, or as Publicly Disclosed, since December 31, 2007, there shall not have been any event or condition which, individually or in the aggregate, has had or is reasonably likely to have a Material Adverse Effect on the Companies, subject to and qualified by the preamble to Article III.

(d) Ancillary Documents. Each of the Ancillary Documents shall have been executed and delivered by Seller and the Companies and shall be in full force and effect, and Seller and the Companies shall have complied with all obligations therein required to be complied with by them at or prior to the Closing.

(e) Certain Approvals and Events. The Asset Approval shall have been granted on terms reasonably acceptable to Buyers; the Form E Exemption Findings shall have been sent; and any conditions imposed in connection with any of the foregoing, individually or in the aggregate, shall not have any effect set forth in the last sentence of Section 5.7(e), unless consented to by each Buyer in its sole discretion.

(f) Amended Plans. Seller shall have taken all actions necessary so that each Company Benefit Plan and the trust established pursuant to each such Company Benefit Plan is amended to provide that neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby, either alone or in conjunction with any other event, require the funding of any such plan or trust.

(g) Chapter 11 Court Order. Seller shall have obtained the entry of a final, non-appealable Chapter 11 Court Order (i.e., a final and enforceable order as to which the time for taking an appeal has expired).

Section 6.3 Conditions to Obligations of Seller. The obligation of Seller to effect the transactions contemplated hereby is also subject to the satisfaction or waiver by Seller at or prior to the Closing Date of the following conditions:

(a) Representations and Warranties. Subject to the standard set forth in Section 10.1, the representations and warranties of Buyers set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except that representations and warranties that by their terms speak specifically as of the date of this Agreement or another date shall be true and correct as of such date); and Seller shall have received a certificate signed on behalf of each Buyer by the Chief Executive Officer or the Chief Financial Officer of such Buyer to the foregoing effect.

(b) Performance of Obligations of Buyers. Each Buyer shall have performed in all material respects the obligations required to be performed by it under this Agreement at or

prior to the Closing Date, and Seller shall have received a certificate signed on behalf of such Buyer by the Chief Executive Officer or the Chief Financial Officer of such Buyer to such effect.

ARTICLE VII TERMINATION

Section 7.1 Termination. (a) This Agreement may be terminated on or prior to the Closing Date only as follows:

(i) by mutual written consent of Buyers and Seller;

(ii) by either Seller or Buyers, if any Governmental Entity that must grant a Regulatory Approval to complete the transactions contemplated hereby has denied approval thereof and such denial has become final and nonappealable or any Governmental Entity of competent jurisdiction shall have issued a final and nonappealable order, injunction or decree permanently enjoining or otherwise prohibiting or making illegal the consummation of the transactions contemplated by this Agreement;

(iii) by either Seller or Buyers, if the Closing Date shall not have occurred on or before the day that is 120 days after the date of this Agreement (the "End Date"); provided, that in the event that as of the End Date, any condition set forth in Section 6.1 or in Section 6.2 has not been satisfied, the Termination Date may be extended from time to time by Buyers one or more times to a date not beyond three months from the End Date (such later date, the "Termination Date"); provided, that the right to terminate this Agreement pursuant to this section shall not be available to any party if the failure of the Closing to occur by such date shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants and agreements of such party set forth in this Agreement;

(iv) by either Seller or Buyers (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of Seller, in the case of a termination by Buyers, or Buyers, in the case of a termination by Seller, which breach, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 6.2 or 6.3, as the case may be, and which is not cured within 30 days following written notice to the party committing such breach or by its nature or timing cannot be cured within such time period; or

(v) by Buyers if the Rehabilitation Court or any insurance regulatory authority imposes any material limits on the ability of the Companies to issue policies to the extent they were permitted to do so prior to November 24, 2008 or otherwise on their ability to operate their business in the ordinary course in a manner materially adverse to Buyers.

(b) The termination of this Agreement shall be effectuated by the delivery of a written notice of such termination from the party terminating this Agreement to the other party.

Section 7.2 Obligations upon Termination. In the event that this Agreement shall be terminated pursuant to Section 7.1, all obligations of the parties hereto under this Agreement shall terminate and this Agreement shall become null and void and of no further force and effect, except (a) for the provisions of Section 5.4(b), this Section 7.2 and Sections 10.2, 10.3, 10.5 and 10.6 and (ii) that nothing herein will relieve any party from liability for any breach of this Agreement.

ARTICLE VIII TAX MATTERS

Section 8.1 Seller's Responsibility for Taxes. Notwithstanding anything in this Agreement to the contrary, Seller shall be liable for and shall bear and pay, reimburse, indemnify and hold harmless Buyers and their Affiliates (including the Companies and all of their Subsidiaries) for, from and against any and all liabilities for Taxes (or payments in respect of Taxes) that arise out of, relate to or are attributable to (a) Taxes imposed on, allocated to or incurred or payable by the Companies or any of their Subsidiaries for any Pre-Closing Tax Year (b) any Taxes imposed under Treasury Regulation Section 1.1502-6(a) (or under any similar provision of Law) with respect to a consolidated, combined, unitary, affiliated or other Tax group that included the Companies or any of their Subsidiaries in a Pre-Closing Tax Year, (c) Taxes with respect to the transactions contemplated by this Agreement; (d) breaches or inaccuracies of the representations and warranties or the covenants set forth in this Agreement that relate to Tax matters; (e) any and all Taxes of any person imposed on either of the Companies or any of their Subsidiaries as a transferee or successor, by contract, or otherwise; and (f) any reasonable fees and expenses (including attorney's, accountant's and other professional's fees) incurred in connection with any claim, investigation, review, proceeding, negotiation or matter related thereto; provided, however, that any indemnification under this Section 8.1 shall be limited to the Escrow Funds.

Section 8.2 Straddle Periods. In the case of Taxes (other than Taxes (including Transfer Taxes) arising out of, related to or attributable to the transactions contemplated by this Agreement which shall be for Seller's account in all cases) that are payable with respect to a taxable period that begins on or before the Closing Date and ends after the Closing Date (a "Straddle Period"), the portion of any such Tax that is allocable to the portion of the period ending on and including the Closing Date shall be:

(a) in the case of Taxes that are either (i) based upon or related to income or receipts, or (ii) imposed in connection with any sale or other transfer or assignment of property (real or personal, tangible or intangible), deemed equal to the amount which would be payable if the taxable year ended on and included the Closing Date (an interim closing of the books);

(b) in the case of Taxes imposed on a periodic basis with respect to the assets of the Companies or any of their Subsidiaries, or otherwise measured by the level of any item, deemed to be the amount of such Taxes for the entire period (or, in the case of such Taxes determined on an arrears basis, the amount of such Taxes for the immediately preceding period), multiplied by a fraction the numerator of which is the number of calendar days in the period ending on and including the Closing Date and the denominator of which is the number of calendar days in the entire period; and

(c) in the case of Taxes based upon gross premiums deemed equal to the amount that would be payable with respect to the premiums written as of the Closing Date.

Section 8.3 Indemnification Procedures. Any claim for indemnification under Section 8.1 shall be made in accordance with procedures set forth in Section 9.6 of this Agreement.

Section 8.4 Tax Returns.

(a) Seller shall prepare and timely file or cause to be prepared and timely filed:

(i) all income Tax Returns for the Companies and their Subsidiaries for all Pre-Closing Tax Periods that are filed on a consolidated, combined, or unitary basis, regardless of when such Tax Returns are required to be filed. Such Tax Returns, as they relate to the Companies or any of their Subsidiaries, shall be consistent with past practice, except as required by applicable Law or as would not have a material adverse impact on Buyers; and

(ii) all other Tax Returns for the Companies and their Subsidiaries for Tax periods that end before the Closing Date and that are required to be filed on or prior to the Closing Date (taking into account any valid extensions). Such Tax Returns shall be consistent with past practice, except as required by applicable Law or as would not have a material adverse impact on Buyers.

(b) Buyers shall prepare and timely file, or cause to be prepared and timely filed, Tax Returns for the Companies and their Subsidiaries for Tax periods that end on or before the Closing Date that are not described in Section 8.4(a) and not filed on or prior to the Closing Date. Such Tax Returns shall be prepared in a manner consistent with past practice, except as required by applicable Law or as would not have a material adverse impact on Seller.

(c) Buyers shall prepare and timely file, or cause to be prepared and timely filed, all Tax Returns for the Companies and their Subsidiaries for all Straddle Periods. Such Tax Returns shall be prepared in a manner consistent with past practice, except as required by applicable Law or as would not have a material adverse impact on Seller.

(d) Buyers shall prepare and timely file, or cause the Companies and their Subsidiaries to prepare and timely file, all Tax Returns required to be filed by or with respect to the Companies and their Subsidiaries for any Tax period beginning after the Closing Date.

(e) Seller shall not enter into any settlement or compromise related to any Taxes which settlement or compromise could have a material adverse impact on the Companies, their Subsidiaries, Buyers or any of their Affiliates without obtaining prior written consent of Buyers, which consent shall not be unreasonably withheld.

Section 8.5 Cooperation and Exchange of Information. Buyers and Seller shall, and shall cause their respective Affiliates to, provide each other with such cooperation and information as either of them or their respective Affiliates reasonably may request of the other in filing any Tax Return, amended Tax Return, or claim for refund, determining a liability for Taxes or a right to a refund of Taxes, determining the amount of any loss or credit attributable to any of the Companies or their Subsidiaries, or participating in or conducting any Tax audit, examination, assessment or proceeding ("Tax Contest"). Such cooperation and information shall include, to the extent reasonably requested, providing copies of relevant Tax Returns or portions thereof, together with accompanying schedules, related work papers and documents relating to rulings or other determinations by Tax authorities. Each party and its Affiliates shall make its employees available on a basis mutually convenient to both parties to provide explanations of any documents or information provided hereunder. Each of Buyers and Seller shall, and shall cause its respective Affiliates to, retain all Tax Returns, schedules and work papers, records and other documents in its possession relating to Tax matters of the Companies and their Subsidiaries for each Tax period first ending after the Closing Date and for all prior years until the later of (i) the expiration of the statute of limitations of the years to which such Tax Returns and other documents relate, without regard to extension except to the extent notified in writing of such extensions for the respective Tax periods, or (ii) three years following the due date (without extension) for such Tax Returns. Any information obtained under this Section 8.5 shall be kept confidential except as may be otherwise necessary in connection with the filing of Tax Returns or claims for refund or in conducting a Tax Contest or as otherwise may be required by Law, regulation, or the rules of any stock exchange.

Section 8.6 Tax Sharing. All intercompany balances due with respect to any and all existing Tax Sharing Agreements will be paid in full and settled immediately before the Closing Date. For purposes of this Section 8.6, to the extent it relates to federal income Taxes, the amount shown on line 16.1 of the statement of assets in LTIC's quarterly Statutory Statement for the fiscal quarter ended September 30, 2008 filed with the Insurance Department of the State of Nebraska shall be treated as due. As of the Closing Date, and thereafter, neither Seller, nor any Company, nor any of their Subsidiaries shall have any continuing liability or rights with respect to each other under any such agreement.

Section 8.7 Transfer Taxes. Notwithstanding any provision of this Agreement to the contrary, all Transfer Taxes shall be borne 50% by Buyers and 50% by Seller from the Purchase Price. Seller will, at its own expense, file all necessary Tax Returns and other documentation with respect to all such Taxes and fees, and, if required by applicable Law, Buyers will, and will cause their Affiliates to, join in the execution of any such Tax Returns and other documentation.

Section 8.8 Section 338 Elections. The parties shall, unless prohibited by Law or not legally available in view of the structure of the Stock Purchase Agreement, mutually consider at the request of Buyers, making a timely, or causing the appropriate Affiliate to timely

make, joint elections (collectively, the “Section 338(h)(10) Election”) with respect to the purchase of the stock of any of the Companies or their Subsidiaries under (i) Section 338(h)(10) of the Code and (ii) any analogous election with respect to state, local or foreign income Taxes, to the extent that such election is separately available, in each state, local and foreign jurisdiction where either Company or their Subsidiaries currently files income Tax Returns. In such event, Buyers and Seller shall report (or shall cause an appropriate Affiliate to report), in connection with the determination of Taxes, the purchase of the stock of the Companies in a manner consistent with the Section 338(h)(10) Election.

Section 8.9 Miscellaneous. (a) Seller and Buyers agree to treat all payments made by either of them to or for the benefit of the other under the indemnity provisions of this Agreement as adjustments to the Purchase Price.

(b) Notwithstanding any provision in this Agreement to the contrary, the obligations of the parties set forth in this Article VIII and the representations and warranties set forth in Section 3.10, shall be unconditional and absolute and shall not be subject to any restrictions or limitations and shall remain in effect until the first anniversary of the Closing Date. Notwithstanding the preceding sentence, any breach of representation or warranty or any covenant or agreement in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the preceding sentences, if the indemnified party shall have given to the indemnifying party notice of the inaccuracy or breach or other matter giving rise to such right of indemnity prior to such time.

(c) For purposes of this Article VIII, any inaccuracy in or breach of any representation or warranty set forth in Section 3.10 shall be determined without regard to any materiality, “Material Adverse Effect” or similar qualification, and without regard to any qualification or requirement that a matter be or not be “reasonably expected” to occur, contained in or otherwise applicable to such representation or warranty.

ARTICLE IX INDEMNIFICATION

Section 9.1 Survival. The representations and warranties of the parties contained in this Agreement or in any certificate or other writing delivered pursuant hereto or in connection herewith shall survive the Closing until the first anniversary of the Closing Date. The covenants and agreements of the parties contained in this Agreement or in any certificate or other writing delivered pursuant hereto or in connection herewith shall survive the Closing indefinitely or for the shorter period explicitly specified therein. Notwithstanding the preceding sentences, any breach of representation or warranty or any covenant or agreement in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the preceding sentences, if the indemnified party shall have given to the indemnifying party notice of the inaccuracy or breach or other matter giving rise to such right of indemnity prior to such time.

Section 9.2 Indemnification by Seller. Seller shall defend, indemnify and hold harmless each of Buyer, its Affiliates, and, after the Closing, the Companies and their

Subsidiaries, and their respective officers, directors, employees, agents, advisors and other Representatives (collectively, the “Buyer Indemnitees”) from and against, and pay or reimburse the Buyer Indemnitees for, any and all damage, loss, liability and expense (including reasonable expenses of investigation, enforcement and collection and reasonable attorneys’, accountants’ and other professionals’ fees and expenses in connection with any litigation and any incidental, indirect or consequential damages, losses, liabilities or expenses, and any lost profits or diminution in value), whether or not involving a Third Party Claim (collectively, “Losses”), resulting from or arising out of (a) any inaccuracy in or breach of any representation or warranty of Seller or any Affiliate or the Companies in this Agreement or any Ancillary Document, (b) any failure of Seller or any Affiliate or, prior to the Closing Date, the Companies or any of their Subsidiaries, to perform any covenant or agreement under this Agreement or any Ancillary Document and (c) all litigation or arbitration (i) brought by stockholders or creditors of Seller arising out of the transactions contemplated by this Agreement (other than any legal fees or expenses incurred in connection with the motion seeking approval of the Chapter 11 Court Order or the entry thereof or opposing objections thereto) or (ii) related to the businesses, operations or conduct of Seller and its Subsidiaries and Affiliates (other than the businesses, operations or conduct of the Companies and their Subsidiaries).

Section 9.3 Indemnification by Buyers. Buyers shall jointly and severally defend, indemnify and hold harmless Seller and its officers, directors, employees, agents, advisors and representatives (collectively, the “Seller Indemnitees”) from and against, and pay or reimburse the Seller Indemnities for, any and all Losses resulting from or arising out of (a) any inaccuracy in or breach of any representation or warranty of Buyers in this Agreement or any Ancillary Document, (b) any failure of Buyers to perform any covenant or agreement under this Agreement or any Ancillary Document and (c) all litigation or arbitration related to the businesses, operations or conduct of the Companies and their Subsidiaries.

Section 9.4 Certain Limitations. (a) After the Closing, Seller shall not be required to indemnify the Buyer Indemnitees (i) for Losses under Section 9.2(a) until the aggregate amount of all such Losses exceeds \$1,000,000 (the “Basket”), in which event Seller shall be responsible for the entire amount of such Losses, or (ii) for Losses in the aggregate in excess of the Escrow Funds.

(b) Any Buyer Indemnitee shall only be indemnified to the extent of funds available in the Escrow Funds, it being understood that such Escrow Funds shall be the sole and exclusive source of recovery and remedy of any Buyer Indemnitee with respect to any claim for indemnification under Section 9.2.

(c) Buyers shall not be required to indemnify the Seller Indemnities (i) for Losses under Section 9.3(a) until the aggregate amount of all such Losses exceeds the Basket, in which event Buyers shall be responsible for the entire amount of such Losses, or (ii) for Losses in the aggregate in excess of \$10,000,000.

(d) For purposes of this Article IX, any inaccuracy in or breach of any representation or warranty shall be determined without regard to any knowledge, materiality, Material Adverse Effect or similar qualification contained in or otherwise applicable to such representation or warranty.

(e) The representations, warranties and covenants of Seller and Buyers' rights to indemnification with respect thereto shall not be affected or deemed waived by reason of any investigation made by or on behalf of either Buyer (including by any of its advisors, consultants or Representatives) or by reason of the fact that either Buyer or any of such advisors, consultants or Representatives knew or should have known that any such representation or warranty is, was or might be inaccurate or by reason of Buyers' waiver of any condition set forth in Article VI.

(f) Except as provided in Section 10.9 and Article VIII, the indemnity provided for in this Article IX shall be the sole and exclusive remedy of the Buyer Indemnitees or the Seller Indemnitees, as the case may be, after the Closing for any inaccuracy of any representation or warranty of Seller or Buyers, as applicable, in this Agreement or any other breach hereof. Seller hereby waives and acknowledges and agrees that Seller shall not have and shall not attempt to exercise or assert any right of contribution or indemnity or any other claim whatsoever against the Companies or their Subsidiaries, or any Representative of the foregoing, in connection with any matter with respect to which indemnity is sought from Seller under this Agreement.

Section 9.5 Tax Indemnification. Anything in this Article IX to the contrary notwithstanding, the rights and obligations of the parties with respect to indemnification relating to Tax matters (including indemnification for breach of the representations and warranties of Section 3.10) shall be governed exclusively by Article VIII.

Section 9.6 Third Party Claim Procedures. In the case of any claim asserted by a third party (a "Third Party Claim") against a party entitled to indemnification under this Agreement (an "Indemnified Party"), notice shall be given by the Indemnified Party to the party required to provide indemnification (the "Indemnifying Party") promptly after such Indemnified Party has actual knowledge of such Third Party Claim, and the Indemnified Party shall permit the Indemnifying Party (at the expense of such Indemnifying Party and so long as the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party for Losses related to such Third Party Claim) to assume the defense of such Third Party Claim, provided that (a) counsel for the Indemnifying Party who shall conduct the defense of such Third Party Claim shall be reasonably satisfactory to the Indemnified Party, and the Indemnified Party may participate in such defense at such Indemnified Party's expense, and (b) the failure of any Indemnified Party to give notice as provided herein shall not relieve the Indemnifying Party of its indemnification obligation under this Agreement except to the extent that such failure results in a lack of actual notice to the Indemnifying Party and such Indemnifying Party is materially prejudiced as a result of such failure to be given notice. If the Indemnifying Party does not promptly assume the defense of such Third Party Claim following notice thereof, the Indemnified Party shall be entitled to assume and control such defense and to settle or agree to pay in full such Third Party Claim without the consent of the Indemnifying Party without prejudice to the ability of the Indemnified Party to enforce its claim for indemnification against the Indemnifying Party hereunder. Except with the prior written consent of the Indemnified Party, no Indemnifying Party, in the defense of any such Third Party Claim, shall consent to entry of any judgment or enter into any settlement that provides for injunctive or other nonmonetary relief affecting the Indemnified Party or that does not include as an unconditional term thereof the giving by each claimant or plaintiff to such Indemnified Party of an irrevocable release from all liability and wrongdoing with respect to such Third Party Claim. Seller and

Buyers shall cooperate in the defense of any Third Party Claim subject to this Article IX and the records of each shall be reasonably available to the other with respect to such defense.

ARTICLE X
MISCELLANEOUS

Section 10.1 Standard. No representation or warranty of Seller contained in Article III or of Buyers contained in Article IV shall be deemed untrue, inaccurate or incorrect for purposes of Section 6.2(a) or 6.3(a) of this Agreement, and no party hereto shall be deemed to have breached a representation or warranty for such purpose under this Agreement, in any case as a consequence of the existence or absence of any fact, circumstance or event unless such fact, circumstance or event, individually or when taken together with all other facts, circumstances or events inconsistent with any representations or warranties contained in Article III, in the case of Seller, or Article IV, in the case of Buyers, has had or would reasonably be expected to have a Material Adverse Effect with respect to the Companies or Buyers, respectively (disregarding for purposes of this Section 10.1 all qualifications or limitations set forth in any representations or warranties as to “materiality,” “Material Adverse Effect” and words of similar import). Notwithstanding the immediately preceding sentence, (i) the representations and warranties contained in Section 3.2(a) shall be deemed untrue and incorrect if not true and correct in all respects other than to a de minimis extent (relative to Section 3.2(a), taken as a whole) and (ii) the representations and warranties contained in Sections 3.2(b), 3.3(a), 3.3(b), 3.3(c)(i), 3.7, 3.20, and 3.21 shall be deemed untrue and incorrect if not true and correct in all material respects.

Section 10.3 Interpretation. When a reference is made in this Agreement to Articles, Sections, Exhibits or Schedules, such reference shall be to an Article or Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Except as otherwise expressly provided herein, all references to “dollars” or “\$” shall be deemed references to the lawful money of the United States of America. Unless otherwise indicated, the word “day” shall be interpreted as a calendar day. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” References to the “transactions contemplated by this Agreement” and similar expressions include the transactions contemplated by the Ancillary Documents. The words “hereof,” “herein,” “hereby,” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole (including any exhibits hereto and schedules delivered herewith) and not to any particular provisions of this Agreement. Whenever used in this Agreement, any noun or pronoun shall be deemed to include the plural as well as the singular and to cover all genders. The Company Disclosure Schedule and the Buyer Disclosure Schedule, as well as all other schedules and all exhibits hereto, shall be deemed part of this Agreement and included in any reference to this Agreement. This Agreement shall not be interpreted or construed to require any person to take any action, or fail to take any action, if to do so would violate any applicable law.

Section 10.4 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other party, it being understood that each party need not sign the same counterpart. Either party may deliver its signed counterpart of this Agreement to the other party by means of facsimile or any other electronic medium, and such delivery will have the same legal effect as hand delivery of an originally executed counterpart.

Section 10.5 Entire Agreement. This Agreement (including the documents and the instruments referred to in this Agreement) and the Confidentiality Agreement constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter of this Agreement.

Section 10.6 Governing Law; Jurisdiction. This Agreement shall be deemed to be made in and in all respects shall be interpreted, governed and construed in accordance with the internal laws of the State of New York applicable to contracts made and wholly-performed within such state, without regard to any applicable conflicts of law principles. The parties hereto agree that any suit, action or proceeding brought by either party to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in the Chapter 11 Court. Each of the parties hereto submits to the jurisdiction of any such court in any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of, or in connection with, this Agreement or the transactions contemplated hereby and hereby irrevocably waives the benefit of jurisdiction derived from present or future domicile or otherwise in such action or proceeding. Each party hereto irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

Section 10.7 Publicity. Neither Seller nor Buyers shall, and neither Seller nor Buyers shall permit any of its Subsidiaries to, issue or cause the publication of any press release or other public announcement with respect to, or otherwise make any public statement concerning, the transactions contemplated by this Agreement without the prior consent (which consent shall not be unreasonably withheld) of Buyers, in the case of a proposed announcement or statement by Seller, or Seller, in the case of a proposed announcement or statement by Buyers; provided, however, that either party may, without the prior consent of the other party (but after prior consultation with the other party to the extent practicable under the circumstances) issue or cause the publication of any press release or other public announcement to the extent required by law or by the rules and regulations of the NYSE.

Section 10.8 Assignment; Third Party Beneficiaries. (a) Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by either of the parties (other than by either Buyer by operation of law in a merger of such Buyer) without the prior written consent of the other party. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by each of the parties and their respective successors and assigns. This Agreement (including the documents

and instruments referred to in this Agreement) is not intended to and does not confer upon any person other than the parties hereto any rights or remedies under this Agreement.

(b) The representations and warranties in this Agreement are the product of negotiations among the parties hereto and are for the sole benefit of the parties hereto. Any inaccuracies in such representations and warranties are subject to waiver by the parties hereto in accordance with this Agreement without notice or liability to any other person. In some instances, the representations and warranties in this Agreement may represent an allocation among the parties hereto of risks associated with particular matters regardless of the knowledge of any of the parties hereto. Consequently, persons other than the parties hereto may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 10.9 Specific Performance.
